**Re: Rio Grande LNG, LLC – Amendment to Long Term Contract
DOE/FE Docket No. 15-190-LNG; DOE/FE Order Nos. 3869, 4492**

Dear Ms. Sweeney:

On December 23, 2022, Rio Grande LNG, LLC (“Rio Grande LNG”) entered into an amended and restated long-term sale and purchase agreement (“A&R SPA”) with ENN LNG (Singapore) Pte. Ltd. (“ENN”) for the sale and long-term export of liquefied natural gas (“LNG”) from the Rio Grande LNG facility (“ENN SPA”). On January 9, 2023, pursuant to Ordering Paragraph D of DOE/FE Order 3869, Rio Grande LNG submitted under seal an unredacted hard copy of the A&R ENN SPA, as well as a summary of the major provisions of the ENN SPA for public posting.

On June 21, 2023, Rio Grande LNG and ENN executed an amendment to the ENN SPA (“Amendment.”) The Amendment revises certain reporting requirements and pricing mechanisms provided in the ENN SPA on file with DOE/FE. The Amendment does not alter any of the material terms of the ENN SPA provided in the January 9, 2023, public summary. Rio Grande LNG is submitting for filing under seal by overnight mail, an unredacted copy of the Amendment. Rio Grande LNG respectfully requests confidential treatment of the Amendment to the greatest extent permitted by law because it contains highly confidential and commercially sensitive and proprietary information.

If you have any questions regarding this filing, please contact me at (202) 778-9014 or at david.wochner@klgates.com.

Best regards,

David Wochner
Counsel for Rio Grande LNG, LLC
