

## Interested Party Comment and Response

### Question:

We are wondering if the any of the appendices pages that we attach count towards the total page count limit of 60 pages? It was noted that Appendix F and financial Statements do not count, but we were curious about the NDA, Cover page signature, and insurance.

### DOE Response:

Proposal response information associated with the Cover Page, NDA, and Insurance requirements, will not be counted against the proposal 60 total pages limit.
