**Re: Notice of Completion of Corporate Reorganization
Corpus Christi Liquefaction Stage III, LLC
FE Dkt. No. 18-78-LNG
Order Nos. 4277, 4490, 4277-A, 4490-A, & 4641**

Dear Ms. Sweeney:

Pursuant to the May 10, 2022 letter issued by U.S. Department of Energy (“DOE”), Office of Fossil Energy and Carbon Management (“FECM”) in Docket No. 18-78-LNG, Corpus Christi Liquefaction, LLC (“CCL”) hereby provides notice that merger of Corpus Christi Liquefaction Stage III, LLC (“CCL Stage III”) into CCL occurred effective June 15, 2022 in connection with reaching a Final Investment Decision (“FID”) on the Corpus Christi Stage 3 Project. Reaching FID on Cheniere’s Corpus Christi Stage 3 Project is an important milestone toward providing much-needed volumes to the global LNG market by the end of 2025.

CCL is the surviving entity and successor in interest to all of CCL Stage III’s assets and obligations. Accordingly, CCL respectfully requests that DOE/FECM update the Stage 3 authorizations to name CCL as the authorization holder and remove reference to CCL Stage III.

Should you have any questions about the instant filing, please feel free to contact the undersigned.

Respectfully submitted,

/s/ Janna Chesno
