

## U.S. Department of Energy Categorical Exclusion Determination Form

Project Title: Location:  1) Technical consultant, 2) revolving loan program, 3) sub grants for commercial projects, 4) energy upgrades of city facilities  Categorical Exclusion(s) Applied:  "For the complete DOE National Environmental Policy Act regulations regarding categorical exclusions, see Subpart D of 10 CFR10 21 Cities there  This action could not there are violation of applicable statutory, regulatory or genuit requirements for environment, suffery, and both including DOE and/or Executive Oders: require reting controls on the regulatory or genuit requirement for environment, suffery, and both including DOE and/or Executive Oders: require riting, controls on a regulatory or genuit requirement for the recommental project of the control of the environment suffery and both the control of the control of the regulatory or genuity requirements for environment, suffery, and both including DOE and/or Executive Oders: require riting, controls on a regulatory or genuity requirements for environment, suffery, and both including DOE and/or Executive Oders: require riting, controls on a regulatory or genuity requirement for littles, but may include, such categorically excluded facilities during the analysis of the environment suffer would be uncontrolled or uppermitted releases, or adversely affect environmentally sensitive resources (including but not limited to those litted in puragraph 8 44) of Appendix B to Subplant D of 10 CFR 1021. In the mornor, these are no extraordinary circumstances related to this action that may affect the aginificance of the environmental enter would be uncontrolled or uppermitted releases, or adversely affect environmentally sensitive resources (including but not limited to those listed in puragraph 8 44) of Appendix B to Subplant D of 10 CFR 1021. In the mornor of the sensitive sensitive resources that the sensitive that agringment of the environmental enter would be uncontrolled or uppermitted releases, or adversely affected in puragraph 8 44) of Appendix B to Subplant D of 10 CFR 10	Categorical Exclus	Sion Determination Form
Proposed Action or Project Description:  1) Technical consultant, 2) revolving loan program, 3) sub grants for commercial projects, 4) energy upgrades of city facilities  *For the complete DOF National Favironmental Policy Act regulations regarding categorical exclusions, see Subpart D of 10 CFR1021 (Task Herr  This action would not: threaten a violation of applicable statutory, regulatory, or permit requirements for environment, safety, and health, including DOF and/or Executive Orders, require sing, construction, or major expansion of waste storage, disposal, recovery, or treatment facilities, but may include such categorically excluded facilities (disturb heardons substantice), pollutants, containmants, or CFRECT—excluded perculous and natural gas products that pre-scient in the environment and that there would be uncontrolled or upgermitted releases; or adversely affect environmentally sensitive resources (including but not limited to those listed in paragraph B.(4) of Appendix B to Subpart D of 10 CFR 102.11 (This state in the environment of the discovery of the environment of the environment of the three world be uncontrolled or upgermitted releases; or adversely affect environmentally sensitive resources (including but not limited to those listed in paragraph B.(4) of Appendix B to Subpart D of 10 CFR 102.11 three that there would be uncontrolled or upgermitted releases; or adversely affect environmentally sensitive resources (including but not limited to those listed in paragraph B.(4) of Appendix B to Subpart D of 10 CFR 102.11 three three world by the uncontrolled or upgermitted releases; or adversely affect environmentally sensitive resources (including but not limited to those listed in paragraph B.(4) of Appendix B to Subpart D of 10 CFR 102.11 three and the three world be adversely affect the segnificance of the environmental section of the environmental section of the environmental section of the environmental section of	Program or Field Office:	
Proposed Action or Project Description:  1) Technical consultant, 2) revolving loan program, 3) sub grants for commercial projects, 4) energy upgrades of city facilities  **For the complete DOE National Environmental Policy Act regulations regarding categorical exclusions, see Subpart D of 10 CFR10 21 Click Here  This action would not: threaten a violation of applicable stantory, regulatory, or permit requirements for environment, safety, and health, including DOE and/or Excentive Orders; require stiting, construction, or major expansion of waste storage, disposal, recovery, or treatment facilities, but may include such categorically excluded facilities; disturb hazardous substances, pollutants, contaminants, or CFRECT-Acc hedded period and natural gas products that pre-expinite site in the environmental relations of a project of the proposed action and natural gas products that pre-expinitely excluded facilities, disturb hazardous substances, pollutants, contaminants, or CFRECT-Acc hedded period and natural gas products that pre-expinitely excluded facilities, disturb for inspiration of the proposed action and natural gas products that pre-expinitely excluded facilities, disturb for inspiration of the proposed action and natural gas products that pre-expinally excluded facilities, disturb for inspiration of the proposed action in the proposed action in the proposed action in the proposed action is series of the proposed action fits within the specified class(s) of action, the other regulatory requirements set forth above are met, and the proposed action is hereby categorically excluded from further NEPA review.  NEPA Compliance Office: Date Determined:	Project Title:	
1) Technical consultant, 2) revolving loan program, 3) sub grants for commercial projects, 4) energy upgrades of city facilities  *For the complete DOE National Environmental Policy Act regulations regarding categorical exclusions, see Subpart D of 10 CFR10 21 Citic Here  Categorical Exclusion(s) Applied:  This action would not theaten a violation of applicable statutory, regulatory, or permit requirements for environment, safety, and health, including DOE and/or Executive Orders; require sting, construction, or major expansion of wate storage, disposal, recovery, or treatment facilities, but may include such categorically excluded facilities; disturb hazardous substances, pollutants, contaminants, or CIECAL-excluded performed and natural gas products that pre-exist in the environment such that there would be uncontrolled or unpermitted releases; or adversely affect environmentally sensitive resources (including but not limited to those listed in paragraph B.(di) of Appendix B to Subpart D of 10 CFR 1021.1-1.  Shad or 10 CFR 1021.2-11.  Based on my review of information conveyed to me and in my possession (or attached) concerning the proposed action, as NEPA Compliance Officer (as authorized under DOE Order 451.1B). These determined that the proposed action is breeby categorically excluded from further NEPA review.  NEPA Compliance Officer:  Date Determined:	<u>Location:</u>	
