DOCKET NO. 22-59-NG

ORDER GRANTING BLANKET AUTHORIZATION
TO IMPORT NATURAL GAS FROM CANADA

DOE/FECM ORDER NO. 4851

AUGUST 4, 2022

I. DESCRIPTION OF REQUEST

On June 9, 2022, Power City Partners, L.P. (Power City Partners) filed an application with the Office of Fossil Energy and Carbon Management (FECM) of the Department of Energy (DOE) requesting blanket authorization under section 3 of the Natural Gas Act (NGA)¹ for the authority summarized in the list below. The applicant requests the authorization for a two-year term that began on July 1, 2022.² Power City Partners is a New York limited partnership with its principal place of business in Massena, New York.

1. Import up to 14.6 billion cubic feet (Bcf) of natural gas from Canada by pipeline at any point on the border between the United States and Canada

II. FINDING

DOE has evaluated the application to determine if the proposed import and/or export arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under NGA section 3(c), imports and exports of natural gas, including liquefied natural gas (LNG), from or to any country with which the United States has entered into a free trade agreement (FTA) requiring national treatment for trade in natural gas and the import of LNG from other international sources are deemed to be consistent with the public interest.³ DOE must grant such applications without modification or delay.⁴ The authorization sought by Power City Partners meets the NGA section 3(c) criteria, and, therefore, is deemed to be consistent with the public interest.

1. On July 4, 2021, the Office of Fossil Energy changed its name to the Office of Fossil Energy and Carbon Management. Authority to regulate the imports and exports of natural gas, including liquefied natural gas, under section 3 of the NGA (15 U.S.C. § 717b) has been delegated to the Assistant Secretary for Fossil Energy and Carbon Management in Redelegation Order No. S4-DEL-FE1-2022, issued on June 13, 2022.

2. Power City Partners's blanket authorization, granted in DOE/FE Order No. 4539, extended through June 30, 2022.

3. 15 U.S.C. § 717b(c).
