Amazon Web Services

USPAACC’s 35-year Journey was an arduous one. The “Legacy of Growth” will pay tribute to corporations, government agencies, and Pan Asian Americans who played an important role during our amazing travel since 1984. From no member, no program, no staff, no office, and no funds to having all today, the light and guidance they provided helped us to grow to who we are, a recognized brand reputed to have no equal in our field. We cordially invite you to join us on this very special occasion, meet or reconnect with our incredibly talented and resourceful members and suppliers. They are among the best corporate citizens, most effective federal agencies, and brightest in Pan Asian American and diverse businesses.
