

Clean Power Plan Working Group

September 29, 2016

Two Webinars Planned

- Understand what is being done to aid compliance
 - Public Agencies
 - Private institutions and NGOs
- One planned for October 28
 - 2:00- 3:30 pm ET
- One being planned in November, post-election
- Open to the entire EAC

Format for Private Sector Webinar

- Date/Time: Friday, October 28, 2016 from 2:00 – 3:30 PM ET
- Format: Panel discussion via webinar. Each panelist will have roughly 10-15 minutes to present. The remaining time will be devoted to questions & discussion.
- Discussion topic: The panel will focus on CPP multi-state compliance and what those outside of the federal agencies are doing to help states understand system modeling, analysis of the CPP options, etc.

Invitees for Private Sector Webinar

- David Littell, RAP
- David Hoppock, Duke Nicholas Institute
- Robbie Orvis, Energy Innovation
- Patrick Cummins, Center for the New Energy Economy, Colorado State University

Public Sector Webinar

- Same panel format as Private Sector
- Three agencies will participate
 - DOE
 - FERC
 - EPA
- Timeline: Mid to late November
