

343. Document entitled "Develop "Frontier" Resources to Ensure Future Oil and Natural Gas Supply," dated March 8, 2001. B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 2 pages. #4139-4140 Withheld
344. Document entitled "The Northeast Home Heating Oil Reserve," dated March 7, 2001. B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 2 pages. #4141-4142 Withheld
345. Document entitled "The Northeast Home Heating Oil Reserve," dated March 8, 2001. B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 2 pages. #4143-4144 Withheld
346. Document entitled "International Petroleum Markets - Energy Security through Supply Diversity," dated March 8, 2001. B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 2 pages. #4145-4146 Withheld
347. Undated document entitled "National Energy Policy-Policy Options." B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 1 page. #4147 Withheld
348. Document entitled "National Energy Policy-Policy Option," dated March 9, 2001. B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 2 pages. #4148-4149 Withheld
349. Document entitled "Technology Development to Increase Electricity Production From New Fossil Fuel-fired Power Plants," dated March 8, 2001. B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 2 pages. #4150-4151 Withheld
350. Document entitled "Oil and Natural Gas Financial Incentives," dated March 8, 2001. B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 2 pages. #4152-4153 Withheld
351. Document entitled "Ensuring Secure Reliable Energy Delivery Systems," dated March 8, 2001. B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 2 pages. #4154-4155 Withheld

352. Undated document entitled "National Energy Policy-Policy Options." B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 1 page. #4156 Withheld
353. Undated document entitled "National Energy Policy, Policy Options." B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 1page. #4157 Withheld
354. Undated document entitled "National Energy Policy-Policy Options." B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 2 pages. #4158-4159 Withheld
355. Undated document entitled "National Energy Policy-Policy Options." B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 1 page. #4160 Withheld
356. Undated document entitled "National Energy Policy-Policy Options." B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 1 page. #4161 Withheld
357. Document entitled "Incentives for Clean Power Generation Technologies," dated March 8, 2001. B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 2 pages. #4162-4163 Withheld
358. Undated document entitled "Reducing "1st-of-a-Kind" Risks For New Fossil Fuel Power Technologies (Clean Coal Power Initiative)." B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 2 pages. #4164-4165 Withheld
359. Document entitled "Preserving U.S. Refining Viability (Advanced Refining Environmental Technologies)," dated March 8, 2001. B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 2 pages. #4166-4167 Withheld

360. Document entitled "Streamlining Regulations Affecting Oil and Gas Supply," dated March 8, 2001. B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 2 pages. #4168-4169 Withheld
361. Document entitled "Expanding Cost-effective Options for Climate Change Mitigation." dated March 8, 2001. B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 2 pages. #4170-4171 Withheld
362. Document entitled "Strategic Petroleum Reserve," dated March 7, 2001. B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 2 pages. #4172-4173 Withheld
363. Document entitled "Strategic Petroleum Reserve," dated March 8, 2001. B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 2 pages. #4174-4175 Withheld
364. Document entitled "Sustaining U.S. Oil and Natural Gas Production," dated March 8, 2001. B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #4176- 4177 Withheld
365. Undated document entitled "Policy Option." B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 2 pages. #4178-4179 Withheld
366. Document entitled "National Energy Policy-Policy Options Staff Draft," dated March 8, 2001. B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 5 pages. #4180-4184 Withheld
367. Document entitled "National Energy Policy-Policy Options," dated March 8, 2001. B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 2 pages. #4185-4186 Withheld
368. Document entitled "National Energy Policy-Policy Options," dated March 8, 2001. B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material

- reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 2 pages. #4187-4188 Withheld
369. Document entitled "National Energy Policy-Policy Options," dated March 8, 2001. B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 2 pages #4189-4190 Withheld
 370. Document entitled "National Energy Policy-Policy Options," dated March 8, 2001. B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 2 pages. #4191-4192 Withheld
 371. Document entitled "National Energy Policy, " dated March 9, 2001. B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 2 pages. #4193-4194 Withheld
 372. Undated document entitled "Policy Option." B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 2 pages. #4195-4196 Withheld
 373. Undated document entitled "National Energy Policy Proposals." B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 2 pages. #4197-4198 Withheld
 374. Undated document entitled "National Energy Policy Plan." B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 2 pages. #4199-4200 Withheld
 375. Undated document entitled "National Energy Policy- Policy Options." B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 2 pages. #4201-4202 Withheld
 376. Undated and untitled document. B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 2 pages. #4203-4204 Withheld

377. Undated document entitled "Policy Option." B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 2 pages. #4205-4206 Withheld
378. Document entitled "Policy Option," dated March 7, 2001. B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 2 pages. #4207-4208 Withheld
379. Document entitled "Expedite Natural Gas and Petroleum Pipeline Permitting," dated March 8, 2001. B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 2 pages. #4209-4210 Withheld
380. Undated document entitled "National Energy Policy-Policy Options." B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 1 page. #4211 Withheld
381. Undated document entitled "Joe Benneche's data sources for checking numbers in Chapter 1 & 2 NEP." B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 4 pages. #4212- 4215 Withheld
382. Undated document entitled "Chapter 4-Public Health and Environmental Considerations for Developing Energy Policy," draft date February 21. B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 4 pages. #4216-4219 Withheld
383. Undated document entitled "Chapter 4-Public Health and Environmental Considerations for Developing Energy Policy," draft date February 21. B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 4 pages. #4220-4223 Withheld
384. Undated, untitled document with handwritten notes. Subject: gas and oil prices are expected to remain high throughout 2001. B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 2 pages. #4224-4225 Withheld
385. Memorandum to Margot Anderson from Andy S. Kydes, dated February 25, 2001. Subject: Comments on Chapter 9. B-5 Exemption - Information withheld (under

- Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 2 pages. #4226-4227 Withheld
386. Document entitled "Section 9. Infrastructure Investment, Integrity, and Safety," dated February 26, 2001. B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 5 pages. #4228-4232. Withheld
387. Undated document entitled "Taking Stock: Energy Challenges Facing the United States." B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 6 pages. #4233-4238 Withheld
388. Undated document entitled "The Next Six Months: Regional Issues." B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 8 pages. #4239-4246 Withheld
389. Undated document entitled "Introduction: U.S. Energy Supply and Demand Overview." B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 3 pages. #4247-4249 Withheld
390. Undated document entitled "Long-term Challenges." B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 8 pages. #4250-4257 Withheld
391. Undated document entitled "Chapter 8: Increased Production of U.S. Energy Resources." B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 7 pages. #4258-4264 Withheld
392. Memorandum to Margot Anderson from Andy S. Kydes, dated February 22, 2001. Subject: Error Checking. B-5 Exemption - Information redacted (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 3 pages. #4265-4267 Released in Part
393. Undated document entitled "Chapter 1 - U.S. Energy Supply and Demand Overview." B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 14 pages. #4268-4281 Withheld

394. Undated document entitled "Chapter 1 - U.S. Energy Supply and Demand Overview." B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 5 pages. #4282- 4286 Withheld
395. Undated document entitled "Chapter 3 - Energy Impacts on Families, Communities, and Businesses." B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 2 pages. #4287- 4288 Withheld
396. Undated document entitled "The Next Six Months: Regional Issues." B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 1 page. #4289 Withheld
397. Undated document entitled "Chapter 3 - Energy Impacts on Families, Communities, and Businesses." B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 5 pages. #4290- 4294 Withheld
398. Undated document entitled "Chapter 6 - Increasing Energy Efficiency." B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 7 pages. #4295- 4301 Withheld
399. Undated document entitled "Chapter 7: Development of Renewable Energy and Alternative Energy." B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 2 pages. #4302- 4303 Withheld
400. Undated document entitled "Chapter 8: Increased Production of U.S. Energy Resources." B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 7 pages. #4304- 4310 Withheld
401. Undated document entitled "The Next Six Months: Regional Issues." B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 1 page. #4311 Withheld
402. Memorandum to Margot Anderson from Andy S. Kydes, dated February 22, 2001. Subject: Error Checking. B-5 Exemption - Information redacted (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 3 pages. #4312- 4314 Released in Part

403. Undated document entitled "Chapter 1 – U.S. Energy Supply and Demand Overview." B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 2 pages. #4315- 4316 Withheld
404. Undated document entitled "Chapter 2 – Taking Stock: U.S. Energy Supply and Pricing Challenges." B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 12 pages. #4317- 4328 Withheld
405. Undated document entitled "Chapter 3 – Energy Impacts on Families, Communities, and Businesses." B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 5 pages. #4329- 4333 Withheld
406. Document entitled "Chapter 6 – Increasing Energy Efficiency," draft date February 22, 2001. B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 7 pages. #4334- 4340 Withheld
407. Undated document entitled "Chapter 7: Development of Renewable Energy and Alternative Energy." B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 2 pages. #4341- 4342 Withheld
408. Undated document entitled "Chapter 8: Increased Production of U.S. Energy Resources." B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 7 pages. #4343- 4349 Withheld
409. Undated document entitled "The Next Six Months: Regional Issues." B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 1 page. #4350 Withheld
410. Document entitled "Chapter 6 – Increasing Energy Efficiency," dated March 23, 2001. B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 6 pages. #4351- 4356 Withheld
411. Document entitled "Chapter 8: Increased Production of U.S. Energy Resource," dated March 24, 2001. B-5 Exemption - Information withheld (under Exemption 5) consists of

deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 9 pages. #4357- 4365 Withheld

412. Document entitled "Section 3 - Economic Impact, " draft date February 21, 2001. B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 13 pages. #4366- 4378 Withheld
413. Undated document entitled "National Energy Policy-Policy Options." B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 1 page. #4379 Withheld
414. Undated document entitled "Section 10 National Energy Security & International Affairs." B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 8 pages. #4380- 4387 Withheld
415. E-mail to Andy Kydes from Margot Anderson, dated March 6, 2001. Subject: RE: template. B-5 Exemption - Information redacted (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revision of draft documents relating to NEPDG 2 pages. #4388-4389 Released in Part
416. Email attachment entitled "Over-riding Principle." B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 1 page. #4390 Withheld
417. Document entitled "Chapter 9 – Infrastructure Investment, Integrity, and Safety," dated March 22, 2001. B-5 Exemption - Information withheld (under Exemption 5) consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 5 pages. #4391- 4395 Withheld
418. Undated document entitled "Chapter 9 Infrastructure - Investment, Integrity, and Reliability." B-5 Exemption - Information withheld consists of deliberative material reflecting the author's comments, recommendations, and suggestions concerning Chapter 9 of the NEPDG report. 14 pages. #4398-4411, Withheld
419. Document entitled "Section 10 National Energy Security and International Affairs," dated March 29, 2001. B-5 Exemption - Information withheld consists of deliberative material reflecting the author's comments, recommendations, and suggestions concerning Chapter 10 of the NEPDG report. 13 pages. #4412-4424. Withheld
420. Filler page prepared in review of documents for FOIA request. 1 page. #4425 Non-responsive

421. Document entitled "Comments on Chapter 10 from EIA," dated March 26, 2001. B-5 Exemption - Information withheld consists of deliberative material reflecting the U.S. DOE Energy Information Administration's comments, recommendations, and suggestions concerning Chapter 10 of the NEPDG draft report. 2 pages. #4426-4427. Withheld
422. Undated document entitled "Short Titles." B-5 Exemption - Information withheld consists of deliberative material reflecting the author's comments, recommendations, and suggestions concerning the short titles of the draft NEPDG report. 11 pages. #4428-4438, Withheld
423. Undated document entitled "Develop "Frontier" Resources to Ensure Future Oil and Natural Gas Supply." B-5 Exemption - Information withheld consists of the author's comments, recommendations, and suggestions in a position paper regarding development of frontier resources in connection with development of draft NEPDG report. 2 pages, #4439-4440. Withheld
424. Undated document entitled "Climate Research." B-5 Exemption - Information withheld consists of deliberative material reflecting author's views on climate research for use in the process of preparing NEPDG report. 15 pages, #4441-4455. Withheld
425. Undated document entitled "U.S. Climate Change Policy Options." B-5 Exemption - Information withheld consists of the author's comments, recommendations, and suggestions concerning climate change policy options for use in preparing NEPDG report. 13 pages, #4456-4468. Withheld.
426. Undated document entitled "Climate Change: Programs for Technology, Mitigation, and Adaptation." B-5 Exemption - Information withheld consists of deliberative material reflecting the author's policy suggestions on technological issues for possible use in developing draft NEPDG report. 4 pages, #4469-4472. Withheld
427. Undated document entitled "The Northeast Home Heating Oil Reserve." B-5 Exemption - Information withheld consists of deliberative material reflecting the author's views on a heating oil reserve in preparation for preparing draft NEPDG report. 2 pages, #s 4473-4474. Withheld
428. Undated document entitled "Impediments to Increased Supply of Natural Gas." B-5 Exemption - Information withheld consists of deliberative material reflecting the Federal employee author's opinions on natural gas supply issues for preparation of draft NEPDG report. 2 pages. #s 4475-4476 Withheld
429. Undated document entitled "Title and Description: Incentive for Clean Power Generation Technologies." B-5 Exemption - Information withheld consists of clean coal deliberative

- material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages, #s 4477-4478. Withheld
430. Undated document entitled "America's Energy Infrastructure: A Comprehensive Delivery System." B-5 Exemption - Information withheld consists of author's draft ideas energy infrastructure for use in preparing draft chapter of NEPDG report. 19 pages, #s 4479-4497. Withheld
431. Undated document entitled "Inserts for Chapter 8 - D Carter." B-5 Exemption - Information withheld consists of inserts recommended by Federal employee the author's comments, recommendations, and suggestions concerning Chapter 8 of the NEPDG report. 1 page, #4498. Withheld
432. Undated document entitled "International Petroleum Markets - Energy Security through Supply Diversity." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages, #s 4499-4500. Withheld
433. Undated draft document entitled "Technology." B-5 Exemption - Information withheld consists of draft deliberative material reflecting the author's comments, recommendations, and suggestions for use in preparing draft NEPDG report. 14 pages, #s 4501-4514. Withheld
434. E-mail to Abe Haspel from Joseph Kelliher, dated March 20, 2001. Subject: Bingaman bill/amendment. B-5 Exemption - Information redacted consists of deliberative material reflecting the views of Federal employee Joe Kelliher on merits of legislation for possible use in connection with preparation of draft NEPDG report. 1 page, #4515. Released in Part
435. Undated document entitled "A National Energy Strategy and Background Paper -2001." B-5 Exemption - Information redacted consists of deliberative material reflecting the Department of Energy employee's comments, and views when reviewing this document in the process of working on the NEPDG report. 80 pages. #4516-4595. Released in Part
436. Undated document entitled "National Energy Policy." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG energy policy. 2 pages, #s 4596-4597. Withheld
437. Document entitled "National Energy Policy: Guidelines to Authors," dated February 14, 2001. B-5 Exemption - Information withheld consists of guidelines to Federal employee authors of sections of NEPDG report, containing the author's comments,

