Re: HQ-2021-00526-F

This is a final response to the request for information that you sent to the Department of Energy (DOE) under the Freedom of Information Act (FOIA), 5 U.S.C. § 552. You requested:

Logs of correspondence that record letters from members of Congress to the Department of Energy from March 1 to March 31, 2021.

Your request was assigned to Department of Energy's Office of the Executive Secretariat (ES) to conduct search of the Electronic Document Online Correspondence and Concurrence System at DOE Headquarters, which tracks all correspondence to and from all Offices of the Secretary, Deputy Secretary, and Under Secretaries of DOE, and is where records of such correspondence is likely to be found.

ES started its search on April 13, 2021, which is the cutoff date for responsive documents. ES has completed its search and identified one (1) document responsive to your request. Upon review, DOE has determined the responsive document should be released in its entirety.

The adequacy of the search may be appealed within 90 calendar days from your receipt of this letter pursuant 10 C.F.R. § 1004.8. Appeals should be addressed to Director, Office of Hearings and Appeals, HG-1, L'Enfant Plaza, U.S. Department of Energy, 1000 Independence Avenue, S.W., Washington, DC 20585-1615. The written appeal, including the envelope, must clearly indicate, that FOIA appeal is being made. You may also submit your appeal by e-mail to OHA.filings@hq.doe.gov including the phrase "Freedom of Information Appeal" in the subject line, (This is the method preferred by the Office of Hearings and Appeal. The appeal must contain all the elements required by 10 C.F.R. § 1004.8, including a copy of the determination letter. Thereafter, a judicial review will be available to you in the Federal District Court either (1) in the district where you reside, (2) where you have your place of business, (3) where DOE's records are situated, or (4) in the District of Columbia.

You may contact DOE's FOIA Public Liaison, Alexander Morris, FOIA Officer, Office of Public Information, at 202-586-5955, or by mail at MA-46/Forrestal Building, 1000 Independence Avenue, S.W., Washington, D.C. 20585, for any further assistance and to discuss any aspect of your request. Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, 8601 Adelphi Road-OGIS, College Park, Maryland 20740-6001, e-mail at ogis@nara.gov; telephone at 202-741-5770; toll free at 1-877-684-6448; or facsimile at 202-741-5769.

The FOIA provides for the assessment of fees for the processing of requests. *See* 5 U.S.C. § 552(a)(4)(A)(i); *see also* 10 C.F.R. § 1004.9(a). In our April 3, 2021, letter, you were advised that your request was placed in the "news media" category for fee purposes. Requesters in this category are charged fees for duplication only and are provided 100 pages at no cost. DOE's processing costs did not exceed \$15.00, the minimum amount at which DOE assesses fees. Thus, no fees will be charged for processing your request.

If you have any questions about the processing of the request or this letter, you may contact me or Mr. Llewellyn Smith of my office at:

MA-46/Forrestal Building
1000 Independence Avenue, S.W.
Washington, D.C. 20585
(202) 287-6730

I appreciate the opportunity to assist you with this matter.

Sincerely,

Alexander C. Morris

Digitally signed by
Alexander C. Morris

INDEX

Request #: HQ-2021-00526-F

Final response to request from Mr. Kevin Bogardus for:

Logs of correspondence that record letters from members of Congress to the Department of Energy from March 1 to March 31, 2021.

The Department of Energy's Office of the Executive Secretariat (ES) conducted a search of its file located one (1) document responsive to your request.

- One (1) document is *being released in its entirety*.
