Mr. Keith Branter
Chair
Idaho Cleanup Project
Citizens Advisory Board
1425 Higham Street
Idaho Falls, Idaho 83402

Dear Mr. Branter:

Thank you for your email transmitting the Idaho Cleanup Project Citizens Advisory Board's (ICP CAB) recommendation that the Department of Energy (DOE) continue the mission of the Advanced Mixed Waste Treatment Project (AMWTP). DOE will take the ICP CAB's recommendation and concerns from members under consideration in finalizing our analysis of the AMWTP. My office is focused on completing the analysis in a thorough manner as soon as possible, considering both impacts at Idaho, and for the entire DOE complex.

I appreciate the ICP CAB's input on this important topic and your ongoing commitment to the Idaho Cleanup Project. I would also like to echo your acknowledgement that the AMWTP workforce has performed exemplary work in addressing the challenging legacy waste at the Idaho Site.

If you should have any questions, please contact me or Mr. John P. Zimmerman, Deputy Manager, Idaho Cleanup Project, at (208) 526-3811.

Sincerely,