- recommendations, and suggestions relating to preparation of draft NEPDG report. 3 pages. #4598-4600 Withheld
438. E-mail to Cathy Tripodi from Joseph Kelliher dated July 3, 2001, with one attachment entitled "Agenda1," (Bates #4602). Subject: "Agenda for Monday's Principals' Meeting." B-5 Exemption - Information redacted consists of deliberative material reflecting the agenda of the NEPDG in developing NEP report. 1 page, #4601. Released in Part
439. Document entitled "Agenda - National Energy Policy Development Group," dated March 12, 2001. B-5 Exemption - Information withheld consists of deliberative material reflecting the agenda of the NEPDG in developing NEP report. 1 page, #4602. Withheld
440. Undated document entitled "Coastal Zone Management Act Federal Consistency Regulations." B-5 Exemption - Material withheld contains the author's comments, recommendations, and suggestions relating to preparation of draft NEPDG report. 2 pages. #4605-4606 Withheld
441. Undated document entitled "Energy Policy and Coastal Management." B-5 Exemption - Information withheld consists of containing the author's comments, recommendations, and suggestions relating to preparation of draft NEPDG report. 1 page. #4607 Withheld
442. Undated document entitled "Proposed Energy Policy Language:" B-5 Exemption - Information withheld consists of deliberative material on proposed energy policy language reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #4618 Withheld
443. Memorandum to Joe Kelliher from Cathy Tripodi, dated March 27, 2001. Subject: USGS National Monument Report. B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #4638-4639 Withheld
444. Document entitled "Bonneville Power Administration - Green Tag Summary," dated March 2001. B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #4640 Withheld
445. Memorandum to Joe Kelliher from Cathy Tripodi, dated April 1, 2001. Subject: Basic Overview of US Refinery Capacity. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 7 pages. #4641-4647 Released in Part
446. Undated document entitled "Low Sulfur Diesel Fuel Rule: Background Information." B-5 Exemption - Information withheld consists of deliberative material reflecting the

- process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #4648-4649 Withheld
447. Undated document entitled "MTBE Issue: Background Information." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #4650-4651 Withheld
 448. E-mail to Cathy Tripodi from Thomas White, dated March 30, 2001. Subject: Refinery capacity. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #4652-4653 Released in Part
 449. E-mail to Joseph Kelliher from Margot Anderson, dated March 24, 2001. Subject: NPRA Recommendations on National Energy Policy. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 5 pages. #4654 - #4658 Released in Part
 450. Undated document entitled "Climate Research." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 10 pages. #4659-4668 Withheld
 451. Undated document entitled "DOE Comments on NEP Chapter 4: Health and Environment." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 3 pages. #4669-4671 Withheld
 452. Undated document entitled "Gio Nuclear Energy." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 11 pages. #4672-4682 Withheld
 453. Undated document entitled "Chapter Five: Renewables." B-5 Exemption - Information withheld consists of deliberative material concerning renewable energy policy reflecting the author's comments, recommendations, and suggestions relating to preparation of draft NEPDG reports. 3 pages. #4683-4685 Withheld
 454. Undated document entitled "Chapter 1 - Alternative Vehicle Fuels." B-5 Exemption - Information withheld consists of deliberative material concerning renewable energy policy reflecting the authors comments, recommendations, and suggestions relating to preparation of draft documents related to NEPDG. 1 page. #4686 Withheld

455. Undated document entitled "National Energy Policy." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 3 pages, #s 4687-4689. Withheld
456. Document entitled "National Energy Policy: Guidelines to Authors 2/14/01," dated February 15, 2001. B-5 Exemption - Information withheld consists of deliberative material reflecting the information and advice sent to possible authors of sections of draft NEPDG report. 3 pages, #s 4690-4692. Withheld
457. Undated document entitled "Over-riding Principle." B-5 Exemption - Information withheld consists of deliberative material reflecting the author's comments, recommendations, and suggestions relating to preparation of draft NEPDG report. 1 page, #4693. Withheld
458. Undated document entitled "Over-riding Principle." B-5 Exemption - Information withheld consists of deliberative material reflecting the author's comments, recommendations, and suggestions relating to preparation of draft NEPDG report. 1 page, #4694. Withheld
459. Document entitled "Chapter 5 - Economic Impact of Energy Price Increases," dated March 7, 2002. B-5 Exemption - Information withheld consists of the author's comments, recommendations, and suggestions relating to preparation of draft NEPDG report. 10 pages, #s 4695-4704. Withheld
460. Undated and untitled document. Subject: Coal. B-5 Exemption - Information withheld consists of the author's comments, recommendations, and suggestions on coal matters relating to preparation of draft NEPDG report. 4 pages, #s 4705-4708. Withheld
461. Undated document entitled "Technology Development to Increase Electricity Production From new Fossil Fuel-fired Power Plants." B-5 Exemption - Information withheld consists of deliberative material reflecting the author's comments, recommendations, and suggestions relating fossil plants for preparation of draft NEPDG report. 2 pages, #s 4709-4710. Withheld
462. Undated document entitled "Non-USG Initiatives to Reduce Greenhouse Gas Emissions." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to greenhouse gas suggestions for NEPDG report. 3 pages, #s 4711-4713. Withheld
463. Undated document entitled "Background on New Source Review." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents and new source review relating to NEPDG report. 5 pages. #4714-4718 Withheld

464. Undated and untitled document. Subject: Technology. B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG report. 2 pages. #4719-4720 Withheld
465. Undated document entitled "Oil and Natural Gas Financial Incentives." B-5 Exemption - Information withheld consists of deliberative material reflecting the author's comments, recommendations, and suggestions relating to energy financial incentives for preparation of draft NEPDG report. 2 pages, #s 4721- 4722. Withheld
466. Undated document entitled "Ensuring Secure Reliable Energy Delivery Systems." B-5 Exemption - Information withheld consists of deliberative material reflecting the author's thought process on energy security issues arising in the process of commenting, recommending and revising draft documents relating to NEPDG. 6 pages, #s 4723-4728. Withheld
467. Undated document entitled "Expedite Natural Gas and Petroleum Pipeline Permitting." B-5 Exemption - Information withheld consists of deliberative material reflecting the thought process of commenting, recommending and revising draft documents relating pipeline permitting for the NEPDG report. 2 pages, #s 4729-4730. Withheld
468. Undated document entitled "FE Policy Option Papers." B-5 Exemption - Information withheld consists of deliberative material reflecting policy options developed by the U.S. DOE Office of Fossil Energy in the process of commenting, recommending and revising draft documents relating to NEPDG. 5 pages, #s 4731-4735. Withheld
469. Undated document entitled "Infrastructure Chapter." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG report. 2 pages, #s 4736-4737. Withheld
470. Undated and untitled document. Subject: Oil Refineries. B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating oil refineries and the NEPDG report. 1 page, #4738. Withheld
471. Undated document entitled "Preserving U.S. Refining Viability (Advanced Refining Environmental Technologies)." B-5 Exemption - Information withheld consists of deliberative material reflecting the author's comments, recommendations, and suggestions relating to refineries in preparation of draft NEPDG report. 2 pages, #s 4739-4740. Withheld

472. Undated document entitled "The Short Term Energy Situation: Regional Issues." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating regional energy issues for the NEPDG report. 2 pages, #s 4741-4742. Withheld
473. Undated document entitled "Streamlining Regulations Affecting Oil and Gas Supply." B-5 Exemption - Information withheld consists of deliberative material reflecting the author's comments, recommendations, and suggestions relating to regulatory issues for preparation of draft NEPDG report. 2 pages, #s 4743-4744. Withheld
474. Undated document entitled "Introduction: U.S. Energy Supply and Demand Overview." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising the introductory chapter of the NEPDG report. 14 pages, #s 4745-4758. Withheld
475. Undated document entitled "Chapter 8: Increased Production of U.S. Energy Resources." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating Chapter 8 of the NEPDG report. 7 pages, #s 4759-4765. Withheld
476. Undated document entitled "The Next Six Months: Regional Issues." B-5 Exemption - Information withheld consists of deliberative material reflecting the author's comments, recommendations, and suggestions relating regional energy issues in preparation of draft NEPDG report. 3 pages, #s 4766-4768. Withheld
477. Various undated versions of document entitled "Section 5: Impediments to Increased production of Energy Resources." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft chapters of NEPDG report. 36 pages, #s 4769-4804. Withheld
478. Undated document entitled "Sequestration Discussion." B-5 Exemption - Information withheld consists of deliberative material reflecting the author's comments, recommendations, and suggestions relating to sequestration in preparation of draft NEPDG report. 9 pages, #s 4805-4813. Withheld
479. Document entitled "Expanding Cost-effective Options for Climate Change Mitigation," dated March 8, 2001. B-5 Exemption - Information withheld consists of deliberative material reflecting the author's comments, recommendations, and suggestions relating to climate change options for the preparation of draft NEPDG report. 2 pages, #s 4814-4815. Withheld
480. Undated document entitled "Expanding Cost-effective Options for Climate Change Mitigation." B-5 Exemption - Information withheld consists of deliberative material

reflecting the author's comments, recommendations, and suggestions relating to climate change options for the preparation of draft NEPDG report. 2 pages, #s 4816-4817.
Withheld

481. Undated document entitled "Short Titles." B-5 Exemption - Information withheld consists of deliberative material reflecting author's recommendations concerning short titles in the process of commenting, recommending and revising draft documents relating to NEPDG report. 11 pages, #s 4818-4828. Withheld
482. Undated document entitled "Strategic Petroleum Reserve." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to SPR for the NEPDG report. 2 pages, #s 4829-4830. Withheld
483. Undated document entitled "Sustaining U.S. Oil and Natural Gas Petroleum." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents concerning oil and natural gas production for possible use in NEPDG report. 1 page, #4831. Withheld
484. E-mail to Cathy Tripodi from Joseph Kelliher, dated July 03, 2001, with one attachment. Subject: Hydro licensing for principal's meeting. B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising hydro licensing issues in connection with principals' meeting about NEP. 1 page, #4832, Released; #s 4833-4834. Withheld.
485. Undated document entitled "Hydro Licensing Talking Points." B-5 Exemption - Information withheld consists of deliberative material in the form of talking point suggestions reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages, #s 4833-4834. Withheld
486. Undated document entitled "Energy Efficiency Talking Points." B-5 Exemption - Information withheld consists of deliberative material reflecting the author's talking points and recommendations in the process of commenting, recommending and revising draft documents relating to NEPDG report. 1 page, #4836. Withheld
487. E-mail to Joseph Kelliher from Jean Vernet, dated May 01, 2001. B-5 Exemption - Information redacted consists of comments and observations of author on draft document containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #4837-4838 Released in Part
488. E-mail to Joseph Kelliher from Michael McCabe, dated March 12, 2001. B-5 Exemption - Information redacted consists of personal views and thoughts of author concerning appliance standards containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #4839-4840 Released in Part

489. E-mail to The Secretary from Deborah Allen, dated February 09, 2001. Subject: Consumer Information Comment Form. B-6 Exemption - Information on e-mail and home address redacted to protect the privacy of individuals. 1 page. #4841 Released in Part
490. E-mail to the Secretary from Robert J. MCMONIGLE, dated February 05, 2001. Subject: Consumer Information Comment Form. B-6 Exemption - Information on e-mail and home address redacted to protect the privacy of individuals. 1 page. #4842 Released in Part
491. E-mail to the Secretary from Larry Lambeth, dated January 17, 2002. Subject: Investigate Energy Task Force. B-6 Exemption - Information on e-mail and home address redacted to protect the privacy of individuals. 1 page. #4843 Released in Part
492. E-mail to the Secretary from Harriet Mullaney, dated May 7, 2001. Subject: Policy. B-6 Exemption - Information on home and e-mail address redacted to protect the privacy of individuals. 1 page. #4844 Released in Part
493. E-mail to the Harriet Mullaney from Mark Friedrichs, dated June 21, 2001, with one attachment not attached. Subject: List of Members of National Energy Policy Development Group. B-6 Exemption - Information on e-mail address redacted to protect the privacy of individuals. 1 page. #4845 Released in Part
494. Letter to Mr. W. E. Gene Claudin, from Vicky A. Bailey, Assistant Secretary, Office of Policy and International Affairs, dated October 25, 2001. Subject: National Energy Policy. B6 Exemption - Information redacted to protect the privacy of individuals. 1 page. #4846 Released in Part
495. Letter to the Department of Energy from the White House, dated August 27, 2001, with one attachment. B6 Exemption - Information redacted to protect the privacy of an individual. 2 pages #s 4847-48 Released in Part
496. Letter to President George W. Bush, from W. E. Gene Claudin, dated August 8, 2001. Subject: National Energy Policy. B-6 Exemption - Information on e-mail and home address redacted to protect the privacy of individuals. 1 page. #4848 Released in Part
497. E-mail to Joseph Kelliher from Robert Kripowicz, dated March 28, 2001. Subject: Oil Pipelines. B-5 Exemption - Information redacted consists of the author's views on pipeline siting containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #4849 Released in Part

