

TELEDYNE ENERGY SYSTEMS
Everywhereyoulook™

Teledyne Energy Systems

- Wholly Owned Subsidiary of Teledyne Technologies
- 122,000 ft² in two facilities
- Manufacturing, Engineering, Design, Sales & Service / Support
- State-of-the-art Thermoelectric, Hydrogen & Fuel Cell production
- 100 Employees

TELEDYNE TECHNOLOGIES:
Thousands Oaks, California

Hunt Valley, Maryland

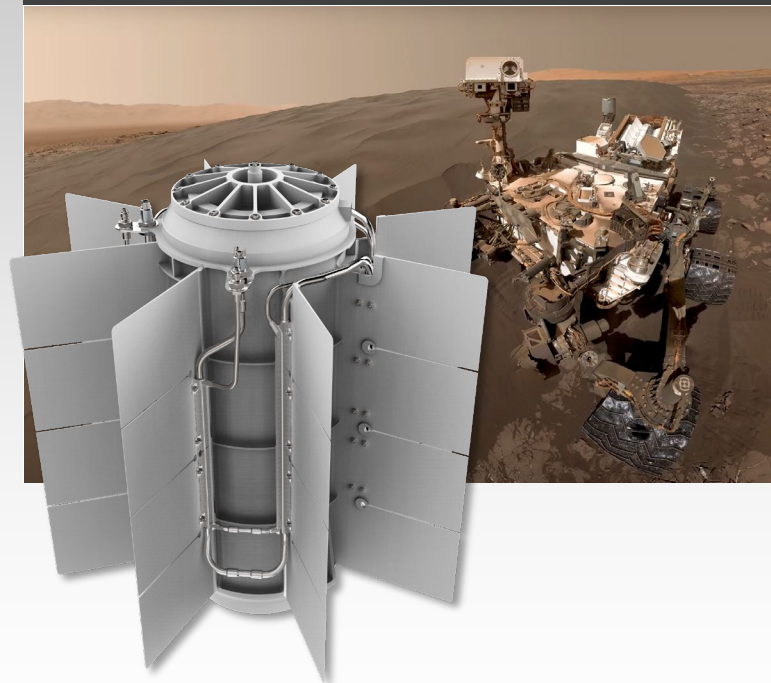

TELEDYNE ENERGY SYSTEMS
Everywhereyoulook™

ENERGY SYSTEMS BUSINESS SEGMENTS

Advanced Energy and Power

Aerospace/Defense Power Systems

Hydrogen Products

Hydrogen Equipment & Design Services

Fuel Cell Systems

Remote Power Solutions

HYDROGEN PRODUCTS

Hydrogen Generation Systems

Advantages

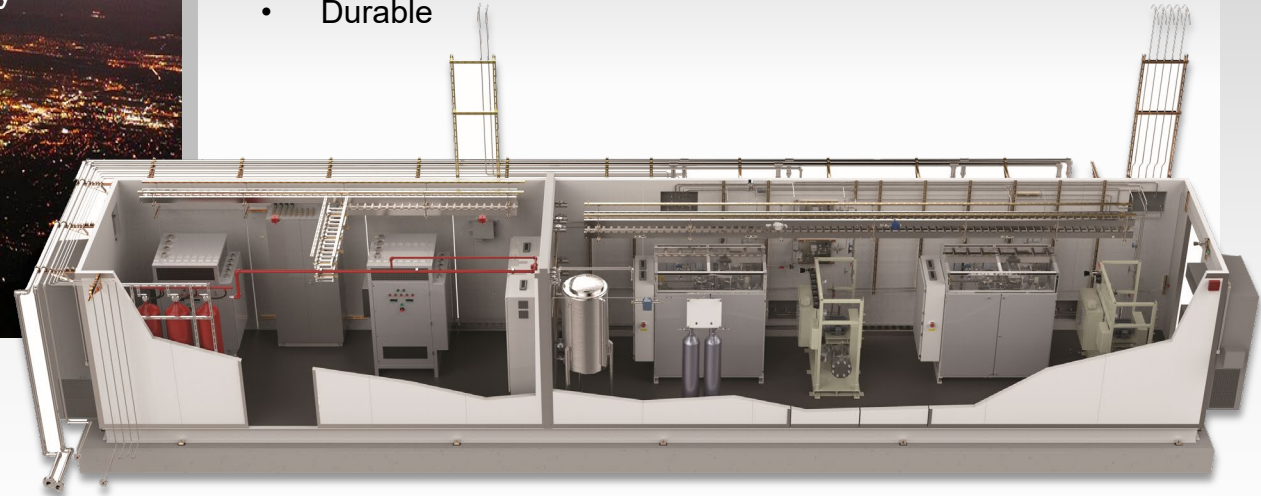

- Proven Reliability
- Safe Operation
- Fully Automated
- Ultra-High Purity
- Factory Tested

