U.S. DEPARTMENT OF ENERGY  
EERE PROJECT MANAGEMENT CENTER  
NEPA DETERMINATION

RECIPIENT: City of Anaheim

STATE: CA

PROJECT TITLE : City of Anaheim

Funding Opportunity Announcement Number	Procurement Instrument Number	NEPA Control Number	CID Number
DE-FOA-0000013	EF0000861	9FO-0000861-003	EEO

Based on my review of the information concerning the proposed action, as NEPA Compliance Officer (authorized under DOE Order 451.1A), I have made the following determination:

**CX, EA, EIS APPENDIX AND NUMBER:**

Description:

**B5.1** Actions to conserve energy, demonstrate potential energy conservation, and promote energy-efficiency that do not increase the indoor concentrations of potentially harmful substances. These actions may involve financial and technical assistance to individuals (such as builders, owners, consultants, designers), organizations (such as utilities), and state and local governments. Covered actions include, but are not limited to: programmed lowering of thermostat settings, placement of timers on hot water heaters, installation of solar hot water systems, installation of efficient lighting, improvements in generator efficiency and appliance efficiency ratings, development of energy-efficient manufacturing or industrial practices, and small-scale conservation and renewable energy research and development and pilot projects. The actions could involve building renovations or new structures in commercial, residential, agricultural, or industrial sectors. These actions do not include rulemakings, standard-settings, or proposed DOE legislation.

Rational for determination:

This project SOW was reviewed previously and is being revisited due to several project modifications which have occurred following the previous NEPA review. The City of Anaheim would use DOE funds for the following activities all of which are bounded by the signed SOW and are therefore categorically excluded.

Activity 1 - Residential Loan Program for Energy Efficiency and Renewable Energy Measures  
Activity 2 - Small Business, Commercial and Residential Incentives

All other projects associated with this SOW remain unaltered, therefore they are still categorically excluded from further NEPA review based on the previous determination.

**NEPA PROVISION**

DOE has made a final NEPA determination for this award

Insert the following language in the award:

Note to Specialist :

Any projects submitted for EECBG funding that fall outside the bounds of the signed SOW, will require a separate NEPA determination review.
