**Re: Pieridae Energy (USA) Ltd, FE Docket No. 14-179-LNG  
Request Of Pieridae Energy (USA) Ltd For Extension For Long-Term, Multi-Contract  
Authorization To Export U.S. Sourced Natural Gas By Pipeline To Canada For  
Liquefaction And Re-Export In The Form Of Liquefied Natural Gas**

Dear Ms. Sweeney,

This opinion of counsel is provided in accordance with the U.S. Department of Energy's regulations, 10 C.F.R. §590.202(c) (2023). I have reviewed and examined the organizational and internal governance documents of Pieridae Energy (USA) Ltd. ("Pieridae"), a corporation formed under the *Canada Business Corporations Act*, and it is my opinion that the Request for Extension for Long-Term, Multi-Contract Authorisation to Export U.S. Sourced natural Gas by Pipeline to Canada for Liquefaction and Re-Export in the Form of Liquefied Natural Gas, as described in the above referenced application is within the corporate powers of Pieridae.

Respectfully submitted,

**NORTON ROSE FULBRIGHT LLP**
