Re: In the Matter of Freeport LNG Expansion, L.P. et al.  
FE Docket No. 21-98-LNG  
Application for Long-Term Authorization to Export Liquefied Natural Gas to  
Non-Free Trade Agreement Nations

Dear Ms. Sweeney:

On behalf of the Texas Civil Justice League, I would like to express our strong support for the request in the above referenced docket of Freeport LNG Expansion, L.P., FLNG Liquefaction, LLC, FLNG Liquefaction 2, LLC and FLNG Liquefaction 3, LLC ("Freeport LNG"). This project will expand export capacity at Freeport's LNG Liquefaction and Export Terminal in Brazoria County, Texas, thereby strengthening the Texas and U.S. economy and promoting our country's international leadership in cleaner energy production and development.

The Texas Civil Justice League (TCJL) is a 501(c)(6) organization consisting of more than 250 national and state trade, industry, and professional associations and primarily Fortune 100 companies doing business in Texas. Collectively, TCJL represents hundreds of thousands Texas employers and employees. Since TCJL's formation in 1986, we have become one of the nation's largest and most successful state business associations dedicated to advocating for a well-balanced, fair, and equitable legal and regulatory environment in which businesses can prosper and Texans can fulfill their dreams for a good job and better life. Freeport LNG's application will satisfy all of these objectives, and we urge its speedy approval.

Thank you for considering our appeal and for your service to our state and the nation.

Sincerely,
