Award to Institute

ROBERT W. _____
CAMPBELL
_____ **AWARD.**

A brown curved line graphic that forms a partial circle around the text.
CAMPBELL
INSTITUTE™

- › Broad need to identify, document, and share leading best practices in EHS
- › Desire for leading organizations to continue to improve EHS practices while sharing lessons learned with others
- › Knowledge, outreach, event, and research efforts could benefit from holistic, umbrella approach

A brown curved line graphic that forms a partial circle around the text.
CAMPBELL
INSTITUTE™

The Campbell Institute is
the “Environmental, Health and Safety (EHS)
Center of Excellence” at the National Safety Council
and provides a Forum for Leaders in EHS
to exchange ideas and collaborate
across industry sectors and organizational types.

➤ **Belief**

EHS is at the core of business vitality and sustainability and intrinsic to business operational excellence

➤ **Mission**

To help organizations achieve and sustain excellence in EHS while proactively identifying successful practices

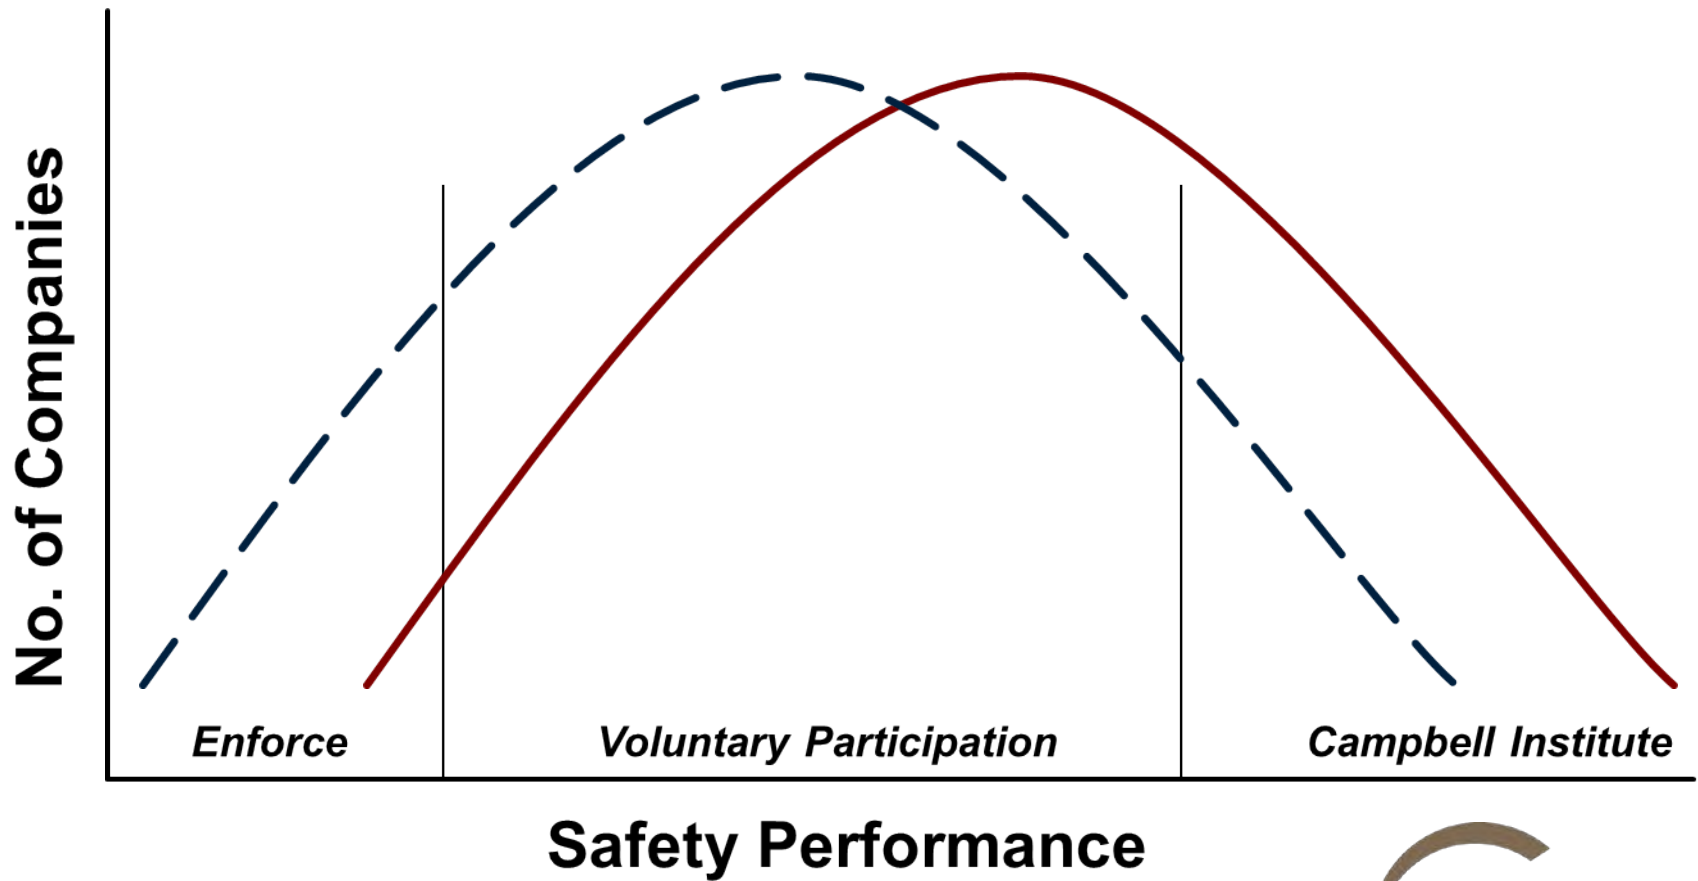

➤ **Vision**

Healthy and high-performing workplaces and workforces led by individuals who understand and believe in EHS as a fundamental factor of organizational success

Moving the Curve

Charter Members

(as of April 1, 2013)

Defining world class EHS

An analysis of leading EHS
management system practices
of Robert W. Campbell Award winners

Five Key Research Findings

- › Leadership and Culture Built and Sustained at All Levels
- › Integrated EHS Management System Approach
- › Leading and Lagging Performance Measurements
- › Strong Linkage Between EHS and Operations
- › EHS Efforts Extend to Surrounding Communities

Future Research at the Institute

- › Leadership
 - › Expand on findings through one-on-one interviews
- › Leading Indicators
 - › Defining leading indicators
 - › Survey world-class organizations; commonalities
 - › Leading Indicator implementation toolkit
- › Corporate Citizenship
 - › Off-the-job/community partnerships
 - › Environmental, health & safety topics

Where Do We Go From Here?

- › Continue engaging the “Best of the Best”
 - › As we gain momentum, our impact increases
 - › The “snowball” effect
- › **National Safety Council 2013 Congress & Expo**
 - › Largest annual gathering of EHS leaders in United States
 - › Chicago, IL – September 28 – October 2
 - › Campbell Award 10th Anniversary Gala
 - › Campbell Institute meetings and special events