498. E-mail to Joseph Kelliher from Doug Faulkner, dated April 30, 2001. Subject SEP. B-5 Exemption - Information redacted consists of funding issues containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #4850 Released in Part
499. E-mail to Joseph Kelliher from Doug Faulkner, dated April 16, 2001. Subject: Reliability/Superconductivity R&D Funding. B-5 Exemption - Information redacted consists of the author's opinion concerning budgeting for R&D containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #4851 Released in Part
500. E-mail to Joseph Kelliher from Margot Anderson, dated February 25, 2001. Subject: Regional Reality Check. B-5 Exemption - Information redacted consists of author's opinion on regional energy issue draft containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #4852 Released in Part
501. E-mail to Joseph Kelliher from Margot Anderson, dated February 22, 2001. Subject: Propane. B-5 Exemption - Information redacted consists of the author's views on propane use containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #4853 Released in Part
502. E-mail to Joseph Kelliher from Phillip Tseng dated April 05, 2001. Subject: Section 1602 of EPACT92. B-5 Exemption - Information redacted consists of opinion of author on EPACT containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #4854 Released in Part
503. E-mail to Ken Vagts from Michael Burdette, dated April 24, 2001. Subject: Fact Check. B-5 Exemption - Information redacted consists of comments on factual issues contained in draft NEP report containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #4855 Released in Part
504. E-mail to Charles M. Smith from Veronica Angula, dated April 24, 2001. Subject: Comments on Chapter 10. B-5 Exemption - Information redacted consists of the authors comments and observations concerning draft chapter 10 containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG report. 1 page. #4856 Released in Part
505. E-mail to Karen Y. Knutson from Veronica Angula, dated April 23, 2001. Subject: Comments on International Chapter. B-5 Exemption - Information redacted consists of comments and observations on international energy issues containing deliberative

material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #4857 Released in Part

506. E-mail to Margot Anderson from Paul Carrier, dated May 08, 2001. Subject: FERC Hydro Projects. B-5 Exemption - Information redacted consists of comments and observations of author on hydro projects containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #4858 Released in Part
507. Letter to Secretary Spencer Abraham, from Cleve Anderson, dated April 14, 2001, with one attachment (Bates #4860-4864). Subject: Nuclear Waste Problem. B-6 Exemption - Information on e-mail and home address redacted to protect the privacy of individuals. 1 page. #4859 Released in Part
508. Document entitled "The Yucca Mountain Repository is a Nuclear Boon-Doggie Creating, Not Resolving, Problems for Nuclear Energy," dated April 11, 2001. B-6 Exemption - Information on e-mail and home address redacted to protect the privacy of individuals. 5 pages. #4860-4864 Released in Part
509. Letter to the Honorable Spencer Abraham from Dale E. Tarrant, dated April 8, 2001. Subject: Cutting Funding for Energy Efficiency and renewable Energy Programs. B-6 Exemption - Information on home address and telephone number redacted to protect the privacy of individuals. 1 page. #4865 Released in Part
510. E-mail to Joseph Kelliher from Douglas Carter, dated May 01, 2001. Subject: Clean Coal. B-5 Exemption - Information redacted consists of thoughts and opinions of author concerning clean coal containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #4866 Released in Part
511. E-mail to Margot Anderson from Douglas Carter, dated May 01, 2001. Subject: Clean Coal. B-5 Exemption - Information redacted consists of opinions and thoughts on clean coal containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #4867 Released in Part
512. E-mail to Joseph Kelliher from Charles M. Smith, dated May 01, 2001. Subject: One more item. B-5 Exemption - Information redacted consists of opinion of author on waste management containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #4868 Released in Part

513. E-mail to Joseph Kelliher from Charles M. Smith, dated April 30, 2001. Subject: Chapter 7 Requirements. B-5 Exemption - Information redacted consists of views of author on chapter 7 containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #4869 Released in Part
514. E-mail to the Secretary from Brenda Mackall, dated May 14, 2001, with one attachment not attached. Subject: In Response to your inquiry: Solar Energy R&D. B-6 Exemption - Information concerning e-mail and home address redacted to protect the privacy of individuals. 2 pages. #s 4870-4871 Released in Part
515. E-mail to the Secretary from Mike Holly, dated April 19, 2001. Subject: Select. B-6 Exemption - Information on e-mail and home address redacted to protect the privacy of individuals. 1 page. #4872 Released in Part
516. Document entitled "Program to Achieve Near-Term Reduction of Greenhouse Gases from Electric Utilities," dated April 18, 2001. B-5 Exemption - Information withheld consists of draft position paper on greenhouse gasses containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 4 pages. #s 4873-4876 Withheld
517. E-mail to Sam Baldwin from Darrell Beechen, dated February 15, 2001. Subject: Transportation Expanded Section." B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #s 4877-4878 Released in Part
518. E-mail to William Parks from MaryBeth Zimmerman, dated February 22, 2001, with one attachment not attached. Subject: Redraft of Renewables 5 pager. B-5 Exemption - Information redacted consists of author's comments concerning renewable energy containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG report. 1 page. #4879 Released in Part
519. Undated and untitled document. Subject: Solar Energy Technologies. B-5 Exemption - Information withheld consists of a position paper on solar technologies containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG report. 2 pages. #s 4881-4882 Withheld
520. E-mail to Cathy Tripodi from John Cook, dated March 30, 2001. Subject: Refinery Capacity. B-5 Exemption - Information redacted consists of author's views and comments on refinery capacity issues containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #s4883-4884 Released in Part
521. E-mail to Joseph Kelliher from Trevor Cook, dated May 22, 2001. Subject: Reprocessing Paper. B-5 Exemption - Information redacted consists of author's views on reprocessing

- containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #4885 Released in Part
522. E-mail to MaryBeth Zimmerman from Joseph Kelliher, dated February 20, 2001. Subject: NEP Drafts. B-5 Exemption - Information redacted consists of author's views and comments on NEP chapters containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #4886-4887 Released in Part
523. E-mail to Joseph Kelliher from MaryBeth Zimmerman, dated February 20, 2001, with one attachment not attached. Subject: NEP Drafts. B-5 Exemption - Information redacted consists of author's views and comments on draft chapter 5 containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #4888 Released in Part
524. E-mail to Joseph Kelliher from Margot Anderson, dated March 12, 2001. Subject: Appliance Standards. B-5 Exemption - Information redacted consists of author's thoughts and questions concerning appliance standards containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #4889-4890 Released in Part
525. E-mail to John Conti from Margot Anderson, dated March 22, 2001. Subject: NEP Update, Thursday 3/22. B-5 Exemption - Information redacted consists of author's views on editing draft chapters of report containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #4891 Released in Part
526. Undated and untitled document. Subject: Exports of U.S. Coal. B-5 Exemption - Information withheld consists of position paper of coal exports containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #4892 Withheld
527. E-mail to Joseph Kelliher from Margot Anderson, dated March 22, 2001. Subject: DOI Help. B-5 Exemption - Information redacted consists of comments of author on exploratory drilling containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #s 4893-4894 Released in Part
528. Undated document entitled "Chapter 2: Energy Impacts on Families, Communities, and Businesses." B-5 Exemption - Information withheld consists of draft chapter 5 of NEP report containing deliberative materials reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 5 pages. #s 4896-4900 Withheld

529. Undated document entitled "Nuclear Fuel Challenges." B-5 Exemption - Information withheld or withheld consists of nuclear fuel paper containing deliberative materials reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #4902 Withheld
530. E-mail to Joseph Kelliher from Margot Anderson, dated March 24, 2001. Subject: Refinery Action. B-5 Exemption - Information redacted consists of author's comments on US refining capacity containing deliberative materials reflecting the process of commenting, recommending and revising draft documents relating to NEPDG report. 1 page. #4903 Released in Part
531. E-mail to Joseph Kelliher from Margot Anderson, dated March 24, 2001. Subject: Question. B-5 Exemption - Information redacted consists of the author's comments and questions on clean fuels containing deliberative materials reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #4904 Released in Part
532. E-mail to Margot Anderson from Douglas Carter, dated February 16, 2001, with four attachments Subject: NEP Section 5. B-5 Exemption - Information redacted consists of draft chapter 5 containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #4905 Released in Part
533. Undated document entitled "Chapter Five: Renewables." B-5 Exemption - Information withheld consists of draft chapter 5 containing deliberative materials reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 3 pages. #s 4906-4908 Withheld
534. Undated document entitled "Chapter 1 Alternative Vehicle Fuels." B-5 Exemption - Information withheld consists draft chapter 1 containing deliberative materials reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #4909 Withheld
535. Undated document entitled "Section 5 Impediments to Increased Production of Energy Resources." B-5 Exemption - Information withheld consists of draft of chapter 5 or report containing deliberative materials reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 8 pages. #s 4910-4917 Withheld
536. Undated document entitled "Nuclear Energy." B-5 Exemption - Information withheld consists of draft chapter 6 containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG report. 9 pages. #s 4918-4926 Withheld

537. E-mail to Michele Pochen from Margot Anderson, dated March 25, 2001. Subject: DOT Comments. B-5 Exemption - Information redacted consists of US DOT comments on draft report containing deliberative materials reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 4 pages. #4934-4937 Released in Part
538. E-mail to Michelle Pochen from Margot Anderson, dated March 25, 2001. Subject: DOT Comments." B-5 Exemption - Information redacted consists of comments of US DOT containing deliberative materials reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 4 pages. #s 4938- 4941 Released in Part
539. E-mail to Michelle Pochen from Margot Anderson, dated March 25, 2001. Subject: DOE Comments/edits. B-5 Exemption - Information redacted consists of comments and edits on draft chapter 9 containing deliberative materials reflecting the process of commenting, recommending and revising draft documents relating to NEPDG report. 2 pages. #s 4942-4943 Released in Part
540. E-mail to Joseph Kelliher from Margot Anderson, dated March 26, 2001. Subject: National Energy Policy. B-5 Exemption - Information redacted consists of author's comments on NEP policy issues containing deliberative materials reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #4944 Released in Part
541. E-mail to Joseph Kelliher from Margot Anderson, dated March 26, 2001. Subject: Quick Comments on List of Policies. B-5 Exemption - Information redacted consists of author's comments on policies containing deliberative materials reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #s 4945-4946 Released in Part
542. E-mail to Joseph Kelliher from Margot Anderson, dated March 26, 2001. Subject: Comments on National Energy Policy Goals and Actions. B-5 Exemption - Information redacted consists of views of author on energy efficiency writeup for NEP report, containing deliberative materials reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #4947 Released in Part
543. E-mail to Joseph Kelliher from Margot Anderson, dated April 02, 2001. Subject: Energy Efficiency One-Pager. B-5 Exemption - Information redacted consists of deliberative materials reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #s 4948-4949 Released in Part

544. E-mail to Joseph Kelliher from Margot Anderson, dated April 02, 2001. Subject: Energy Efficiency One-Pager. B-5 Exemption - Information redacted consists of comments of author on energy efficiency issue containing deliberative materials reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #4950 Released in Part
545. E-mail to Joseph Kelliher from Margot Anderson, dated April 04, 2001. Subject: Energy Efficiency. B-5 Exemption - Information redacted consists of comments of author on energy efficiency writeup for NEP report containing deliberative materials reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #4951 Released in Part
546. E-mail to Robert Kripowicz from Margot Anderson, dated April 03, 2001. Subject: Integrating GHG Reduction into the National Energy Policy. B-5 Exemption - Information redacted consists of comments of author on GHG reduction containing deliberative materials reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #4952 Released in Part
547. Undated document entitled "Section 3." B-5 Exemption - Information withheld consists of draft chapter 3 containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 6 pages. #4953-4958 Withheld
548. Undated document entitled "Section 5." B-5 Exemption - Information withheld consists of draft chapter 5 containing deliberative materials reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 6 pages. #s 4960-4965 Withheld
549. Undated document entitled "Chapter 3." B-5 Exemption - Information withheld consists comments and citations needed for draft chapter 3 containing deliberative materials reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #4967 Withheld
550. Undated document entitled "Section 3." B-5 Exemption - Information withheld consists of draft chapter 3 containing deliberative materials reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 6 pages. #s 4969-4974 Withheld
551. Undated document entitled "Section 5." B-5 Exemption - Information withheld consists of draft chapter 5 containing deliberative materials reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 6 pages. #s 4976-4981 Withheld
552. E-mail to Margot Anderson from Trevor Cook, dated May 04, 2001. Subject: I am at Germantown today, 3-7046. B-5 Exemption - Information withheld consists of

- deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #4982 Withheld
553. Undated and untitled document. Subject: Safe Nuclear Power Plant. B-5 Exemption - Information withheld consists of position paper containing deliberative materials reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #4984 Withheld
554. E-mail to Margot Anderson from Trevor Cook, dated May 1, 2001. Subject: Going to Press: Chapter 3. B-5 Exemption - Information redacted consists of draft chapter of NEP report containing deliberative materials reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #s 4985-4986 Released in Part
555. E-mail to Joseph Kelliher from Trevor Cook, dated May 1, 2001. Subject: RE: Nuclear Safety. B-5 Exemption - Information redacted consists of deliberative materials reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #4987 Released in Part
556. Undated document entitled "Nuclear Power." B-5 Exemption - Information withheld consists of position paper on nuclear power that contains deliberative materials reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #s 4989-4990 Withheld
557. Undated document entitled "International Factors Regarding Nuclear Power." B-5 Exemption - Information withheld consists of draft writeup containing deliberative materials reflecting the process of commenting, recommending and revising draft documents relating to NEPDG 1 page. # 4992 Withheld
558. Undated document entitled "Nuclear Power." B-5 Exemption - Information withheld consists of draft position paper containing deliberative materials reflecting the process of commenting, recommending and revising draft documents relating to NEPDG report. 2 pages. # 4994-4995 Withheld
559. Undated document entitled "Nuclear Power produces essentially zero carbon, SO₂, or NO_x gas emissions." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. # 4996 Withheld
560. Undated and untitled map. B-5 Exemption - Information withheld consists of draft map of commercial reactors containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. # 4997 Withheld

