## I. DESCRIPTION OF REQUEST

On May 31, 2022, Sempra Gas & Power Marketing, LLC (Sempra Gas & Power Marketing) filed an application with the Office of Fossil Energy and Carbon Management (FECM) of the Department of Energy (DOE) requesting blanket authorization under section 3 of the Natural Gas Act (NGA)<sup>1</sup> for the authority summarized in the list below. The applicant requests the authorization for a two-year term beginning on August 1, 2022.<sup>2</sup> Sempra Gas & Power Marketing is a Delaware limited liability company with its principal place of business in San Diego, California.

1. Import up to 100 billion cubic feet (Bcf) of natural gas from Mexico by pipeline at any point on the border between the United States and Mexico
2. Export up to 300 Bcf of natural gas to Mexico by pipeline at any point on the border between the United States and Mexico

---

1. Authority to regulate the imports and exports of natural gas, including liquefied natural gas, under section 3 of the NGA (15 U.S.C. § 717b) has been delegated to the Assistant Secretary for Fossil Energy in Redelegation Order No. S4-DEL-FE1-2021, issued on March 25, 2021. On July 4, 2021, the Office of Fossil Energy changed its name to the Office of Fossil Energy and Carbon Management.

2. Sempra Gas & Power Marketing's blanket authorization, granted in DOE/FE Order No. 4534, extends through July 31, 2022.

## II. **FINDING**

DOE has evaluated the application to determine if the proposed import and/or export arrangements meet the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under NGA section 3(c), imports and exports of natural gas, including liquefied natural gas (LNG), from or to any country with which the United States has entered into a free trade agreement (FTA) requiring national treatment for trade in natural gas and the import of LNG from other international sources are deemed to be consistent with the public interest.<sup>3</sup> DOE must grant such applications without modification or delay.<sup>4</sup> The authorization sought by Sempra Gas & Power Marketing meets the NGA section 3(c) criteria, and, therefore, is deemed to be consistent with the public interest.
