**Re: Rio Grande LNG, LLC – Amendment to Long Term Contract
DOE/FE Docket No. 15-190-LNG; DOE/FE Order Nos. 3869, 4492**

Dear Ms. Sweeney:

On March 28, 2019, Rio Grande LNG, LLC (“Rio Grande LNG”) entered into a long-term sale and purchase agreement (“SPA”) with Shell NA LNG LLC (“Shell”) for the sale and long-term export of liquefied natural gas (“LNG”) from the Rio Grande LNG facility (“Shell SPA”). On April 9, 2019, pursuant to Ordering Paragraph D of DOE/FE Order 3869, Rio Grande LNG submitted under seal an unredacted hard copy of the Shell SPA, as well as a summary of the major provisions of the Shell SPA for public posting.

On November 9, 2022, Rio Grande LNG and Shell executed an amended Shell SPA. The amended SPA revises certain termination rights, reporting requirements, and pricing mechanisms provided in the Shell SPA on file with DOE/FE. The amended SPA does not alter any of the material terms of the Shell SPA provided in the April 9, 2019 public summary. Rio Grande LNG is submitting for filing under seal by overnight mail, an unredacted copy of the amended Shell SPA. Rio Grande LNG respectfully requests confidential treatment of the amended Shell SPA to the greatest extent permitted by law because it contains highly confidential and commercially sensitive and proprietary information.

If you have any questions regarding this filing, please contact me at (202) 778-9014 or at david.wochner@klgates.com.

Best regards,

David Wochner
Counsel for Rio Grande LNG, LLC
