

ADVANCED MANUFACTURING OFFICE
 TECHNICAL RESOURCES NETWORK FORUM
 JUNE 14 (EVENING) TO JUNE 15, 2017

Sheraton Hotel, Pentagon City
 900 South Orme Street
 Arlington, Virginia 22204

AGENDA

JUNE 14		
5:30 – 7:30 pm	POSTER SESSION AND NO-HOST RECEPTION Possible DOE Speaker	
JUNE 15		
7:30	BREAKFAST AND REGISTRATION	
8:30	Welcome and AMO Overview	Mark Johnson, AMO Director
8:55	Welcome and Purpose of the Forum	David Forrest, AMO Technology Manager
9:00	Technical Partnerships	Jay Wrobel, AMO Program Manager, Technical Partnerships
9:30	High Performance Computing for Manufacturing (HPC4Mfg)	Lori Diachin, HPC4Mfg Program Director, Lawrence Livermore National Laboratory (LLNL)
10:00	Networking Break in Poster/Booth Area	
10:30	Catalysis Development Tools and Research and Catalyst Technologies Network	Dickson Ozokwelu, AMO Technology Manager Rebecca Fushimi, Research Scientist, Idaho National Laboratory (INL) Magdalena Ramirez-Corredores, Distinguished Scientific Researcher, INL
11:00	Panel: DOE-led Manufacturing USA Consortia <ul style="list-style-type: none"> Valri Lightner, AMO R&D Consortia Program Manager, Panel Host 	<ul style="list-style-type: none"> Power America, Nick Justice, CEO Critical Materials Institute, Alex King, Director Institute for Advanced Composites Materials Innovation, Bryan Dods, CEO Clean Energy Smart Manufacturing Innovation Institute, Ray Collett, CEO Rapid Advancement in Process Intensification Deployment Institute, Karen Fletcher, CEO Reducing Embodied-energy And Decreasing Emissions Institute, Nabil Nasr, CEO
12:30	Networking Lunch	
2:00	Other Federal Manufacturing USA Consortia	Tracy Frost, Director, Manufacturing USA Institutes, U.S. Department of Defense
2:45	Panel: Laboratory Impact Initiatives <ul style="list-style-type: none"> Technologist in Residence (TIR) Small Business Voucher (SBV) program Laboratory Embedded Entrepreneurship Program (LEEP) 	Eli Levine, AMO Technical Manager Tara Gonzalez, AMO Technology Manager Peter Winter, AMO Fellow
3:30	Manufacturing Demonstration Facility (MDF) & Carbon Fiber Technology Facility	Blake Marshall, AMO Technology Manager Merlin Theodore, Director, Carbon Fiber Technology Facility, ORNL
4:00	Forum Adjourns – Informal Networking
