Case Number: 2012-SE-5409

ORDER

By the General Counsel, U.S. Department of Energy:

1. In this Order, I adopt the attached Compromise Agreement entered into between the U.S. Department of Energy ("DOE") and The Electrical Design, Development and Implementation Company d/b/a Teddico ("Respondent"). The Compromise Agreement resolves the case initiated to pursue a civil penalty for distributing in commerce in the United States metal halide lamp fixtures that failed to meet the applicable standard for energy usage. *See* 10 C.F.R. § 431.326.
2. DOE and Respondent have negotiated the terms of the Compromise Agreement that resolves this matter. A copy of the Compromise Agreement is attached hereto and incorporated by reference.
3. After reviewing the terms of the Compromise Agreement and evaluating the facts before me, I find that the public interest would be served by adopting the Compromise Agreement.
4. Based on the information in the case file and Respondent's admission of facts establishing violations, I find that Respondent committed Prohibited Acts by distributing in commerce metal halide lamp fixtures that were not in conformity with the applicable energy conservation standard. *See* 42 U.S.C. §§ 6295(hh), 6302.
5. Accordingly, pursuant to 42 U.S.C. § 6303, I **HEREBY ASSESS** a civil penalty of \$18,994 **AND ORDER** that the Compromise Agreement attached to this Order is adopted.

Gregory H. Woods
General Counsel
