Semi-Annual Report
DOE/FE Order No. 3691, FE Docket No. 15-38-LNG

Dear Sirs and Madams:

In compliance with Ordering Paragraphs J. of the above-referenced Order 3691, Floridian Natural Gas Storage Company, LLC (Floridian) submits this semi-annual report on the progress of Floridian's planned natural gas liquefaction and LNG storage facility for the period from the issuance of the Order on July 31, 2015 through September 2015.

In the wake of the issuance of an Order Amending Certificate on July 16, 2015 by the Federal Energy Regulatory Commission (FERC) in FERC Docket No. CP13-541-000, Floridian has been engaged in preparing to file its Implementation Plan for construction of the facility with FERC.

During the same period Floridian has continued to progress in its commercial discussions with certain prospective customers, with the goal of entering into agreements by the end of 2015 and commencing construction early in 2016.

Sincerely,

/s/ David S. Sharp
