Objet : DOE Semi-Annual Report Reminder - Spring 2021

Dear LNG Authorization Holder:

We have received a bounce back to our email below to Kelly Trimarchi at Air Flow North America on our reminder for the Department of Energy (DOE) Semi-Annual Report submission due April 1. Ms. Trimarchi's email reply indicates she is no longer employed at Air Flow North America. We have you as other contact emails. We would very much appreciate your assistance with providing this information and if you could let us know the appropriate person to send the report reminders to. If you have any questions please do not hesitate contact me at peri.ulrey@hq.doe.gov .

Sincerely,

Peri Ulrey

Office of Oil and Natural Gas
U.S. Department of Energy

Dear Authorization Holder/Counsel:

This email is a reminder that your Semi-Annual Report is due on **April 1, 2021**. Companies with long-term authorizations to export LNG, compressed gas liquids, and compressed natural gas are required to file, on a semi-annual basis, written reports describing the status of the liquefaction facility(s) that is part of the company's export application and order, as well as the status of any associated long-term supply and export contracts. These reports are due by April 1 and October 1 of each year and are posted on [DOE's website](#).

The semi-annual report may be submitted through the DOE [Import/Export Authorization Portal for Natural Gas](#) or emailed to: fergas@hq.doe.gov.

Thank you very much for your compliance. If you have any questions or concerns, please do not hesitate to contact me via email at peri.ulrey@hq.doe.gov or at 240-751-3893.

Sincerely,

Peri Ulrey
Office of Oil and Natural Gas
U.S. Department of Energy
