

The entry form is a simple, four-part form asking for general information on the applicant; a narrative description of the project; up to three (3) independent references for the proposed entry; and your knowledge of EPA awards programs and resources. Applicants should also submit additional support documentation as necessary. Specific directions and information on filing an entry form are included in the Entry Package.

Judging and Award Criteria: EPA staff will use a screening process, with input from outside subject experts, as needed. Members of the CAAAC will provide advice to EPA on the entries. The EPA Assistant Administrator for the Office of Air and Radiation will make the final award decisions. Entries will be judged using both general criteria and criteria specific to each individual category. These criteria are listed in the 2022 Entry Package.

Dated: September 20, 2021.