H₂Oasis Containerized Systems

Advantages

- Turnkey
- Self-Contained
- Site-Ready
- Versatile Design
- Durable

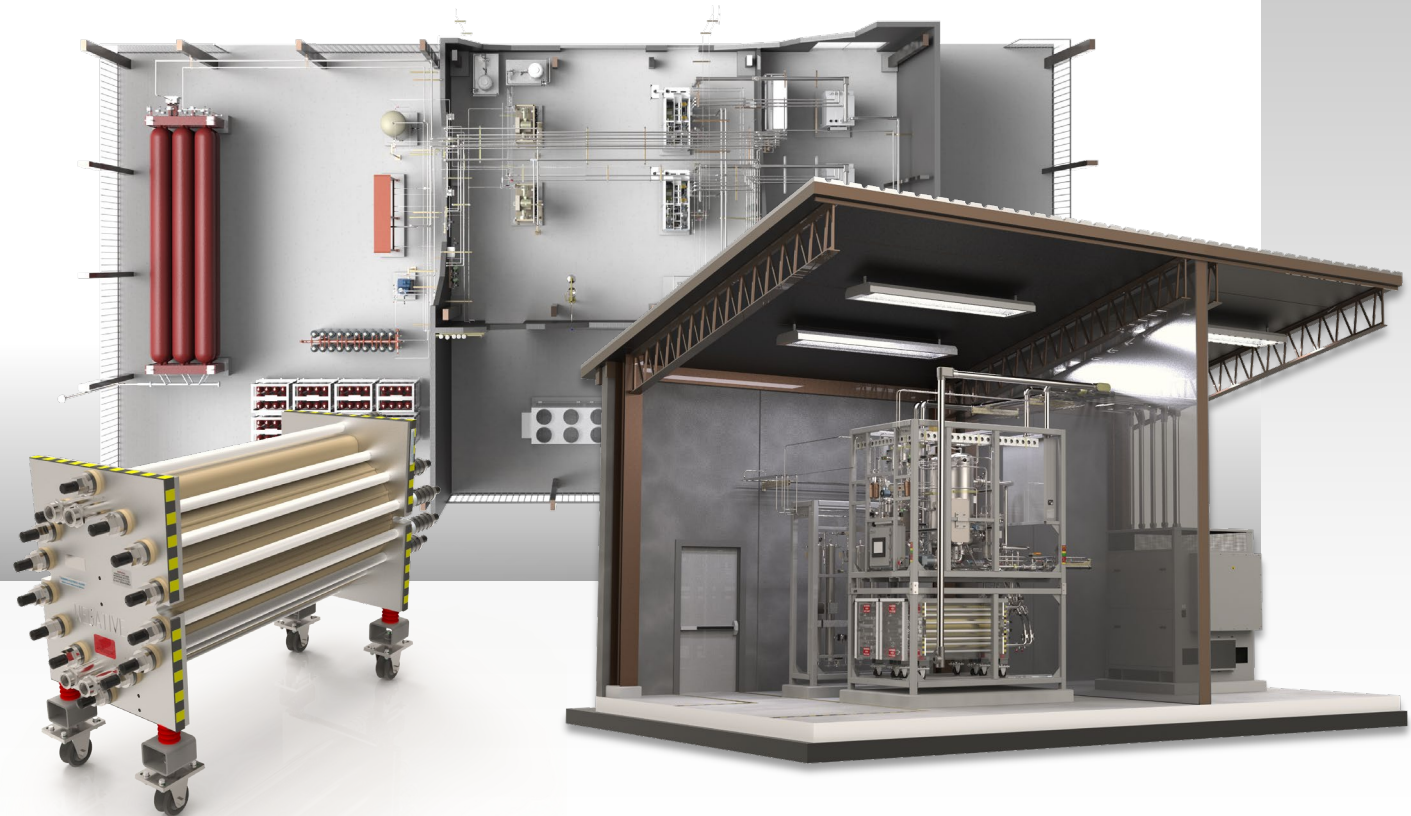

DESIGN & ENGINEERING SERVICES

Advanced Custom Engineering Ensures Optimum Integration

- Hydrogen Plant Expertise
- Design and System Integration
- Turnkey Systems
- Balance of Plant Design
- Hydrogen Consulting

Complete Hydrogen Plant System Design

GREEN HYDROGEN TRANSITION

Capturing Renewable Energy