*-For the complete DOE National Environmental Policy Act regulations regarding categorical exclusions, see Subpart D of 10 CFR.10.21 Cisc Hee  *-For the complete DOE National Environmental Policy Act regulations regarding categorical exclusions, see Subpart D of 10 CFR.10.21 Cisc Hee  This action would not threaten a violation of applicable stantory, regulatory, or permit requirements for environment, settery, and health, including DOF and/or Executive Orders, requires siting, construction, or major expansion of water storage disposal, recovery, or treatment facilities, but may include and categorically excluded facilities; disturb or unpermitted leases; or adversely affect environmentally sensitive resources (including but not limited to those listed in paragraph 8 (44) of Appendix B to Subpart D of 10 CFR. 1021.) Furthermore, there are no extraordinary circumstances related to this action that may affect the significance of the environmental effects of the action; this action is not connected? to other actions with potentially significant impacts, and is not precluded by 40 CFR. 1021.211.  Based on my review of information conveyed to me and in my possession (or attached) concerning the proposed actions, as NFPA Compliance Officer (as authorized under DOF Order 451.118). How determined that the proposed action fits within the specified class(es) of action, the other regulatory requirements set forth above are met, and the proposed action is hereby categorically excluded from further NEPA review.  NEPA Compliance Officer:  Date Determined:	Proposed Action or Project Description:	American Recovery and Reinvestment Act:
*-For the complete DOE National Environmental Policy Act regulations regarding categorical exclusions, see Subpart D of 10 CFR.10.21 Cisc Hee  *-For the complete DOE National Environmental Policy Act regulations regarding categorical exclusions, see Subpart D of 10 CFR.10.21 Cisc Hee  This action would not threaten a violation of applicable stantory, regulatory, or permit requirements for environment, settery, and health, including DOF and/or Executive Orders, requires siting, construction, or major expansion of water storage disposal, recovery, or treatment facilities, but may include and categorically excluded facilities; disturb or unpermitted leases; or adversely affect environmentally sensitive resources (including but not limited to those listed in paragraph 8 (44) of Appendix B to Subpart D of 10 CFR. 1021.) Furthermore, there are no extraordinary circumstances related to this action that may affect the significance of the environmental effects of the action; this action is not connected? to other actions with potentially significant impacts, and is not precluded by 40 CFR. 1021.211.  Based on my review of information conveyed to me and in my possession (or attached) concerning the proposed actions, as NFPA Compliance Officer (as authorized under DOF Order 451.118). How determined that the proposed action fits within the specified class(es) of action, the other regulatory requirements set forth above are met, and the proposed action is hereby categorically excluded from further NEPA review.  NEPA Compliance Officer:  Date Determined:	1) Technical consultant, 2) revolving loan	program, 3) sub grants for commercial
*-For the complete DOE National Environmental Policy Act regulations regarding categorical exclusions, see Subpart D of 10 CFR10 21 Click Here  This action would not: threaten a violation of applicable statutory, regulatory, or permit requirements for environment, safety, and health, including DOE and/or Executive Orders; require siting, construction, or major explansion of waste storage, disposal, recovery, or treatment facilities, that may include such categorically excluded facilities, disturb hazardous substances, populatures, commanismate, or CERCLA-excluded perfolence and natural gas produces that pre-exists in the environment such that there would be uncontrolled CFR 1021. Furthermore, there are no extraordinary circumstances related to this action that may affect the significance of the environmental effects of the action: this action is not "connected" to other actions with potentially significant impacts, and is not precluded by 40 CFR 1021.21.  Based on my review of information conveyed to me and in my possession (or attached) concerning the proposed action, as NEPA Compliance Officer (as authorized under DOE Order 451.18), I have determined that the proposed action is within the specified class(es) of action, the other regulatory requirements set forth above are met, and the proposed action is hereby categorically excluded from further NEPA review. Based on my review of information conveyed to me and in my possession (or attached) concerning the proposed action, as NEPA Compliance Officer (as authorized under DOE Order 451.1B), I have determined that the proposed action fits within the specified class(es) of action, the other regulatory requirements set forth above are met, and the proposed action is hereby categorically excluded from further NEPA review.  NEPA Compliance Officer:  Date Determined:		
This action would not: threaten a violation of applicable statutory, regulatory, or permit requirements for environment, safety, and health, including DOE and/or Executive Orders; require siting, construction, or major expansion of waste storage, disposal, recovery, or treatment facilities, but may include such categorically excluded facilities; disturb hazardous substances, pollutants, contaminants, or CERCLA-excluded petroleum and natural gas products that pre-exist in the environment such that there would be uncontrolled or unpermitted releases; or adversely affect environmentally sensitive resources (including but not limited to those listed in paragraph B.(4)) of Appendix B to Subpart D of 10 CFR 1021). Furthermore, there are no extraordinary circumstances related to this action that may affect the significance of the environmental effects of the action; this action is not "connected" to other actions with potentially significant impacts, is not related to other proposed actions with cumulatively significant impacts, and is not precluded by 40 CFR 1506.1 or 10 CFR 1021.211.  Based on my review of information conveyed to me and in my possession (or attached) concerning the proposed action, as NEPA Compliance Officer (as authorized under DOE Order 451.1B), I have determined that the proposed action fits within the specified class(es) of action, the other regulatory requirements set forth above are met, and the proposed action is hereby categorically excluded from further NEPA review.
