UNCLASSIFIED

Dear Dr. Oppenheimer: I have received your teletype dtd July 19, 1945,

X-471.6
Nagasaki

and have discussed its contents with some of our Washington associates.

X-201
Oppenheimer

Factors beyond our control prevent us from considering any decision

X-353.4

other than to proceed according to existing schedules for the time being.

Japan
Pre Raid

It is necessary to drop the first Little Boy and the first Fat Man
and probably a second one in accordance with our original plan. It may
be that as many as three of the latter in their present best present
condition may have to be dropped to conform with planned strategic
operations.

This is Grove's reply to Opies fax.
Opies fax was ~~not~~ located.
