

# CONFEDERATED SALISH & KOOTENAI TRIBES FEASIBILITY STUDY

To Identify Potential Reductions in Energy Use in Tribal  
Buildings

*CS&KT Veterans Memorial*

# Project Summary

**CSKT Tribal  
Headquarters**

# Objectives

- ▣ Identify and Develop Modifications and Measures
- ▣ Present the results in Detail and in order of Priority
- ▣ Conducting Comprehensive Energy Audits
- ▣ Evaluating Feasible Energy Efficiency Improvements

## Project Approach

CS&KT's Facilities Manager working in coordination with Mission Valley Power's Conservation Coordinator and the TDOE Director will prepare an RFP and Scope of Work to select the subcontractor for the Comprehensive Energy Audits.

Tribal Health and Human Services Clinic in St. Ignatus, Montana
