Re: Ex Parte Communication on Residential Furnace Test Procedure

On December 3, 2018, AHRI staff and manufacturing representatives met with representatives from the Department of Energy (DOE) to discuss AHRI's October 12, 2018 petition to initiate a rulemaking to amend test procedures for residential warm air furnaces. The meeting was held via teleconference. A list of attendees is provided below.

At the meeting, the group discussed technical aspects of the test procedure and AHRI communications with other parties regarding its petition.

Attendees:

Tony Bouza, DOE
Adam Darlington, Navigant Consulting
Tom Gort, Ingersoll Rand
Paul Haydock, Carrier
David Heindel, Carrier
John Hurst, Lennox
Diane Jakobs, Rheem
Sam Jasinski, Navigant Consulting
Cameron Wright, Rheem
Aykut Yilmaz, AHRI

Respectfully submitted,

Caroline Davidson-Hood
