Long-Term Supply Contract**

Dear Ms. Sweeney:

Sabine Pass Liquefaction, LLC ("Sabine Pass") hereby notifies the Department of Energy, Office of Fossil Energy ("DOE/FE") of a change in counterparty identity in respect of a previously submitted long-term contract associated with the long-term supply of natural gas to the Sabine Pass LNG facilities in southwest Cameron Parish, Louisiana.

Sabine Pass previously submitted a Gas Supply Agreement to DOE/FE, dated January 13, 2020 between Sabine Pass as buyer and GEP Haynesville, LLC as seller (the "Contract"). Sabine Pass has received notification that, as a result of the acquisition of GEP Haynesville, LLC by Southwestern Energy Company, the Contract has ultimately been assigned to and assumed by SWN Energy Services Company, LLC ("SES").

Other than the change in seller identity, the terms and conditions set out in the Contract remain unchanged.

Should you have any questions, please contact the undersigned at 713-375-5000.

Respectfully submitted,

/s/ Taylor Johnson
