

**BEFORE THE
U.S. DEPARTMENT OF ENERGY
WASHINGTON, D.C. 20585**

In the Matter of:

Cooper Power Systems, LLC,
Respondent

Case Number: 2014-SE-47001

ORDER

By the General Counsel, U.S. Department of Energy:

1. In this Order, I adopt the attached Compromise Agreement entered into between the U.S. Department of Energy (“DOE”) and Cooper Power Systems, LLC (“Respondent”). The Compromise Agreement resolves the case initiated to pursue a civil penalty for distributing in commerce in the United States a liquid-immersed distribution transformer that failed to meet the applicable standard for energy conservation in 10 C.F.R. § 431.196.
2. DOE and Respondent have negotiated the terms of the Compromise Agreement that resolves this matter. A copy of the Compromise Agreement is attached hereto and incorporated by reference.
3. After reviewing the terms of the Compromise Agreement and evaluating the facts before me, I find that the public interest would be served by adopting the Compromise Agreement.
4. Based on the information in the case file and Respondent’s admission of facts establishing violations, I find that Respondent committed a Prohibited Act by distributing in commerce a liquid-immersed distribution transformer that was not in conformity with the applicable energy conservation standard. *See* 42 U.S.C. § 6302; 10 C.F.R. §§ 429.102(a)(6), 431.196(b)(1).
5. Accordingly, pursuant to 10 C.F.R. § 429.120 and 42 U.S.C. § 6303, I **HEREBY ORDER** that the Compromise Agreement attached to this Order is adopted.