561. Undated viewgraphs. B-5 Exemption - Information withheld consists of draft viewgraphs containing deliberative materials reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 6 pages. #4999-5004 Withheld
562. Undated and untitled document. Subject: Electricity. B-5 Exemption - Information withheld consists of draft paper on electricity that contains deliberative materials reflecting the process of commenting, recommending and revising draft documents relating to NEPDG report. 3 pages. #s 5005-5007 Withheld
563. Undated document entitled "Overview." B-5 Exemption - Information withheld consists of draft chapter containing deliberative materials reflecting the process of commenting, recommending and revising draft documents relating to NEPDG report. 9 pages. #s 5009-5017 Withheld
564. E-mail to Elizabeth Connell from Trevor Cook, dated March 30, 2001, with one attachment. Subject: National Energy Policy Task Force Papers. B-5 Exemption - Information redacted consists of a list of policy options containing deliberative materials reflecting the author's recommendations in regard to process of commenting, recommending and revising draft documents relating to NEPDG report. 2 pages. #5018-5019 Released in Part
565. Undated document entitled "Title HERE." B-5 Exemption - Information withheld consists of an outline for policy options that is deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. # 5020 Withheld
566. E-mail Shane Johnson from Buzz Savage, dated March 27, 2001, with two attachments (Bates #5022-5025). Subject: Policy Papers. B-5 Exemption - Information redacted consists of deliberative materials reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #5021 Released in Part
567. Undated document entitled "Nuclear Power Plant Constructability." B-5 Exemption - Information withheld consists of deliberative materials reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #5022-5023 Withheld
568. Undated document entitled "Nuclear Infrastructure Support." B-5 Exemption - Information withheld consists of deliberative materials reflecting the process of commenting, recommending and revising draft chapter of NEPDG report. 2 pages. #s 5024-5025 Withheld
569. Undated document entitled "Federal Siting for Commercial Nuclear Power." B-5 Exemption - Information withheld consists of deliberative materials reflecting the views of author concerning subjects for possible inclusion in NEPDG report the process of

- commenting, recommending and revising draft documents relating to NEPDG. 1 page. # 5027 Withheld
570. Undated document entitled "Allow Market Driven Solution to Spent Nuclear Fuel." B-5 Exemption - Information withheld consists of deliberative materials reflecting the views of author concerning subjects for possible inclusion in NEPDG report. 1 page. # 5028 Withheld
571. Undated document entitled "Direct Funding of Regulatory Review." B-5 Exemption - Information withheld consists of position paper containing deliberative materials for possible inclusion in NEPDG report. 1 page. # 5029 Withheld
572. Undated document entitled "Nuclear Infrastructure Support." B-5 Exemption - Information withheld consists of position paper containing deliberative materials reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. # 5030 Withheld
573. Undated document entitled "Accelerated Depreciation for Nuclear Power." B-5 Exemption - Information withheld consists of deliberative materials in the form of draft position paper that reflects the views of the author for possible use in NEPDG report. 1 page. #5031 Withheld
574. Undated document entitled "Nuclear Power Plant Constructability." B-5 Exemption - Information withheld consists of outline of talking points on nuclear plants, deliberative materials reflecting the author's opinions relating possible content of NEPDG report. 1 page. # 5032 Withheld
575. E-mail to William Magwood from Trevor Cook, dated March 26, 2001, with two attachments (#s 5034-5079). Subject: FW: Chapter 8 (Increased production of U.S. Energy Resources). B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #5033 Released in Part
576. Undated document entitled "Chapter 8: Increased Production of U.S. Energy Resources," dated March 24, 2001. B-5 Exemption - Information withheld consists of deliberative materials reflecting the process of commenting, recommending and revising draft chapters of NEPDG report. 18 pages. #s 5034-5051 Withheld
577. Various undated versions of document entitled "Taking Stock: Energy Challenges Facing the United States." B-5 Exemption - Information withheld consists of deliberative materials reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 28 pages. #s 5052-5079 Withheld

578. E-mail to Margot Anderson from Ellen Brown, dated February 27, 2001, with one attachment not attached. Subject: RE: EPA comments. B-5 Exemption - Information redacted consists of EPA comments on introductory chapter containing deliberative materials reflecting the author's view of a draft of one chapter of process of draft NEPDG report. 1 page. #5080 Released in Part
579. E-mail to Ellen Brown from Margot Anderson, dated February 27, 2001. Subject: RE: EPA comments. B-5 Exemption - Information redacted consists of EPA comments on introductory chapter containing deliberative materials reflecting the author's view of a draft of one chapter of process of draft NEPDG report. 1 page. #5081 Released in Part
580. E-mail to Margot Anderson from Trevor Cook, dated February 27, 2001. Subject: Comments on the draft - none important. B-5 Exemption - Information redacted consists of editorial comments involving deliberative materials reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. # 5082 Released in Part
581. Undated document entitled "Over-riding Principle." B-5 Exemption - Information withheld consists of deliberative materials reflecting the views of the author on energy policy for possible use in preparing NEPDG report. 1 page. # 5083. Withheld
582. E-mail to Margot Anderson from Joseph Kelliher, dated February 13, 2001. Subject: RE: Electricity prices. B-5 Exemption - Information redacted consists of research on electricity prices containing deliberative materials reflecting the views of the author in process for possible use in NEPDG report. 1 page. # 5084 Released in Part
583. Undated document entitled "Section 1: Short-Term Energy Supply Disruption." B-5 Exemption - Information withheld consists of deliberative materials reflecting the process of commenting, recommending and revising draft chapter of NEPDG report. 3 pages. #s 5086-5088. Withheld
584. Undated document entitled "Section 2: Protection for Consumers and Low-Income Families." B-5 Exemption - Information withheld consists of deliberative materials reflecting the process of commenting, recommending and revising draft chapter of NEPDG report. 2 pages. #s 5089-5090 Withheld
585. Undated document entitled "Section 3: Economic Impact of Energy." B-5 Exemption - Information withheld consists of deliberative materials reflecting the process of commenting, recommending and revising draft chapter of NEPDG report. 3 pages. #s 5091-5093 Withheld
586. Undated document entitled "Section 4: Development of Alternative and Renewable Energy Resources and Conservation and Increase Energy Efficiency." B-5 Exemption - Information withheld consists of deliberative materials reflecting the process of

- commenting, recommending and revising draft chapters of NEPDG report. 5 pages. #s 5094-5098 Withheld
587. Undated document entitled "Section 5: Impediments to Increased Production of Conventional Energy Resources." B-5 Exemption - Information withheld consists of deliberative materials reflecting the process of commenting, recommending and revising draft chapters of NEPDG report. 5 pages. #s 5099-5103 Withheld
588. Undated document entitled "Section 6: Infrastructure Investment, Integrity and Safety." B-5 Exemption - Information withheld consists of deliberative materials reflecting the process of commenting, recommending and revising draft chapters of NEPDG report. 5 pages. #s 5104-5108 Withheld
589. Undated document entitled "Section 7: National Energy Security & International Affairs." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising chapters of NEPDG report. 3 pages. #s 5109-5111 Withheld
590. Undated document entitled "Energy Needs (Assessment)." B-5 Exemption - Information withheld consists of deliberative materials reflecting the process of commenting, recommending and revising draft documents relating energy needs for the NEPDG. 1 page. #5113 Withheld
591. Undated document entitled "U.S. Energy Supply and Demand Overview." B-5 Exemption - Information withheld consists of deliberative materials reflecting the process of commenting, recommending and revising draft chapter of NEPDG report. 15 pages. #s 5115-5129 Withheld
592. E-mail to Margot Anderson from Trevor Cook, dated February 27, 2001. Subject: OOPS! Bill has the following two changes. B-5 Exemption - Information redacted consists of editorial comments on draft NEPDG report that are deliberative materials reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. # 5130 Released in Part
593. E-mail to Margot Anderson from Joseph Kelliher, dated February 13, 2001. Subject: RE: More meeting attendees. B-5 Exemption - Information redacted consists of deliberative materials reflecting the process of commenting, recommending and revising draft chapters of the NEPDG. 2 pages. #s 5131-5132 Released in Part
594. E-mail to Margot Anderson from Robert Porter, dated February 14, 2001. Subject: Draft NEP Instructions. B-5 Exemption - Information redacted consists of deliberative materials reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #s 5133-5134 Released in Part

595. E-mail to Cathy Tripodi from Joseph Kelliher, dated July 3, 2001, with one attachment not attached. Subject: FW: DOT comments. B-5 Exemption - Information redacted consists of deliberative materials reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 4 pages. #s 5135-5138 Released in Part
596. Undated document entitled "Chapter 3." B-5 Exemption - Information withheld consists of deliberative materials reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 3 pages. #5139-5141 Withheld
597. E-mail to Linda Silverman from MaryBeth Zimmerman, dated February 14, 2001 with one attachment not attached. Subject: OVP draft briefer. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #5142 Released in Part
598. Undated document entitled "U.S. Global sources of energy supply." B-5 Exemption - Information withheld consists of deliberative materials reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 4 pages. #5143-5146 Withheld
599. Undated document entitled "Section 1 Short-Term Energy Supply Disruption." B-5 Exemption - Information withheld consists of deliberative materials reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 3 pages. #5148-5150 Withheld
600. Undated document entitled "Section 2 Protection for Consumers and Low-Income Families." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #5151-5152 Withheld
601. Undated document entitled "Section 3 Economic Impact of Energy." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 3 pages. #5153-5155 Withheld
602. Undated document entitled "Section 4 Development of Alternative and Renewable Energy Resources and Conservation and Increase Energy Efficiency." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 4 pages. #5156-5159 Withheld

603. E-Mail to Jean Vernet from Margot Anderson, dated April 20, 2001. Subject: RE: NSR. B-5 Exemption - Information redacted consists of author's comments on environmental matters containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to deliberative draft of NEPDG report. 1 page. #5160 Released in Part
604. Undated document entitled "Suggestions." B-5 Exemption - Information withheld consists of suggestions concerning the NEP Report containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #5161 Withheld
605. Undated document entitled "Permanently Extend The Research and Experiment (R&E) Tax Credit." B-5 Exemption - Information withheld consists of position paper reflecting author's opinions concerning tax credit containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to deliberative draft of NEPDG report. 1 page. #5162 Withheld
606. Undated document entitled "Energy Policy Proposals." "Extend and Modify the Tax Credit for producing Electricity from Certain Sources." B-5 Exemption - Information withheld consists of position paper reflecting author's suggesting policy proposals that contain deliberative material reflecting the process of commenting, recommending and revising draft documents relating to deliberative draft of NEPDG report. 2 pages. #5163-5164 Withheld
607. Undated document entitled "Provide Tax credit for Residential Solar Energy Systems." B-5 Exemption - Information withheld consists of position paper on solar energy containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to deliberative draft of NEPDG report. 1 page. #5165 Withheld
608. Undated document entitled "Modify Treatment of Nuclear Decommissioning Funds." B-5 Exemption - Information withheld consists of position paper reflecting author's views on nuclear decommissioning containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to deliberative draft of NEPDG report. 1 page. #5166 Withheld
609. Undated untitled Subject: "Reasons for Change." B-5 Exemption - Information withheld consists of author's views on nuclear power that contain deliberative material reflecting the process of commenting, recommending and revising draft documents relating to deliberative draft of NEPDG report. 2 pages. #5167-5168 Withheld.
610. Undated entitled "Extend Suspension of Net Income Limitation on Percentage Depletion from Marginal Oil and Gas Wells." B-5 Exemption - Information withheld consists of position paper reflecting author's views in on oil and gas containing deliberative material

- reflecting the process of commenting, recommending and revising draft documents relating to deliberative draft of NEPDG report. 1 page. #5169 Withheld.
611. Undated document entitled "Permanently Extend the Research and Experimentation (R&E) Tax Credit." B-5 Exemption - Information withheld consists of position paper on R&E containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to deliberative draft of NEPDG report. 1 page. #5170 Withheld.
 612. Undated document entitled "Energy Policy Proposals" "Extend and Modify the Tax Credit for Producing Electricity from Certain Sources." B-5 Exemption - Information withheld consists of author's energy policy proposals containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to deliberative draft of NEPDG report. 2 pages. #5171-5172 Withheld
 613. Undated and entitled "Provide Tax Credit for Residential Solar Energy Systems." B-5 Exemption - Information withheld consists of solar energy position paper containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to deliberative draft of NEPDG report. 1 page. #5173 Withheld
 614. Undated document entitled "Modify Treatment of Nuclear Decommissioning Funds." B-5 Exemption - Information withheld consists of author's views in position paper on nuclear decommissioning containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to deliberative draft of NEPDG report. 3 pages. #5174-5176 Withheld
 615. Undated document entitled "Extend Suspension of Net Income Limitation on Percentage Depletion from Marginal Oil and Gas Wells." B-5 Exemption - Information withheld consists of position paper of oil and gas issues containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to deliberative draft of NEPDG report. 1 page. #5177 Withheld
 616. E-mail to William Magwood from Trevor Cook , dated March 21, 2001. Subject: Heads up on the National Energy Policy Development for Nuclear. B-5 Exemption - Information redacted consists of comments on nuclear matters containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to deliberative draft of NEPDG report. 1 page, with one attachment, draft chapter 8 of NEP report. #5178 Released in Part
 617. Attachment to e-mail above, undated document Subject: Chapter 8: Increased Production of U.S. Energy Resources. 7 pages. B-5 Exemption - Document is being withheld

because it contains pre-decisional draft of chapter 8 that was circulated within DOE for review. NEPDG. 7 pages. #5179-5185 Withheld

