Summary of Change in Control

The Authorization Holders further state that, at the time of the closing of the Transaction, Sempra Energy will continue to maintain control of SI Partners as the 70% majority owner, with Buyer having certain customary minority protections. As shown in Appendix B to the Statement (Post-Transaction Organizational Structure), KKR Pinnacle will retain its 20% non-controlling equity interest in SI Partners. The Authorization Holders state that Sempra Energy and the other partners of SI Partners will enter into a second amended and restated agreement of limited partnership of SI Partners, which will govern Sempra Energy's and SI Partners' minority owners' respective rights and obligations with respect to their ownership of SI Partners.
