)

ORDER

For the U.S. Department of Energy:

1. Under the above-listed case number, the U.S. Department of Energy (“DOE”) initiated a case against Lennox International Inc. (“Respondent”) to pursue a civil penalty for knowingly distributing in commerce in the United States central air conditioning heat pumps that failed to meet the applicable energy conservation standard.
2. Models PRPDF1624*, PRPHP1624* and NP16H24V (together, the “basic models”) are central air conditioning heat pumps.
3. Respondent, through Counsel, by letter dated February 14, 2023, self-reported that the basic models do not comply with the applicable DOE energy conservation standards.
4. Since February 21, 2018, Respondent distributed in commerce in the United States multiple units of the basic models.
5. Respondent knowingly distributed in commerce multiple units of new covered products which were not in conformity with an applicable energy conservation standard.
6. Based on the information above, I find that Respondent knowingly committed Prohibited Acts by manufacturing and distributing in commerce multiple units of new covered central air conditioning heat pumps that were not in conformity with the applicable energy conservation standard. *See* 42 U.S.C. § 6302; 10 C.F.R. §§ 429.102(a)(6), 430.32(c).
7. Accordingly, pursuant to 10 C.F.R. § 429.120 and 42 U.S.C. § 6303, I **HEREBY ASSESS** a civil penalty of \$62,655 **AND ORDER** that the Settlement Agreement attached to this Order is adopted.

Samuel T. Walsh
General Counsel