618. E-Mail to Margot Anderson from Joseph Kelliher, dated February 12, 2001, Subject: RE: NEPDG Outlines. B-5 Exemption - Information redacted consists of comments on NEPDG report containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to pre-decisional NEPDG report. 1 page. #5186 Released in Part
619. Undated document entitled "Section I - U.S. Energy Supply and Demand Overview." B-5 Exemption - Document is being withheld because it contains pre-decisional draft of chapter of draft NEPDG that was circulated within DOE for review. 2 pages. #5187-5188 Withheld
620. Undated document entitled "Section II - Taking Stock - U.S. Energy Supply and Pricing Challenges." B-5 Exemption - Document is being withheld because it contains pre-decisional draft of chapter 8 that was circulated within DOE for review. Information withheld consists of draft chapter of NEP report containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 17 pages. #5189-5203 Withheld
621. E-Mail to Margot Anderson from Joseph Kelliher, dated February 21, 2001. Subject: RE: NEPDG Outlines. B-5 Exemption - Information redacted consists of draft outlines of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to deliberative draft of NEPDG report. 2 pages. #5204-5205 Released in Part
622. Undated document entitled "Background on New Source Review". B-5 Exemption - Information withheld consists of background deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #5206-5207 Withheld
623. Document dated February 12, 2001. Subject: Recommended Changes to Draft Outline: Current Condition of the U.S. Energy Infrastructure. B-5 Exemption - Information withheld consists of draft outline of infrastructure chapter containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to deliberative draft outline of NEPDG report. 2 pages. #5209-5210 Withheld
624. Document entitled "Section 10 National Energy Security and International Affairs," dated July 5, 2001. B-5 Exemption - Document is being withheld because it contains pre-decisional draft of chapter 10 that was circulated within DOE for review. 14 pages. #5211-5224 Withheld

625. E-Mail to Margot Anderson from Joseph Kelliher, dated February 12, 2001. Subject: RE: Outline. B-5 Exemption - Information redacted consists of comments of DOE staff on policy issues and outlines containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to deliberative draft of NEPDG report. 1 page. #5225. Released in Part
626. E-Mail to Margot Anderson and Joseph Kelliher from MaryBeth Zimmerman, dated February 12, 2001, with one attachment. Subject: Revised outline for Sec. D. B-5 Exemption - Information withheld consists of outline containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to deliberative draft of NEPDG report. 1 page. #5226 Withheld
627. Undated document entitled "D. Development of Alternative and Renewable Energy Resources and Conservation and Increased Energy Efficiency." B-5 Exemption - Document is being withheld because it contains pre-decisional draft of chapter of NEPDG report that was circulated within DOE for review. 4 pages. #5227-5230 Withheld
628. Document entitled "Energy Policy Options for Consideration submitted by USDA 3/16/01." B-5 Exemption - Information withheld consists of draft energy policy options containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to preparation of deliberative draft NEPDG report. 6 pages. #5231-5236 Withheld
629. E-Mail to Margot Anderson from Joseph Kelliher, dated February 12, 2001, with one attachment (Bates number 5238-5239). Subject: Outlines: regional information. B-5 Exemption - Information redacted consists of author's opinion on energy disruptions containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #5237 Released in Part
630. Undated document entitled "Regional Issues Relating To Short-Term Energy Supply Disruptions and Increased Production of Traditional Energy Resources." B-5 Exemption - Information withheld consists of draft writeup on energy disruptions containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to preparation of deliberative draft NEPDG report. 2 pages. #5238-5239 Withheld
631. E-Mail to Margot Anderson from Robert Porter, dated February 13, 2001. Subject: Comments on Kelliher paper. B-5 Exemption - Information redacted consists of author's views on gasoline price information containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to preparation of deliberative draft NEPDG report. 1 page. #5240 Released in Part

632. E-Mail to Margot Anderson from Larry Pettis, dated February 13, 2001. Subject: Outlines: Regional information. B-5 Exemption - Information redacted consists of comments on supply disruptions containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to deliberative draft of NEPDG report. 1 page #5241. Released in Part
633. Document entitled "Environment Chapter Recommendations," dated March 15, 2001. B-5 Exemption - Information withheld consists of draft environmental chapter paper being circulated within DOE containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 6 pages. #5242-5247 Withheld
634. Undated document entitled "Regional Issues Relating to Short-Term Energy Supply Disruptions and Increased Production of Traditional Energy Resources." B-5 Exemption - Document is being withheld because it contains pre-decisional draft of NEPDG report that was circulated within DOE for review. 3 pages. #5249-5251 Withheld
635. Document dated March 20, 2001 entitled "Energy Options Associated with Federal and Indian Lands." B-5 Exemption - Information withheld consists of draft of energy options for draft NEPDG report that was circulated within DOE for review. 20 pages. #5252-5271 Withheld
636. Undated document entitled "Introduction: U.S. Energy Supply and Demand Overview." B-5 Exemption - Information withheld consists of draft of chapter of NEPDG report that was circulated within DOE for review. 14 pages. #5272-5285 Withheld
637. Undated document entitled "The Next Six Months: Regional Issues." B-5 Exemption - Information withheld consists of author's views concerning regional energy issues containing deliberative material reflecting the process of commenting, recommending and revising deliberative draft of NEPDG report. 3 pages. #5286-5288 Withheld
638. E-Mail to Margot Anderson from Joseph Kelliher, dated February 26, 2001. Subject: New draft. B-5 Exemption - Information redacted consists of author's comments on deliberative draft of NEPDG report. 1 page. #5289 Released in Part
639. E-Mail to Margot Anderson from Joseph Kelliher, dated February 26, 2001. Subject: New draft. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to deliberative draft of NEPDG report. #5290. 1 page. Released in Part
640. E-Mail to Margot Anderson from Joseph Kelliher, dated February 26, 2001. Subject: New draft. B-5 Exemption - Information redacted consists of deliberative material

- reflecting the process of commenting, recommending and revising draft documents relating to deliberative draft of NEPDG report. 2 pages. #5291-5292 Released in Part
641. E-Mail to Margot Anderson from Tracy Terry, dated February 26, 2001, with one attachment Subject: NEP graphs - more on elec. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #5293-5294 Released in Part
642. Undated document entitled "Figure 1: U.S. Capacity and Peak Demand: 1990-2000." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to deliberative draft NEPDG report. 8 pages. #5295-5302 Withheld
643. E-Mail to Margot Anderson from Joseph Kelliher, dated February 26, 2001. Subject: Solutions. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to draft NEPDG report. 2 pages. #5303-5304 Released in Part
644. E-Mail to Margot Anderson from Andy Kydes, dated February 27, 2001. Subject: New draft. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to draft NEPDG report. 1 page. #5305 Released in Part
645. E-Mail to Margot Anderson from Joseph Kelliher, dated February 27, 2001. Subject: Solutions. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to deliberative draft of NEPDG report. 2 pages. #5306-5307 Released in Part
646. E-Mail to Margot Anderson from MaryBeth Zimmerman, dated February 27, 2001, Subject: Energy Items for NEP. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to deliberative draft of NEPDG report. 1 page. #5308. Released in Part
647. Filler page prepared during review of documents in response to the FOIA requests. 1 page. #5309 Non-responsive
648. Draft document entitled "Chapter 7 Alternative and Renewable Energy," dated July 26, 2001. B-5 Exemption - Document withheld is deliberative draft of chapter 7 of NEPDG report being circulated within DOE for comment and review. 5 pages. #5310-5314. Withheld

649. Draft document entitled "Chapter 5 Energy Productivity and Load Management," dated July 26, 2001. B-5 Exemption - Document withheld is deliberative draft of chapter 5 of NEPDG report being circulated within DOE for comment and review. 5 pages. #5315-5319 Withheld
650. Draft document entitled "Chapter X Energy Impacts on Families, communities, and Businesses," dated, July 26, 2001. B-5 Exemption - Document withheld is deliberative draft of chapter of NEPDG report being circulated within DOE for comment and review. 4 pages. #5320-5323 Withheld
651. E-Mail to Margot Anderson from Ellen Brown, dated February 27, 2001, with three attachments (Bates #s5325-5332) Subject: EPA comments. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #5324 Released in Part
652. Undated document untitled. "Comments on the Intro and "Talking Stock." B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to deliberative draft of NEPDG report. 1 page. #5325 Released in Part
653. Undated document entitled "Introduction: U.S. Energy Supply and Demand Overview." B-5 Exemption - Document withheld is deliberative draft of chapter of NEPDG report being circulated within DOE for comment and review. 4 pages. #5326-5329 Withheld
654. Undated document entitled "Introduction: U.S. Energy Supply and Demand Overview." B-5 Exemption - Document withheld is deliberative draft of chapter of NEPDG report being circulated within DOE for comment and review. 4 pages. #5330-5333 Withheld
655. E-Mail to Michael York from MaryBeth Zimmerman, dated February 14, 2001, with one attachment (Bates #5335-5338). Subject: OVP draft briefer. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to deliberative draft of NEPDG. Report 1 page. #5334 Released in Part
656. Undated document entitled "U.S. / Global source of energy supply". B-5 Exemption - Document withheld is deliberative draft of material for NEPDG report being circulated within DOE for comment and review. 4 pages. #5335-5338 Withheld
657. E-Mail to Cathy Tripodi from Joseph Kelliher, dated July 3, 2001, with one attachment (Bates #5340-5353). Subject: FW: Wednesday, (March 21) NEP update. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to deliberative draft of NEPDG. Report. 1 page. #5339 Released in Part

658. Document entitled "Section 10 National Energy Security and International Affairs," dated July 5, 2001. B-5 Exemption - Document withheld is deliberative draft of chapter 10 of NEPDG report being circulated within DOE for comment and review. 14 pages. #5340-5353 Withheld.
659. Undated document entitled "Comments on Section 3 - Economic Impact of Energy (Ron Earley)." B-5 Exemption - Information withheld consists of author's comments deliberative material reflecting the process of commenting, recommending and revising deliberative draft documents relating to NEPDG report. 1 page. #5354 Withheld
660. Undated document entitled "Oil Price Impacts on the U.S. Economy." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG report. 3 pages. #5355-5357 Withheld.
661. E-Mail to Margot Anderson from Tracy Terry, dated February 15, 2001. Subject: National Energy Strategy. B-5 Exemption - Information redacted consists of energy strategy deliberative material reflecting the process of commenting, recommending and revising draft documents relating to deliberative draft of NEPDG report. 2 pages. #5358-5359 Released in Part
662. E-Mail to Christopher Freitas from Paula Scalingi, dated February 15, 2001, with one attachment (Bates #5361-5364). B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #5360 Released in Part
663. Undated document entitled "F. Infrastructure Investment, Integrity, and Safety." 4 pages. B-5 Exemption - Document withheld is deliberative draft of chapter of NEPDG report being circulated within DOE for comment and review. 4 pages. #5361-5364 Withheld
664. Undated document entitled "Interdependencies Between the Natural Gas and Electric Power Infrastructures." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #5366 Withheld
665. E-Mail to Margot Anderson from William Breed, dated February 15, 2001. Subject: National Energy Strategy." B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to deliberative draft of NEPDG report. 1 page. #5367 Released in Part
666. E-Mail to Margot Anderson from William Breed, dated February 15, 2001. Subject: National Energy Strategy. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #5368-5369 Released in Part

667. E-Mail to Hilary Smith from Tracy Terry, dated February 15, 2001, with two attachments (Bates #5372-5377). Subject: National Energy Strategy. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #5370-5371 Released in Part
668. Undated document entitled "DOE Comments on Section 3 - Economic Impact of Energy." B-5 Exemption - Document is being withheld because it contains pre-decisional comments, proposed changes, edits, and revisions to a deliberative draft of NEPDG report. 3 pages. #5372-5374 Withheld
669. Undated document entitled "Oil Price Impacts on the U.S. Economy." B-5 Exemption - Information withheld consists of position paper containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 3 pages. #5375-5377 Withheld
670. Undated document entitled "Insert for Section 5 ("Impediments"). B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to deliberative draft NEPDG report. 1 page. #5379 Withheld
671. E-Mail to Margot Anderson from Joseph Kelliher, dated February 15, 2001, with five attachments (Bates #5381-5392). Subject: EPA Comments. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to deliberative draft of NEPDG report. 1 page. #5380 Released in Part
672. Undated document entitled "Short Term supplies.wpd." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #5381 Withheld
673. Undated document entitled "Energy Efficiency Chapter." B-5 Exemption - Document withheld is deliberative draft of chapter of NEPDG report being circulated within DOE for comment and review. 4 pages. #5382-5385 Withheld
674. Undated document entitled "Detailed Comments on Development of Alternative and Renewable Energy Resources." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to deliberative draft NEPDG report. 5 pages. #5386-5390 Withheld

675. Undated document entitled "Section 1: Short Term Energy Supply." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to deliberative draft NEPDG report. 2 pages. #5391-5392 Withheld
676. E-mail to Margot Anderson from Jay Braitsch, dated February 27, 2001. Subject: New draft. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #5393 Released in Part
677. Two copies of undated document entitled "The Next Six Months: Regional Issues." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to deliberative draft NEPDG report. 6 pages. #5395-5400 Withheld
678. E-mail to Larry Pettis from James Hart, dated February 16, 2001. Subject: National Energy Policy - IEO Availability. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #5401 Released in Part
679. E-mail to Margot Anderson from Tracy Terry, dated February 19, 2001. Subject: RE: more NEP stuff, with one attachment (not attached). B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page #5402 Released in Part
680. Undated document entitled "Amend Presidential Decision Directive 13 Fissile Materials Section." B-5 Exemption - Information withheld consists of policy paper containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to deliberative draft NEPDG report. 25 pages. #5403-5427 Withheld
681. Document entitled "Atom for Prosperity - Implementing the National Energy Policy Plan" dated June 2001. B-5 Exemption - Information withheld consists of position paper containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to deliberative draft of NEPDG report. 2 pages. #5429-5430 Withheld
682. E-mail to Elizabeth Connell from Trevor Cook, dated March 30, 2001. Subject: National Energy Policy Task Force Papers. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG 2 pages. #5431-5432 Released in Part

