Good afternoon John,

I just wanted to quickly follow-up on your recent notification to the Department of Energy (DOE) regarding the change in control of Freeport LNG Development, L.P.'s upstream ownership. In the letter, you mention that the Committee on Foreign Investment in the United States (CFIUS) had approved the transaction on January 12, 2022, and that the proposed transaction would close 7 days after the CFIUS approval. Has the transaction now been consummated?

Thanks for letting me know. If you have any questions, please do not hesitate to contact me via email at peri.ulrey@hq.doe.gov or 240-751-3893.

Best regards,

Peri
