E-Mail Text for Hyattsville Community Energy Fair

The City of Hyattsville is hosting a **Community Energy Fair on Wednesday, February 27th from 7:00 – 9:00 PM** in the first floor multi-purpose room **at Hyattsville City Hall**, 4310 Gallatin Street. The Fair is open to everyone who wants to learn how to lower their utility bills and make their homes more comfortable through energy efficiency.

At the Fair, residents can learn from expert home efficiency contractors, speak with neighbors who have already made their home more efficient, and learn about how the Small Town Energy Program (STEP) helped them to access thousands of dollars in available rebates. There will also be a drawing at the Fair for a chance to win \$500 in home energy efficiency improvements (some conditions apply).

More information is available at **www.smalltownenergy.org**, or contact STEP Energy Coach Suzanne Parmet at **(240) 695-3991** or **energycoach@smalltownenergy.org**.
