## GROUND RULES

### For **Virtual** Quarterly Public Meeting

West Valley Demonstration Project (WVDP) and  
Western New York Nuclear Service Center (WNYNSC)

- Log into ZOOM five minutes early so that you can connect and check your audio. You will be muted on entry. Open the attendee/observer features using the following icons:

- The moderator will manage the order of stakeholder participation (questions/comments) during the meeting. This includes the ability to mute all mics during the meeting to reduce distractions, interruptions and background noise that could impact the effectiveness and productivity of this virtual meeting.
- As a participant/observer your audio will be muted, as will video from your computer. During the meeting you may pose questions or make comments using the Q&A feature. As scheduled on the agenda and as time allows your questions and comments will be addressed by the facilitator. You may also use the hand raising feature and the facilitator will unmute you briefly to pose a question or make a comment.
- Please respect other attendees and the time limitations of the meeting to help ensure that this virtual meeting is informative, productive, and effective for all participating attendees.

#### **Joining a ZOOM Webinar by Invitation Link:**
