DOCKET NO. 22-77-NG

ORDER GRANTING BLANKET AUTHORIZATION
TO EXPORT NATURAL GAS TO MEXICO

DOE/FECM ORDER NO. 4868

AUGUST 31, 2022

I. DESCRIPTION OF REQUEST

On July 14, 2022, Energia Azteca X, S.A. de C.V. (Energia Azteca X) filed an application with the Office of Fossil Energy and Carbon Management (FECM) of the Department of Energy (DOE) requesting blanket authorization under section 3 of the Natural Gas Act (NGA)¹ for the authority summarized in the list below. The applicant requests the authorization for a two-year term beginning on September 14, 2022.² Energia Azteca X is a Mexico limited partnership with its principal place of business in Mexico City, Mexico.

1. Export up to 100 billion cubic feet (Bcf) of natural gas to Mexico by pipeline at any point on the border between the United States and Mexico

II. FINDING

DOE has evaluated the application to determine if the proposed import and/or export arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under NGA section 3(c), imports and exports of natural gas, including liquefied natural gas (LNG), from or to any country with which the United States has entered into a free trade agreement (FTA) requiring national treatment for trade in natural gas and the import of LNG from other international sources are deemed to be consistent with the public interest.³ DOE must grant such applications without modification or delay.⁴ The authorization sought by Energia Azteca X meets the NGA section 3(c) criteria, and, therefore, is deemed to be consistent with the public interest.

1. Authority to regulate the imports and exports of natural gas, including liquefied natural gas, under section 3 of the NGA (15 U.S.C. § 717b) has been delegated to the Assistant Secretary for FECM in Redelegation Order No. S4-DEL-FE1-2022, issued on June 13, 2022. On July 4, 2021, the Office of Fossil Energy changed its name to the Office of Fossil Energy and Carbon Management.

2. Energia Azteca X's blanket authorization, granted in DOE/FE Order No. 4569, extends through September 13, 2022.

3. 15 U.S.C. § 717b(c).
