Re: *American LNG Marketing LLC*, DOE/FE Docket No. 15-19-LNG  
Semi-Annual Report

Dear Ms. Wood:

Pursuant to Ordering Paragraph J of DOE/FE Order No. 3656, American LNG Marketing LLC (“American LNG”) hereby submits its semi-annual report describing the progress of the proposed liquefaction facility.<sup>1</sup> Development activities for the Titusville facility are ongoing, with a likely commercial operation date in 2022. American LNG and its affiliates are in negotiations with potential counterparties for sales of exported LNG. Exports of LNG from the Titusville Facility will commence sometime thereafter depending on the outcome of the ongoing discussions.

Please contact me if you have any questions.

Respectfully submitted,

/s/ John S. Decker
