**Based on my review of the information concerning the proposed action, as NEPA Compliance Officer (authorized under DOE Order 451.1A), I have made the following determination:**

**CX, EA, EIS APPENDIX AND NUMBER:**

Description:

**B5.1** Actions to conserve energy, demonstrate potential energy conservation, and promote energy-efficiency that do not increase the indoor concentrations of potentially harmful substances. These actions may involve financial and technical assistance to individuals (such as builders, owners, consultants, designers), organizations (such as utilities), and state and local governments. Covered actions include, but are not limited to: programmed lowering of thermostat settings, placement of timers on hot water heaters, installation of solar hot water systems, installation of efficient lighting, improvements in generator efficiency and appliance efficiency ratings, development of energy-efficient manufacturing or industrial practices, and small-scale conservation and renewable energy research and development and pilot projects. The actions could involve building renovations or new structures in commercial, residential, agricultural, or industrial sectors. These actions do not include rulemakings, standard-settings, or proposed DOE legislation.

Rational for determination:

The State of Wisconsin will provide \$1,100,000 in Recovery Act funds to McCain Foods USA, Inc. to install heat recovery equipment upgrades and to implement heat recovery efficiency measures. McCain Foods is located at Hwy 54 and 110th Street, Plover, WI 54467.

Recovery Act funds will be used to replace existing heat exchangers with new and improved heat exchangers. The new equipment will be installed at various places along the company's production line. The work will take place in the existing building and will not require significant construction or alteration of the facility. The installation requires no new permits or licenses.

In view of the information provided by the State and recipient, the work outlined is consistent with activities identified in Categorical Exclusion B5.1 "Actions to Conserve Energy."

**NEPA PROVISION**
