

U.S. Department of Energy Categorical Exclusion Determination Form

Program or Field Office: Energy Efficiency and Conservation Block Grant Program

Project Title GA-County-Hall

Location: County Hall GA

Proposed Action or Project Description

American Recovery and Reinvestment Act:

1) Develop an energy efficiency and conservation block grant strategy (completed); 2) implement energy efficiency retrofits for municipal buildings—upgrading lighting systems (28 facilities), including the purchase, installation, and operation of a bulb eater machine to crush and package the glass of old light bulbs in accordance with EPA guidelines for disposal; upgrading the laundry dryer; installing vending misers; installing variable speed drives; installing energy recovery units and controls on toilet exhausts; installing or reprogramming heating, ventilating, and air conditioning (HVAC) direct digital controls; installing thermostats, time-locks, and other devices; and upgrading HVAC systems (7 facilities); 3) perform design and pre-engineering work for the first phase (gas collection and control system) for a methane recovery and county landfills project, and 4) implement an expanded schools and county buildings recycling program

Conditions: None

Categorical Exclusion(s) Applied: A9, A11, B2.5, B3.6, B5.1

*-For the complete DOE National Environmental Policy Act regulations regarding categorical exclusions, see Subpart D of 10 CFR10 21

This action would not: threaten a violation of applicable statutory, regulatory, or permit requirements for environment, safety, and health, including DOE and/or Executive Orders; require siting, construction, or major expansion of waste storage, disposal, recovery, or treatment facilities, but may include such categorically excluded facilities; disturb hazardous substances, pollutants, contaminants, or CERCLA-excluded petroleum and natural gas products that pre-exist in the environment such that there would be uncontrolled or unpermitted releases; or adversely affect environmentally sensitive resources (including but not limited to those listed in paragraph B.(4)) of Appendix B to Subpart D of 10 CFR 1021). Furthermore, there are no extraordinary circumstances related to this action that may affect the significance of the environmental effects of the action; this action is not "connected" to other actions with potentially significant impacts, is not related to other proposed actions with cumulatively significant impacts, and is not precluded by 40 CFR 1506.1 or 10 CFR 1021.211.

Based on my review of information conveyed to me and in my possession (or attached) concerning the proposed action, as NEPA Compliance Officer (as authorized under DOE Order 451.1B), I have determined that the proposed action fits within the specified class(es) of action, the other regulatory requirements set forth above are met, and the proposed action is hereby categorically excluded from further NEPA review.

ORO NEPA Compliance Officer **Gary S. Hartman** Date Determined: 12/8/2010