683. Undated and untitled document. Subject: Title Here. 5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG 1 page. #5433 Withheld
684. Undated document entitled "Potential Nuclear Energy Initiatives." B-5 Exemption - Information withheld consists of draft proposals containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to pre-decisional draft NEPDG report. 10 pages. #5434-5443 Withheld
685. Draft document entitled "Chapter 5 - Economic Impact of Energy Price Increases," dated July 26, 2001. B-5 Exemption - Document is being withheld because it is a DELIBERATIVE draft of Chapter 5 of NEPDG report reflecting the process of commenting, recommending and revising draft documents relating to NEPDG 15 pages. #5444-5458 Withheld
686. E-mail to Margot Anderson from Tracy Terry, dated February 28, 2001, with one attachment entitled Subject: corrected NEP graphs on electricity. B-5 Exemption - Information withheld consists of comments on draft graphs for draft NEP report containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #5459 Withheld
687. Document determined to be nonresponsive to FOIA request. 1 page. #5460
688. Draft graphs, dated February 2001. B-5 Exemption - Information withheld consists of draft graphs containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG report. 8 pages. #5461-5468 Withheld
689. E-mail to Margot Anderson from Jay Braitsch, dated February 28, 2001. Subject: FW: Non-Headlines. B-5 Exemption - Information redacted consists of DOE staff comments on regional energy issues containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to pre-decisional draft NEPDG report. 1 page. #5469 Released in Part
690. E-mail to John Stamos from Trevor Cook, dated March 26, 2001, with six attachments. Subject: FW: These are the remaining placeholders for the nuclear policy initiatives. B-5 Exemption - Information redacted consists of nuclear policy initiatives containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to pre-decisional draft NEPDG report. 1 page. #5470 Released in Part
691. Undated documents entitled "Federal Siting for Commercial Nuclear Power; Allow Market Driven Solutions to Spent Nuclear Fuel; Direct Funding of Regulatory Review; Nuclear Infrastructure Support; Accelerated Depreciation for Nuclear Power; Nuclear

- Power Plant Constructability." B-5 Exemption - Information withheld consists of proposed nuclear power initiative containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to pre-decisional draft NEPDG report. 6 pages. #5471-5476 Withheld
692. E-mail to William Magwood from Trevor Cook, dated March 26, 2001, with two attachments (Bates #s 5478-5495) Subject: FW: These are the remaining placeholders from the nuclear policy initiatives. B-5 Exemption - Information redacted consists of comments by DOE staff on draft nuclear power initiatives containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to pre-decisional draft NEPDG report. 9 pages. #5477 Released in Part
693. Document (FE, NE, PO), entitled "March 24th Version - Chapter 8: Increased Production of U.S. Energy Resources." 18 pages. B-5 Exemption - Document is withheld because it is a draft chapter 8 being circulated for review for use in deliberative draft NEPDG report reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 9 pages. #5478-5495 (5487-5495 Graphics) Withheld
694. E-mail to William Magwood from Trevor Cook, dated March 21, 2001, with one attachment (Bates #5497-5503). Subject: Heads up on the National Energy Policy Development for Nuclear. B-5 Exemption - Information redacted consists of staff comments on nuclear proposals containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to deliberative draft of NEPDG report. 1 page. #5496 Released in Part
695. Undated document entitled "Chapter 8: Increased Production of U.S. Energy Resources." B-5 Exemption - Document is withheld because it is a draft chapter 8 being circulated for review for use in deliberative draft NEPDG report reflecting the process of commenting, recommending and revising draft documents relating to pre-decisional draft NEPDG report. 7 pages. #5497-5503 Withheld
696. E-mail to John Stamos from Trevor Cook, dated February 14, 1001, with one attachment. Subject: FW: Electricity outline for the White House. B-5 Exemption - Information redacted consists of staff comments on draft outline containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to pre-decisional draft NEPDG report. 2 pages. #5504-5505 Released in Part
697. Document entitled "Draft Outline for Electricity Resource Paper - Constraints to Adequate Electricity Supply," dated February 13, 2001. B-5 Exemption - Information withheld consists of draft outline containing deliberative material reflecting the process of commenting, recommending and revising draft pre-decisional NEPDG report. 1 page. #5506 Withheld

698. E-mail to Shane Johnson from Buzz Savage dated March 27, 2001, with two attachments (Bates number 5508-5511). Subject: Policy Papers. B-5 Exemption - Information redacted consists of comments on policy papers containing deliberative material reflecting the process of commenting, recommending and revising draft deliberative NEPDG report. 1 page. #5507 Released in Part
699. Undated document entitled: "Nuclear Power Plant Constructability." B-5 Exemption - Information withheld consists of policy papers containing deliberative material reflecting the process of commenting, recommending and revising draft deliberative NEPDG report. 2 pages. #5508-5509 Withheld
700. Undated document entitled "Nuclear Infrastructure Support." B-5 Exemption - Information withheld consists of nuclear policy initiative containing deliberative material reflecting the process of commenting, recommending and revising draft deliberative NEPDG report. 2 pages. #5510-5511 Withheld
701. Undated and untitled document. B-5 Exemption - Information withheld consists of draft section 3 being circulated for comment containing deliberative material reflecting the process of commenting, recommending and revising draft deliberative NEPDG report. 6 pages. #5513-5518 Withheld
702. Undated and untitled document. B-5 Exemption - Information withheld consists of draft chapter 3 being circulated for staff comment containing deliberative material reflecting the process of commenting, recommending and revising draft deliberative NEPDG report. 6 pages. #5520-5525 Withheld
703. Undated document entitled "Citations Needed as of May 6, 2001." B-5 Exemption - Information withheld consists of staff comments on draft chapter 3 containing deliberative material reflecting the process of commenting, recommending and revising draft deliberative NEPDG report. 1 page. #5527 Withheld
704. E-mail to Margot Anderson from Trevor Cook, dated May 4, 2001. Subject: Re: I am at Germantown today, 3-7046. One page. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to pre-decisional NEPDG report. 1 page. #5528 Released in Part
705. E-mail to Margot Anderson from Trevor Cook, dated May 4, 2001. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #5529 Released in Part

706. Undated and untitled document. B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 6 pages. #5531-5536 Withheld
707. E-mail to Margot Anderson from Trevor Cook, dated May 1, 2001. Subject: Re: Going to Press: Chapter 3. B-5 Exemption - Information redacted consists of staff comments on open items containing deliberative material reflecting the process of commenting, recommending and revising draft deliberative NEPDG report. 2 pages. #5537-5538 Released in Part
708. E-mail to Margot Anderson from Trevor Cook, dated May 4, 2001, with one attachment (Bates #5540-5545) Subject: Chapter 3 ne input. B-5 Exemption - Information withheld consists of DOE staff comments containing deliberative material reflecting the process of commenting, recommending and revising draft pre-decisional NEPDG report. 1 page. #5539 Withheld
709. Undated and untitled document. Subject: Chapter 3 Citations. B-5 Exemption - Information withheld consists draft chapter 3 being circulated to DOE staff for comment containing deliberative material reflecting the process of commenting, recommending and revising draft deliberative NEPDG report. 6 pages. #5540-5545 Withheld
710. E-mail to Margot Anderson from Joseph Kelliher, dated February 28, 2001, with one attachment (Bates #s5547-5560). Subject: New Draft. B-5 Exemption - Information redacted consists of staff comments on energy efficiency containing deliberative material reflecting the process of commenting, recommending and revising draft deliberative NEPDG report. 1 page. #5546 Released in Part
711. Undated document entitled "Introduction: U.S. Energy Supply and Demand Over View." B-5 Exemption - Information withheld consists of draft introduction of NEPDG report being circulated to DOE staff for comment reflecting deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 14 pages. #5547-5560 Withheld
712. Undated and untitled document. Subject: Nuclear Safety. B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #5562 Withheld
713. E-mail to Joseph Kelliher from Trevor Cook, dated May 1, 2001. Subject: Re: Nuclear Safety. B-5 Exemption - Information redacted consists of nuclear policy paper containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to draft pre-decisional NEPDG report. 1 page. #5563 Released in Part
714. E-mail to Margot Anderson from Joseph Kelliher, dated February 28, 2001. Subject: Re: Read Me. B-5 Exemption - Information redacted consists of staff comments on energy

- efficiency matters containing deliberative material reflecting the process of commenting, recommending and revising draft NEPDG report. 1 page. #5564 Released in Part
715. E-mail to Margot Anderson from Andy Kydes, dated February 28, 2001. Subject: Page 12 Line 21 detail. B-5 Exemption - Information redacted consists of staff on gas costs containing comments deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG report. 1 page. #5565 Released in Part
716. Draft document dated July 26, 2001, entitled Chapter 5 - Economic Impact of Energy Price Increases. B-5 Exemption - Document is withheld because it is a draft of Chapter 5 being circulated for staff review that consists of deliberative material reflecting the process of commenting, recommending and revising draft deliberative NEPDG report. 16 pages. #5567-5582 Withheld
717. E-mail to Margot Anderson from Michelle Pochen, dated April 5, 2001. Subject: Re: DOE comments and new oil refinery section. B-5 Exemption - Information redacted consists of staff comments on oil refinery matters that contains deliberative material reflecting the process of commenting, recommending and revising draft deliberative NEPDG report. 3 pages. #5583-5585 Released in Part
718. E-mail to Margot Anderson from Michelle Pochen, dated April 4, 2001, with one attachment (Bates #5588-5589). Subject: FW: DOE comments and new oil refinery section. B-5 Exemption - Information redacted consists of staff comments on deliberative draft of NEPDG report containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG 2 pages. #5586-5587 Released in Part
719. Undated document entitled: "Oil Refineries." B-5 Exemption - Document withheld consists of position paper on oil refineries deliberative material reflecting the process of commenting, recommending and revising draft documents relating to draft pre-decisional NEPDG report. 2 pages. #5588-5589 Withheld
720. E-mail to Margot Anderson from Michelle Pochen, dated April 4, 2001, with one attachment (Bates #5592-5593) Subject: Re: DOE comments and new oil refinery section. B-5 Exemption - Information redacted consists of staff comments on oil refinery issues containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #5590-5591 Released in Part
721. Undated document entitled "Oil Refineries." B-5 Exemption - Document withheld consists of draft paper on oil refineries and comments reflecting deliberative material

used in the process of commenting, recommending and revising draft documents relating to NEPDG report. 2 pages. #5592-5593 Withheld

722. E-mail to Margot Anderson from Michelle Pochen, dated April 4, 2001. Subject: Re: Coal. B-5 Exemption - Information redacted consists of comments on coal issues containing deliberative material reflecting the process of commenting, recommending and revising draft documents relating to draft NEPDG reports. 2 pages. #5594-5595 Released in Part
723. E-mail to Margot Anderson from Andy Kydes, dated April 4, 2001, with two attachments (Bates #5600-5601). Subject: RE: chapter 3 3/27 version. B-5 Exemption - Information redacted consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 4 pages. #5596-5599 Released in Part
724. Undated document entitled "Figure 3. Consumer Winter Natural Gas Costs." B-5 Exemption - Information withheld consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 1 page. #5600 Withheld
725. Undated document entitled "Figure 2. Consumer winter Heating Oil Costs." B-5 Exemption - Information withheld consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 1 page. #5601 Withheld
726. E-mail to Margot Anderson from MaryBeth Zimmerman, dated April 4, 2001. Subject: Re: a farmer's retort. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #5602 Released in Part
727. E-mail to Margot Anderson from Andy Kydes, dated April 4, 2001. Subject: RE: chapter 3 3/27 version. B-5 Exemption - Information redacted consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 4 pages. #5603-5606 Released in Part
728. E-mail to Margot Anderson from Trevor Cook, dated April 4, 2001. Subject: Need help with one of the goals. B-5 Exemption - Information redacted consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 1 page. #5607 Released in Part
729. E-mail to Margot Anderson from James Hart, dated April 4, 2001, with one attachment (Bates #5609-5623). Subject: RE: Suggested Edits - NEP Chapter 10. B-5 Exemption - Information redacted consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 1 page. #5608 Released in Part

730. Undated document entitled "SECTION 10 - National Energy Security and International Affairs." B-5 Exemption - Information withheld consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 15 pages. #5609-5623 Withheld
731. E-mail attachment (5625-5638), undated document entitled "SECTION 10 - National Energy Security and International Affairs." B-5 Exemption - Information withheld consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 14 pages. #5625-5638 Withheld
732. E-mail to Margot Anderson from K Murphy, dated April 4, 2001. Subject: Reminder. B-5 Exemption - Information redacted consists of deliberative material reflecting draft documents relating to NEPDG. 1 page. #5639 Released in Part
733. E-mail to Margot Anderson from Joseph Kelliher, dated April 4, 2001. Subject: RE: How did it go yesterday? B-5 Exemption - Information redacted consists of deliberative material reflecting comments and recommendations of draft documents relating to NEPDG. 1 page. #5640 Released in Part
734. E-mail to Kevin Kolevar from Robert Kripowicz, dated April 3, 2001, with four attachments (Bates #5643-5648). Subject: FW: Integrating GHG Reduction into the NEP. B-5 Exemption - Information redacted consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 2 pages. #5641-5642 Released in Part
735. E-mail attachment entitled "Voluntary Reduction of Greenhouse Gas Emissions from Existing Power Plants." B-5 Exemption - Information withheld consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 1 page. #5643 Withheld
736. E-mail attachment entitled "Technology Development to increase Electricity Production From New Fossil Fuel-fired Power Plants." B-5 Exemption - Information withheld consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 2 pages. #5644-5645 Withheld
737. E-mail attachment entitled "Sequest FE #2 - Expanding Cost-effective Options for Climate Change Mitigation." B-5 Exemption - Information withheld consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 2 pages. #5646 -5647 Withheld

738. E-mail attachment entitled "Elements of a Long-term Climate Program." B-5 Exemption - Information withheld consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 1 page. #5648 Withheld
739. E-mail to Margot Anderson from Joseph Kelliher, dated April 2, 2001. Subject: RE: energy efficiency one-pager. B-5 Exemption - Information redacted consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 1 page. #5649 Released in Part
740. E-mail to Margot Anderson from Joseph Kelliher, dated April 2, 2001. Subject: RE: energy efficiency one-pager. B-5 Exemption - Information redacted consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 1 page. #5650 Released in Part
741. E-mail attachment entitled "Comments/suggestions from EIA 3/31/01 10AM, dated August 6, 2001." B-5 Exemption - Information withheld consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 7 pages. #5652-5658 Withheld
742. E-mail to Margot Anderson from Joseph Kelliher, dated March 30, 2001. Subject: RE: energy efficiency one-pager. B-5 Exemption - Information redacted consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 1 page. #5659 Released in Part
743. E-mail attachment entitled "Outer Continental Shelf Leasing Moratoria," dated March 30, 2001. B-5 Exemption - Information withheld consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 3 pages. #5661-5663 Withheld
744. E-mail to Margot Anderson from Jeremy Symons, March 30, 2001, with two attachments (Bates #5665-5667). Subject: Re: FW: another version of energy efficiency. B-5 Exemption - Information redacted consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. B6 Exemption - Information redacted to protect the privacy of individuals. 1 page. #5664 Released in Part
745. E-mail attachment to Margot Anderson from Jeremy Symons. B-6 Exemption - Information redacted to protect the privacy of individuals. 1 page. #5665 Released in Part
746. E-mail attachment entitled "Energy Efficiency-Setting A Quantitative Goal."

