RE: Ex Parte Communication, Docket EERE-BT-DET-0033

To whom it may concern,

On January 22, 2013, representatives from the Edison Electric Institute (EEI) held a conference call with representatives from the U.S. Department of Energy to discuss issues associated with the *Proposed Determination of Commercial and Industrial Compressors as Covered Equipment*, published at 77 *Fed. Reg.* 76972 (Dec. 31, 2012). A participant list is appended to this memorandum.

On the conference call, EEI thanked the Department for taking the time to discuss issues of concern with EEI. EEI discussed its concerns on the definition of compressors and the scope of the proposed determination. EEI indicated that it will file comments in the above-referenced docket addressing the concerns raised during the conference call.

Sincerely,

Steve Rosenstock, P.E.
Senior Manager, Energy Solutions
