

**MODIFICATION OF THE STATEMENT OF INTENT
BY
THE UNITED STATES DEPARTMENT OF ENERGY
AND
ATOMIC ENERGY OF CANADA LIMITED
IN
THE FIELD OF USED FUEL AND RADIOACTIVE WASTE MANAGEMENT,
DECOMMISSIONING AND ENVIRONMENTAL RESTORATION**

The United States Department of Energy and Atomic Energy of Canada Limited, hereinafter referred to as the "Participants":

Noting the Statement of Intent by the United States Department of Energy and Atomic Energy of Canada Limited in the Field of Used Fuel and Radioactive Waste Management, Decommissioning and Environmental Restoration, signed on February 26, 2013, as extended (hereinafter referred to as the "Statement"); and

Acting pursuant to Section 8.2 of the Statement,

HEREBY MODIFY THE STATEMENT AS FOLLOWS:

Section 8, Paragraph 1 is modified as follows:

"Activities under this Statement may begin upon the later date of signature. The Participants intend to review their cooperation under this Statement every five years."

This Modification becomes effective upon signature of the Participants, with effect from February 26, 2023.

Signed at Arlington, in duplicate, this 12th day of September 2023, in the English language.