- B-5 Exemption - Information withheld consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 2 pages. #5666-5667 . Withheld
747. E-mail to Joseph Kelliher from Robert Kripowicz, dated March 30, 2001, with one attachment (Bates #5669). Subject: marginal wells and SPR. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #5668 Released in Part
748. Email attachment entitled "Strategic Petroleum Reserve - Oil from Marginal Wells." B-5 Exemption - Information withheld consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 1 page. #5669 Withheld
749. E-mail to John Pyrdol from William Bettenberg, dated March 30, 2001. Subject: Re: FW: OCS one pager {Virus checked}. B-5 Exemption - Information redacted consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 4 pages. #5670-5673 Released in Part
750. E-mail to Margot Anderson from Jean Vernet, dated March 30, 2001. Subject: RE: Next week's "More NEP assignments." B-5 Exemption - Information redacted consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 1 page. #5674 Released in Part
751. E-mail to Margot Anderson from Joseph Kelliher, dated March 30, 2001. Subject: RE: one pager on 3-pollutant. B-5 Exemption - Information redacted consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 1 page. #5675 Released in Part
752. E-mail to Margot Anderson from Paula Scalingi, dated March 30, 2001. Subject: RE: national energy policy. B-5 Exemption - Information redacted consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 2 pages. #5676-5677 Released in Part
753. Undated and untitled note from Jeremy Symons. B-5 Exemption - Information redacted consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 1 page. #5678 Released in Part
754. Undated document entitled "Issue: Should hydraulic fracturing operations be exempted from possible regulation under the Safe Drinking Water Act?" B-5 Exemption - Information withheld consists of deliberative material reflecting comments,

recommendations and revisions of draft documents relating to NEPDG. 1 page. #5679
Withheld

755. E-mail to Margot Anderson from Jeremy Symons, dated March 30, 2001, (5680-5682) with one attachment (Bates #5683-5684). Subject: RE: URGENT: 1-pager for NEPD. B-5 Exemption - Information redacted consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 3 pages. #5680-5682 Released in Part
756. E-mail attachment entitled "Three-Pollutant Legislation For The Electric Power Sector," dated March 30, 2001. B-5 Exemption - Information withheld consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 2 pages. #5683-5684 Withheld
757. E-mail to Margot Anderson from Joseph Kelliher, dated March 30, 2001. Subject: CAFÉ paper. B-5 Exemption - Information redacted consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 1 page. #5685 Released in Part
758. E-mail to Tracy Terry from Jean Vernet, dated March 30, 2001, (5686) with one attachment (Bates #5687-5688). Subject: A rewrite of Symons' draft. B-5 Exemption - Information redacted consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 1 page. #5686 Released in Part
759. E-mail attachment entitled "Three-Pollutant Legislation For The Electric Power Sector," dated March 30, 2001. B-5 Exemption - Information withheld consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 2 pages. #5687-5688 Withheld
760. E-mail to Margot Anderson from David Moses, dated March 30, 2001. Subject: RE: NEP papers. B-5 Exemption - Information redacted consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 1 page. #5689 Released in Part
761. E-mail to Margot Anderson from David Moses, dated March 30, 2001. Subject: NEP papers. B-5 Exemption - Information redacted consists of deliberative material reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 1 page. #5690 Released in Part
762. E-mail to Margot Anderson from Joseph Kelliher, dated March 30, 2001. Subject: one pagers. B-5 Exemption - Information redacted consists of deliberative material reflecting

- comments, recommendations and revisions of draft documents relating to NEPDG. 1 page. #5691 Released in Part
763. E-mail to Margot Anderson from Christopher Freitas, dated March 30, 2001, with one attachment (Bates #5694-5700). B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG reflecting comments, recommendations and revisions of draft documents relating to NEPDG. 2 pages. 5692-5693 Released in Part

1112. Email to Robert Kripowicz from Nancy Johnson, dated April 3, 2001, with one attachment (Bates #6622-6645). Subject: FW: Interior Oil, Gas, and Geothermal Team Report to the Vice President's Task Force. B-5 Exemption - Deliberative process, redacted information reflecting the writer's questions, comments, recommendations or suggestions relating to development of the NEP. Includes an undated, handwritten note created during the course of responding to the FOIA, erroneously included with responsive documents. 4 pages. #6619-6622 Released in Part
1113. Document entitled "Oil, Gas and Geothermal Team Report, dated March 3, 2002. B-5 Exemption - Deliberative Process, withheld draft of NEP chapter, reflects comments, recommendations, and thought processes of persons preparing the NEP. 23 pages. #6623-6645 Withheld
1114. Document entitled "EPA's New Source Review Program," dated May 2, 2001. B-5 Exemption - Deliberative Process. Position paper withheld containing proposed recommendations, views, discussions or factual background pertaining to drafting of NEP. 2 pages. #6646-6647 Withheld
1115. Email to Margot Anderson from Jean Vernet, dated April 2, 2001, with one attachment (Bates #6650). Subject: FW: Final 1-pager on 3-pollutant strategy. B-5 Exemption - Redacted deliberative process, information reflecting the writer's questions, comments, recommendations or suggestions relating to development of the NEP. 2 pages. #6648-6649 Released in Part
1116. Undated document entitled "Three-Pollutant Legislation for the Electric Power Sector." B-5 Exemption - Deliberative Process. Position paper withheld containing proposed recommendations, views, discussions or factual background pertaining to drafting of NEP. 1 page. #6650 Withheld
1117. Email to Jay Braitsch from Margot Anderson, dated March 28, 2001. Subject: RE: Comments on Chapter 10. B-5 Exemption - Redacted deliberative process, information reflecting the writer's questions, comments, recommendations or suggestions relating to development of the NEP. 1 page. #6651 Released in Part

1118. Document entitled "Barriers To Increased Production of Energy Reserves," dated April 18. B-5 Exemption - Deliberative Process, withheld draft of NEP chapter, reflects comments, recommendations, and thought processes of persons preparing the NEP. 12 pages. #6653-6664 Withheld
1119. Undated document entitled "Principles of the National Energy Strategy." B-5 Exemption - Deliberative Process, information withheld reflecting the writer's questions, comments, recommendations, or suggestions relating to development of the NEP. 2 pages. #6712-6713 Withheld
1120. Undated document entitled "Regulatory Finding on the Emissions of Hazardous Air Pollutants From Electric Utility Steam Generating Units." B-5 Exemption - Deliberative Process, information withheld reflecting the writer's questions, comments, recommendations, or suggestions relating to development of the NEP. 2 pages. #6714-6715 Withheld
1121. Undated document entitled "Core Principles for Reliability Legislation." B-5 Exemption - Deliberative Process, information withheld reflecting the writer's questions, comments, recommendations, or suggestions relating to development of the NEP. 12 pages. #6716-6727 Withheld
1122. E-mail attachment, (Bates #6729-6790) draft document entitled "Chapter 3 - Energy Impacts on Families, Communities, and Businesses," dated March 27. B-5 Exemption - B-5 Exemption - Deliberative Process, information reflecting the writer's questions, comments, recommendations, or suggestions relating to development of the NEP. 9 pages. #6729-6737 Withheld
1123. E-mail attachment, draft document entitled "Chapter 6 - Increasing Energy Efficiency," dated March 25. B-5 Exemption - Deliberative Process, information withheld reflecting the writer's questions, comments, recommendations, or suggestions relating to development of the NEP. 19 pages. #6738-6756 Withheld
1124. E-mail attachment, draft document entitled "Chapter 7 - Alternative and Renewable Energy," dated March 28. B-5 Exemption - Deliberative Process, information withheld reflecting the writer's questions, comments, recommendations, or suggestions relating to development of the NEP. 13 pages. #6757-6769 Withheld
1125. E-mail attachment, draft document entitled "Chapter 8 - Increased Production of U.S. Energy Resources," dated March 24. B-5 Exemption - Deliberative Process, information withheld reflecting the writer's questions, comments, recommendations, or suggestions relating to development of the NEP. 21 pages. #6770-6790 Withheld
1126. E-mail to Robert Kripowicz and Kevin Kolevar from Margot Anderson, dated April 3, 2001. Subject: RE: Integrating GHG Reduction into the NEP. B-5 Exemption - Deliberative Process, information withheld reflecting the writer's questions, comments,

- recommendations, or suggestions relating to development of the NEP. 1 page. #6791
Release in Part
1127. Draft document entitled "Recommendations for the National Energy Policy Development Group," dated June 29, 2001. B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 3 pages. #6792-6794 Withheld
1128. E-mail to Charles Smith from Margot Anderson, dated April 4, 2001. Subject: comments on chapter 10, with three attachments (Bates #s 6796-6813) B-5 Exemption - Information redacted consists of deliberative and pre-decisional comments, views, recommendations, and advice on documents relating to NEPDG. 1 page. #6795
Released in Part
1129. Undated document entitled "Cht 10 DOE(IA) April 4.doc - Asia." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #6796 Withheld
1130. Undated document entitled "EIA comments March 30.doc." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #6797 Withheld
1131. Draft document entitled "Section 10 - National Energy Security and International Affairs - Overview/Introduction," dated March 27. B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 16 pages. #6798-6813 Withheld
1132. E-mail to Charles Smith from Margot Anderson, dated April 4, 2001. Subject: more comments on chapter 10, with one attachment (Bates #6815-6829). B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. #6814
Released in Part
1133. Email attachment entitled "Section 10 - National Energy Security and International Affairs." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 15 pages. #6815-6829 Withheld
1134. E-mail to Andy Kydes from Margot Anderson, dated April 4, 2001. Subject: RE: Chapter 3 - 3/27 version. B-5 Exemption - Information redacted consists of deliberative material

- reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 3 pages #6830-6832 Released in Part
1135. E-mail to Trevor Cook from Margot Anderson, dated April 4, 2001. Subject: RE: Need help with one of the goals. B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #6833 Withheld
1136. Document entitled "Appendix to the Near-Term National Energy Policy Development Group Report." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 12 pages. #6834-6845 Withheld
1137. E-mail to Joseph Kelliher from Margot Anderson, dated February 12, 2001. Subject: RE: NEPD Outlines. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 4 pages. #6846-6849 Released in Part
1138. E-mail to Cathy Tripodi from Guido DeHoratiis, dated May 3, 2001, with one attachment (Bates #6851). Subject: Natural gas off limits. B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #6850 Withheld
1139. E-mail attachment entitled "According to the National Petroleum Council Report on natural gas (December 1999)." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #6851 Withheld
1140. E-mail to Joseph Kelliher from Margot Anderson, dated March 26, 2001. Subject: FW: q from Joe Kelliher. B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #6852-6853 Withheld
1141. E-mail to Joseph Kelliher from Margot Anderson, dated March 26, 2001. Subject: FW: quick comments on list of policies. 2 pages. #6854-6855 Released
1142. E-mail to Joseph Kelliher from Robert Kripowicz, dated April 2, 2001. Subject: FW: interim report on coal transportation issues. B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #6856-6857 Withheld
1143. E-mail to Joseph Kelliher from Robert Kripowicz, dated April 5, 2001. Subject: FW: RR Rates and Regs, as They Apply to Coal Power Plants, Possible Recommendation. B-5

Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #6858-6859 Released in Part

1144. E-mail to Joseph Kelliher from Kevin O'Donovan, dated April 3, 2001. Subject: RE: coal transportation. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #6860 Released in Part
1145. E-mail to Joseph Kelliher from Robert Kripowicz, dated April 3, 2001, with one attachment (Bates #6862-6862). Subject: FW: Railroad issues. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #6861 Released in Part
1146. E-mail attachment entitled "Potential Railroad Issues." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #6862-6863 Withheld
1147. Undated document entitled "Impediments to Increase Production of Conventional Energy Resources." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 4 pages. #6864-6867 Withheld
1148. E-mail to Michelle Poche from Margot Anderson, dated April 5, 2001. Subject: RE: DOE comments and new oil refinery section. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #6868-6869 Released in Part
1149. E-mail to Joseph Kelliher from Lorie Schmidt, dated April 24, 2001, with one attachment (Bates #6871-6872). Subject: NEPD Recommendations. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #6870 Released in Part
1150. E-mail attachment "Issue: New Source Review," dated April 24, 2001. B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #6871 Withheld
1151. E-mail attachment entitled "Appliance Standards/Labeling." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of

- commenting, recommending and revising draft documents relating to NEPDG. 1 page.
#6872 Withheld
1152. Undated document entitled "Why have gasoline prices spiked?" B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages.
#6876-6877 Withheld
1153. Undated document entitled "Corporate Average Fuel Economy (CAFE) Standards." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #6878 Withheld
1154. Undated document entitled "Reprocessing of Spent Nuclear Fuel and the Vitrification of High Level Waste." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #6879-6880 Withheld
1155. Document entitled "High Gas and Power Prices: Why?," dated March 1, 2001. B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 3 pages. #6881-6883 Withheld
1156. Undated document entitled "National Energy Plan." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 6 pages. #6884-6889 Withheld
1157. Undated document entitled "National Energy Plan." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 14 pages. #6890-6895 Withheld
1158. Undated document entitled "Reformulated Gasoline and Boutique Fuels." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 4 pages. #6896-6899 Withheld
1159. Undated document entitled "Electricity." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 11 pages. #6900-6910 Withheld

