DOE/FECM ORDER NO. 4979-A

JULY 24, 2023

On March 12, 2023, the Office of Fossil Energy and Carbon Management (FECM) of the Department of Energy (DOE) issued DOE/FECM Order No. 4979 to an entity named “TotalEnergies Gas & Power North America, Inc.” under section 3(c) of the Natural Gas Act, 15 U.S.C. § 717b(c).

On March 29, 2023, the authorization holder notified DOE that the business entity in its authorization, and in the application for authorization, was incorrectly identified as a “Texas corporation,” and asked DOE to amend Order No. 4979 to reflect its correct identity as a “Delaware corporation.”

Accordingly, DOE/FECM Order No. 4979 is amended to reflect the correct business entity as a Delaware corporation. All other Findings and Ordering Paragraphs in DOE/FECM Order No. 4979 remain in full force and effect.

Issued in Washington, D.C., on July 24, 2023.
