Proposed Action or Project Description

American Recovery and Reinvestment Act:

The Ponca Tribe of Nebraska proposes to 1) employ and train one full-time employee to oversee the energy efficiency and conservation plan development, establish the Ponca Energy Office, and implement activities proposed in the energy efficiency and conservation plan; 2) maintain an Energy Team that will provide advice and guidance to the energy planner and develop programming to educate the community about energy efficiency, conservation, and renewable energy; the planner will research renewable energy by attending training and pursuing funding to obtain renewable energy; 3) create a recycling plan at each of the five tribal service facilities including developing an education program to educate the community about energy efficiency and conservation; and 4) conduct energy efficiency building retrofits including: insulate the Ponca Tribal Headquarters Building; insulate, upgrade the HVAC system, replace windows, and install a power quality system in the Ponca Tribal Administration Building on Syracuse Avenue; install a solar heat panel in the Ponca Tribal House; and insulate the building and replace the windows in the Ponca Administration Building on E St Lincoln Street.

Conditions: None

Categorical Exclusion(s) Applied: A9, A11, B2.5, B5.1

*-For the complete DOE National Environmental Policy Act regulations regarding categorical exclusions, see Subpart D of 10 CFR 1021

This action would not: threaten a violation of applicable statutory, regulatory, or permit requirements for environment, safety, and health, including DOE and/or Executive Orders; require siting, construction, or major expansion of waste storage, disposal, recovery, or treatment facilities, but may include such categorically excluded facilities; disturb hazardous substances, pollutants, contaminants, or CERCLA-excluded petroleum and natural gas products that pre-exist in the environment such that there would be uncontrolled or unpermitted releases; or adversely affect environmentally sensitive resources (including but not limited to those listed in paragraph B.(4)) of Appendix B to Subpart D of 10 CFR 1021). Furthermore, there are no extraordinary circumstances related to this action that may affect the significance of the environmental effects of the action; this action is not "connected" to other actions with potentially significant impacts, is not related to other proposed actions with cumulatively significant impacts, and is not precluded by 40 CFR 1506.1 or 10 CFR 1021.211.

Based on my review of information conveyed to me and in my possession (or attached) concerning the proposed action, as NEPA Compliance Officer (as authorized under DOE Order 451.1B), I have determined that the proposed action fits within the specified class(es) of action, the other regulatory requirements set forth above are met, and the proposed action is hereby categorically excluded from further NEPA review.
