Categorical Exclusion Determination Form**

Program or Field Office: Office of Legacy Management

Project Title and I.D. No.: Non Resource Recovery and Conservation Act (RCRA) permit related, general site actions, and non-routine actions at the Pinellas County, Florida Site. #LM-14-11

Location: Pinellas County, Florida Site

Proposed Action or Project Description:

Actions related to non-RCRA routine actions include access via existing roads, walking or driving (all-terrain or street vehicles) on the site, and use of equipment. The following activities are included:

On-site mowing of the 4.5 Acre site and 5 acres of the North-East section occurs every 10 days in the growing season, and once a month in winter

Use of Pesticide/Herbicide to prevent spread of noxious weeds.

Categorical Exclusion(s) Applied:

- B1.3: Routine maintenance activities: This criterion would cover the mowing on site and the localized vegetation control.

*For the complete DOE National Environmental Policy Act regulations regarding categorical exclusions, see Subpart D of 10 CFR 1021.

This action would not threaten a violation of applicable statutory, regulatory, or permit requirements for environment, safety, and health, including DOE and/or Executive Orders; require siting, construction, or major expansion of waste storage, disposal, recovery, or treatment facilities, but may include such categorically excluded facilities; disturb hazardous substances, pollutants, contaminants, or CERCLA-excluded petroleum and natural gas products that pre-exist in the environment such that there would be uncontrolled or unpermitted releases; or adversely affect environmentally sensitive resources (including but not limited to those listed in paragraph B.(4)) of Appendix B to Subpart D of 10 CFR 1021). Furthermore, there are no extraordinary circumstances related to this action that may affect the significance of the environmental effects of the action; this action is not "connected" to other actions with potentially significant impacts, is not related to other proposed actions with cumulatively significant impacts, and is not precluded by 40 CFR 1506.1 of 10 CFR 1021.211.

Based on my review of information conveyed to me and in my possession (or attached) concerning the proposed action, as NEPA Compliance Officer (as authorized under DOE Order 451.1B), I have determined that the proposed action fits within the specified class(es) of action, the other regulatory requirements set forth above are met, and the proposed action is hereby categorically excluded from further NEPA review.
