

MEMORANDUM OF UNDERSTANDING
BETWEEN
WEST VALLEY DEMONSTRATION PROJECT
AND
CATTARAUGUS COUNTY SHERIFF'S OFFICE

This memorandum of understanding (MOU) is entered between the U.S. Department of Energy West Valley Demonstration Project (DOE-WVDP), the New York State Energy Research and Development Authority (NYSERDA), CH2M HILL · B&W West Valley LLC (CHBWV) as the DOE-WVDP's Contractor, and the Cattaraugus County Sheriff's Office (CCSO).

I. INTRODUCTION

1. The DOE-WVDP has the overall responsibility for operation of the West Valley Demonstration Project (WVDP) located within the Western New York Nuclear Service Center (WNYNSC) in West Valley, New York.
2. The NYSERDA holds the title to the WNYNSC on behalf of the State of New York and has overall responsibility for the operation of the State-Licensed Disposal Area (SDA) within the WNYNSC, located in West Valley, New York.
3. CHBWV is the DOE Contractor at the WVDP.
4. The CCSO is responsible for county-wide law enforcement services and will provide such services to the WVDP, Ashford Office Complex (AOC), and SDA during emergencies or upon request by WVDP Security Representative for protective services in response to threats, suspected criminal acts, or special assistance and/or support.

II. PURPOSE

5. The purpose of this MOU is for the CCSO to provide timely and effective response to the WVDP, AOC and the SDA to an emergency situation or request for protective services in response to threats, suspected criminal acts, special assistance support, or another incident at WVDP (hereinafter, incident). The CCSO shall conduct law enforcement services in accordance with applicable state and local laws and ordinances.

III. AUTHORITY

6. The DOE-WVDP enters into this MOU under the authority of DOE Order 151.1C, "Comprehensive Emergency Management System" and DOE O 473.3, "Protection Program Operations."

IV. RESPONSIBILITIES

7. In the event of an incident at the WVDP, the AOC or the SDA, the DOE-WVDP and the CCSO agree that initial notification for the CCSO's assistance shall be made by telephone through the Cattaraugus County Sheriffs Office Communications Center, in Little Valley, New York. Radio requests will be made only in the event of a failure of the telephone system.
8. The CCSO agrees to provide law enforcement support to the WVDP facilities, including the SDA and AOC when requested by a WVDP Security Representative or from persons holding the office or position listed in Section VII.
9. The DOE-WVDP and CCSO agree that the Cattaraugus County Sheriffs Office Communications Center and CHBWV Safeguards and Security Manager will serve as the primary points of contact when services are required.

10. The DOE-WVDP agrees that CCSO personnel responding to any incident at WVDP, the AOC or the SDA will be under the direct supervision of the senior deputy or CCSO's supervisor at the time the request is made and that responding CCSO personnel will be escorted by WVDP security force members while on the WVDP, the AOC and the SDA. The CCSO understands that certain areas of the site contain radiological hazards and access to these areas may result in exposure to these hazards. CCSO personnel will coordinate with site personnel before entering.
11. The DOE-WVDP agrees to provide the CCSO with office space and telephone service to conduct strategic planning, command and control communications, and tactical operations with the Cattaraugus County Sheriffs Office Communications Center and all other law enforcement agencies involved with the incident at the WVDP, the AOC or the SDA.
12. The CCSO agrees that as soon as the incident is abated, the senior deputy on duty or CCSO's supervisor at the WVDP, AOC and/or SDA will provide the WVDP Security Representative with the names of all law enforcement personnel who entered the WVDP, the AOC and the SDA.
13. All arrests and seizures of controlled substances, contraband, or other material confiscated by the CCSO as evidence shall be conducted in accordance with applicable federal, state, and local laws and ordinances.
14. The DOE-WVDP agrees to familiarize the CCSO at least once a year with a tour of the WVDP, the AOC and the SDA. The tour will consist of a review of the types of threats which could activate this MOU, and orientation to the facilities, an overview of the WVDP Emergency Response Organization and applicable emergency plans and implementing procedures, an overview of radiological concerns, and a review of WVDP security procedures, protocol, and techniques used at the WVDP, the AOC and the SDA during an incident.

V. FUNDING

15. This MOU is not entered into as a basis for the transfer of funds between the parties nor is it entered into to obligate any party to provide funds to another party.

VI. TERMS OF AGREEMENT

16. The DOE-WVDP and the CCSO agree to periodically meet as may be mutually agreed, but not less than annually, to review the terms of this MOU.
17. This MOU may only be modified or amended by a written agreement signed by all parties who signed Section VII of this MOU.
18. This MOU shall become effective upon the date of the last signature hereto and shall remain in effect until canceled by the mutual agreement of the parties or by either party upon providing 30-day written notice to the other parties by certified mail.
19. CHBWV, as the DOE Contractor, agrees to assist DOE-WVDP in carrying out the terms of this MOU as requested by DOE-WVDP and to the extent permitted by CHBWV's contract with DOE-WVDP.
