LEGISLATIVE TOUR OF THE INEEL

In January 1998, the INEEL CAB hosted a breakfast for Idaho legislators from three committees: Resource and Environment (Senate), Environmental Affairs (House), and Resources and Conservation (House). Committee members discussed their constituents' concerns regarding INEEL. The CAB found it to be an informative session and plans to repeat it annually.

The legislators expressed their appreciation for past opportunities to participate in tours of the site and asked the CAB to convey their feelings to DOE-ID. The CAB is happy to do that, and to provide the following recommendation:

The INEEL CAB recommends that DOE-ID continue to sponsor tours of INEEL after each election. This tour should provide an orientation to new legislators, build an awareness of site issues, and encourage open communication with the tour participants.
