

Memorandum

To United States Department of Energy

From Benjamin Longstreth, Natural Resources Defense Council

Date March 4, 2014

Re Ex Parte Communication

On Monday March 3, 2014, a group of energy efficiency advocates had a conference call with representatives of the Department of Energy to discuss the standards for walk-in coolers.

The efficiency advocates presented information concerning 1) the certification of walk-in coolers that are sold as matched pairs and those that are sold separately and 2) the scope of products to which the standards will apply.

The following individuals were present or on the telephone:

John Cymbalsky, DOE  
Dan Cohen, DOE  
Ashley Armstrong, DOE  
Michael Kido, DOE  
Benjamin Longstreth, NRDC  
Joanna Mauer, ASAP  
Andrew deLaski, ASAP  
Tim Ballo, Earthjustice

Respectfully submitted,

s/ Benjamin Longstreth
