Project Title: Energy Efficiency Lighting Retrofits and Upgrades

Location: Wyoming City of Green River

Proposed Action or Project Description: American Recovery and Reinvestment Act: ☒

Project Purpose Statement:
To complete an energy efficiency lighting upgrade to multiple city facilities including: City Hall, Pubic Works, Recreation Center, Fire Station #2, Parks and Recreation Center Shop, and the Pavilion.

Summary:
An energy assessment has been performed for lighting of the following City facilities: City Hall, Pubic Works, Recreation Center, Fire Station #2, Parks and Recreation Center Shop, and the Pavilion. Based on one assessment, the total cost to upgrade the lighting in of the above listed facilities is $184,085.25. In addition to the $50,000 Energy Efficiency Grant, Rocky Mountain Power's Utility Subsidy program can reduce the City's cost by an additional $32,766.00. Net project cost to upgrade the lighting at all facilities will be $101,320.26. To allow for any unexpected contingencies, the City of Green River has budgeted $125,000 to see the completion of the retrofits.

Categorical Exclusion(s) Applied:

X - B2.5 Safety and environmental improvements of a facility, replacement/upgrade of facility components

X - B5.1 Actions to conserve energy

This action would not: threaten a violation of applicable statutory, regulatory, or permit requirements for environment, safety, and health, including DOE and/or Executive Orders; require siting, construction, or major expansion of waste storage, disposal, recovery, or treatment facilities, but may include such categorically excluded facilities; disturb hazardous substances, pollutants, contaminants, or CERCLA-excluded petroleum and natural gas products that pre-exist in the environment such that there would be uncontrolled or unpermitted releases; or adversely affect environmentally sensitive resources (including but not limited to those listed in paragraph B.(4)) of Appendix B to Subpart D of 10 CFR 1021). Furthermore, there are no extraordinary circumstances related to this action that may affect the significance of the environmental effects of the action; this action is not "connected" to other actions with potentially significant impacts, is not related to other proposed actions with cumulatively significant impacts, and is not precluded by 40 CFR 1506.1 or 10 CFR 1021.211.

Based on my review of information conveyed to me and in my possession (or attached) concerning the proposed action, as NEPA Compliance Officer (as authorized under DOE Order 451.1B), I have determined that the proposed action fits within the specified class(es) of action, the other regulatory requirements set forth above are met, and the proposed action is hereby categorically excluded from further NEPA review.
