Re: Ex Parte Communication on Process Improvement Rule Proposed Rulemaking

On April 2, 2019, staff and representatives from the Association of Home Appliance Manufacturers, the Air Conditioning Heating and Refrigeration Institute, and the National Electrical Manufacturers Association met with the Department of Energy Staff to discuss the proposal to amend the Process Improvement Rule. A list of attendees is provided below.

At the meeting, the group discussed the procedural aspects of the proposal.

Attendees:

Caroline Davidson-Hood, AHRI
Clark Silcox, NEMA
Charles Samuels, Mintz Levin for AHAM
Daniel Cohen, DOE
Michael Kido, DOE
Francine Pinto, DOE
Peter Cochrane, DOE
Eric Stas, DOE
Elizabeth Kohl, DOE

Respectfully submitted,

Caroline Davidson-Hood
General Counsel
Air-conditioning, Heating, and Refrigeration Institute