1160. Document entitled "Draft," dated March 6, 2002. Subject: Impact of Energy Issues on Various Sectors. B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 15 pages. #6911-6925 Withheld
1161. Handwritten filler page prepared during review of documents for FOIA purposes. 1 page. #6926 Non-responsive
1162. Undated document entitled "Reformulated Gasoline and Boutique Fuels," with one attachment (Bates #6944-6947). B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 16 pages. #6927-6942 Withheld
1163. E-mail with one attachment (6944-6947) to Joseph Kelliher from Scott Miller, dated March 27, 2001. Subject: Item for your review. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #6943 Released in Part
1164. E-mail attachment entitled "Immediate Policy Need." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 4 pages. #6944-6947 Withheld
1165. E-mail to Jeremy Symons from Margot Anderson, dated March 30, 2001, with one attachment (Bates #6951-6952). Subject: RE: Urgent 1 pagers for NEPD. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 3 pages. #6948-6950 Released in Part
1166. E-mail attachment entitled "Three-Pollutant Legislation for the Electric Power Sector," dated March 30, 2001. B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #6951-6952 Withheld
1167. Memorandum to The Chief of Staff from Steven V. Cary, dated April 2, 2001, with three attachments (Bates #6954-6962). Subject: Information: External Regulation of DOE by NRC. 1215. E-mail to John Pryor from Margot Anderson, dated March 30, 2001. Subject: RE: OCS one pager [Virus Checked]. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #7185-7186 Released in Part
1216. Undated document entitled "Increased Production of Traditional Energy Resources (Oil Gas, Coal, Nuclear, Hydro, Electricity)." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #7189-7190 Withheld
1217. E-mail to Jay Braitsch from Margot Anderson, dated February 12, 2001. Subject: FW: Impediments to Conventional Energy Production. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #7191 Released in Part
1218. E-mail to Joseph Kelliher from Margot Anderson, dated February 12, 2001. Subject: RE: Outline for NEPD Report on Energy Efficiency. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #7192 Released in Part

1219. E-mail to Joseph Kelliher from Margot Anderson, dated February 12, 2001. Subject: RE: Outline for NEPD Report on Energy Efficiency. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #7193-7194 Released in Part
1220. E-mail to Robert Porter from Margot Anderson, dated February 12, 2001. Subject: RE: Impediments to Conventional Energy Production. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #7195 Released in Part
1221. E-mail to Robert Kripowicz, Robert Porter, MaryBeth Zimmerman, Abe Haspel, William Magwood, from Margot Anderson, dated February 12, 2001, with four attachments (Bates #7198-7211). Subject: Outlines for NES. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #7197 Released in Part
1222. Undated document entitled "B. Protection for Consumers and Low-Income Families." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #7198-7199 Withheld
1223. Undated document entitled "D. Development of Alternative and Renewable Energy Resources and Conservation and Increase Energy Efficiency." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 3 pages. #7200-7202. Withheld
1224. Undated document entitled "Short-Term Energy Supply Disruptions." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 4 pages. #7203-7206 Withheld
1225. Undated document entitled "Impediments to Increased Production of Conventional Energy Resources. B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 5 pages. #7207-7211 Withheld
1226. E-mail to Robert Porter from Margot Anderson, dated February 12, 2001. Subject: RE: DOT Paper. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #7212 Released in Part

1227. E-mail to Robert Porter from Margot Anderson, dated February 13, 2002. Subject: FW: Outlines: regional information. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #7213 Released in Part
1228. E-mail to Tracy Terry from Margot Anderson, dated February 13, 2001. Subject: FW: Outlines : regional information. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #7214 Released in Part
1229. Undated document entitled "Energy Efficiency - Setting A quantitative Goal." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #7216-7217 Withheld
1230. E-mail to Larry Pettis from Margot Anderson, dated February 13, 2001, with one attachment (Bates #7219-7220). Subject: RE: Outlines: regional information. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #7218 Released in Part
1231. Undated document entitled "Regional Issues Relating to Short-Term Energy Supply Disruptions and Increased Production of Traditional Energy Resources." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #7219-7220 Withheld
1232. E-mail attachment entitled "Energy Efficiency - Setting A Quantitative Goal." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #7222-7223 Withheld
1233. Email attachment entitled "National Energy Policy." B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 3 pages. #7227-7229 Released in Part
1234. E-mail attachment entitled "Section 1 - Short-Term Energy Supply Disruption." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 3 pages. #7230-7232 Withheld
1235. E-mail attachment entitled "Section 2 - Protection for Consumers and Low-Income Families." B-5 Exemption - Information withheld consists of deliberative material

reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #7233-7234 Withheld

1236. E-mail attachment entitled "Section 3 - Economic Impact of Energy". B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 3 page. #7235-7237 Withheld
1237. E-mail attachment entitled "Section 4 - Development of Alternative and Renewable Energy Resources and Conservation and Increase Energy Efficiency." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 5 pages. #7238-7242 Withheld
1238. E-mail attachment entitled "Section 5 - Impediments to Increased Production of Conventional Energy Resources." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 5 pages. #7243-7247 Withheld
1239. E-mail attachment entitled "Section 6 - Infrastructure Investment, Integrity and Safety." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 5 pages. #7248-7252 Withheld
1240. E-mail attachment entitled "Section 7 - National Energy Security & International Affairs." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 3 pages. #7253-7255 Withheld
1241. E-mail to William Magwood from Margot Anderson, dated February 14, 2001. Subject: RE: draft NEP instructions. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #7256-7257 Released in Part
1242. E-mail to William Magwood from Margot Anderson, dated February 14, 2001. Subject: Clarification: you NEP instructions. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #7258 Released in Part
1243. E-mail to William Magwood from Margot Anderson, dated February 14, 2001. Subject: Re: Clarification: you NEP Instructions. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #7259-7260 Released in Part

1244. E-mail to William Magwood from Margot Anderson, dated February 14, 2001 with one attachment (7263-7277). Subject: Re: draft NEP Instructions. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #7261- 7262 Released in Part
1245. E-mail attachment entitled "U.S. Energy Supply and Demand Overview." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 15 pages. #7263-7277 Withheld
1246. E-mail to Margot Anderson from Douglas Carter, dated March 5, 2001. Subject: NEP options template. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #7279 Released in Part
1247. E-mail to Margot Anderson from Andy Kydes, dated March 5, 2001. Subject: RE: thanks and a request. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #7280 Released in Part
1248. E-mail to Margot Anderson from Andy Kydes, dated March 5, 2001. Subject: RE: thanks and a request. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #7281 Released in Part
1249. E-mail attachment entitled "National Energy Policy: Guidelines to Authors," dated February 14, 2001. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 3 pages. #7283-7285 Released in Part
1250. E-mail to Margot Anderson from William Bettenberg, dated April 6, 2001, with two attachments (Bates #7287-7312). Subject: Re: comments on chapter 6 and 7 [Virus checked]. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #7286 Released in Part
1251. E-mail attachment entitled "Chapter 6 - Increasing Energy Efficiency," dated March 25. B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 19 pages. #7287-7305 Withheld

1252. E-mail attachment entitled "Chapter 7 - Alternative and Renewable Energy," dated April 6, 2001. B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 7 pages. #7306-7312 Withheld
1253. E-mail attachment entitled "National Energy Policy: Guidelines to Authors, 2/14/01," dated February 15, 2001. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 3 pages. #7314-7316 Released in Part
1254. E-mail attachment entitled "Comments on Section 3 – Economic Impact of Energy (Ron Earley)." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #7318 Withheld
1255. E-mail to Larry Pettis from Margot Anderson, dated February 15, 2001. Subject: RE: Comments on Section 3. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #7323 Released in Part
1256. E-mail to Margot Anderson from Andy Kydes, dated March 5, 2001. Subject: Re: thanks and a request. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #7324 Released in Part
1257. E-mail to MaryBeth Zimmerman from Margot Anderson, dated February 15, 2001, with two attachments not attached. Subject: stuff from EPA for you. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #7325 Released in Part
1258. E-mail to Margot Anderson from Jeremy Symons, dated March 5, 2001, with two attachments (one attached Bates #7327). Subject: EPA comments on energy efficiency chapter. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #7326 Released in Part
1259. E-mail attachment to e-mail to Margot from Jeremy Symons, dated March 5, 2001. Subject: A couple of general comments. B-5 Exemption - Deliberative Process, information reflecting the writer's questions, comments, recommendations, or suggestions relating to development of the NEP. 1 page. #7327 Released in Part

1260. E-mail attachment entitled "Section 5 now 6 : Impediments in Increased Production of Conventional Energy Resources." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #7329-7330 Withheld
1261. E-mail attachment entitled "Energy Efficiency Chapter." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 8 pages. #7331-7338 Withheld
1262. E-mail attachment entitled "Energy Efficiency." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #7340-7341 Withheld
1263. E-mail attachment entitled "Nuclear Power." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #7343-7344 Withheld
1264. E-mail to Richard Bradley from Margot Anderson, dated February 16, 2001, with one attachment not attached. Subject: FW: SECTION 7. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #7345 Released in Part
1265. E-mail to Richard Bradley from Margot Anderson, dated February 16, 2001, with one attachment (Bates #7347-7354). Subject: Section 7. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #7346 Released in Part
1266. Undated document entitled "Section 7- National Energy Security & International Affairs." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 8 pages. #7347-7354 Withheld
1267. E-mail to Tracy Terry from Margot Anderson, dated February 16, 2001. Subject: RE: Chapter 2 comments. One Attachment Bates # 7356-7358. B-6 Exemption - Information redacted to protect the privacy of individuals. 1 page. #7355 Released in Part
1268. E-mail attachment Document entitled "Chapter 7: Development of Renewable Energy and Alternative Energy," dated July 26, 2001. B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 3 pages. #7356-7358 Withheld

1269. E-mail attachment entitled "Chapter 6- Increasing Energy Efficiency," dated July 26, 2001. B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 8 pages. #7361-7368 Withheld
1270. E-mail to MaryBeth Zimmerman from Margot Anderson, dated February 16, 2001. Subject: RE: Chapter 4 (again). B-6 Exemption - Information redacted to protect the privacy of individuals. 1 page. #7369 Released in Part

1322. E-mail attachment entitled "DOE Comments: Chapter 5." B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 3 pages. #7633-7635 (7635 Blank page) Withheld
1323. E-mail attachment entitled "DOE Comments: Chapter 4." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 4 pages. #7636-7639 (7639 Blank page) Withheld
1324. E-mail to Charles Smith from Margot Anderson, dated February 28, 2001, with one attachment (Bates #7641). Subject: the regional map. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #7640 Released in Part
1325. E-mail attachment entitled "Regional Energy Issue." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #7641 Withheld
1326. E-mail to Joseph Kelliher from Margot Anderson, dated February 28, 2001. Subject: RE: Section 3 - Economic Impact. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #7642-7643 Released in Part
1327. E-mail to Joseph Kelliher from Margot Anderson, dated February 28, 2001. Subject: RE: Section 3 - Economic Impact. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #7644 Released in Part

1328. E-mail to Abe Haspel from Joseph Kelliher, dated March 11, 2001. Subject: distribute generation demonstration project. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #7646 Released in Part
1329. E-mail to James Hart from Margot Anderson, dated February 28, 2001. Subject: RE: Section 3 - Economic Impact of Energy. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #7647 Released in Part
1330. E-mail attachment entitled "Chapter 5 - Economic Impact of Energy Price Increases," dated July 7, 2001. B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 15 pages. #7649-7663 Withheld
1331. E-mail to Joseph Kelliher from Margot Anderson, dated February 28, 2001, with one attachment (Bates #7665-7682). Subject: at last. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #7664 Released in Part
1332. E-mail attachment entitled "Introduction: U.S. Energy Supply and Demand Overview." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 18 pages. #7665-7682 Withheld
1333. E-mail attachment entitled "U.S. Energy Supply and Demand Overview." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 15 pages. #7684-7698 Withheld
1334. E-mail attachment entitled "Electricity Generation in 1999 (3.7 trillion kilowatthours)." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #7699 Withheld
1335. E-mail attachment entitled "Electricity Generation in 2020 (5.3 trillion kilowatthours)." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #7700 Withheld
1336. E-mail to Margot Anderson from Jeffrey Stier, dated March 6, 2001. Subject: RE: template. B-5 Exemption - Information redacted consists of deliberative material

- reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #7701-7702 Released in Part
1337. E-mail to Margot Anderson from Paul Kondis, dated March 6, 2001, with one attachment (Bates #7704-7705). Subject: Revised 1999 Electricity Generation figure. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #7703 Released in Part
1338. E-mail attachment entitled "Electricity Generation in 1999 (3.7 trillion kilowatthours)." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #7704-7705 Withheld
1339. E-mail to Margot Anderson from Paul Kondis, dated March 6, 2001, with one attachment (Bates #7707-7708). Subject: new revision of same two slides. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #7706 Released in Part
1340. E-mail attachment entitled "Electricity Generation in 1999 (3.7 trillion kilowatthours)." B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #7707-7708 Released in Part
1341. E-mail to Kevin O'Donovan from Joseph Kelliher, dated April 10, 2001. Subject: CERA. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #7709 Released in Part
1342. E-mail to Margot Anderson from Andy Kydes, dated March 6, 2001. Subject: FW: National Energy Policy Paper. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 3 pages. #7710-7712 Released in Part
1343. E-mail to Margot Anderson from MaryBeth Zimmerman, dated March 6, 2001, with one attachment (Bates #7714-7715). Subject: Energy Intensity source. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #7713 Released in Part
1344. E-mail attachment entitled "Energy Intensity improvements." B-5 Exemption - Information withheld consists of deliberative material reflecting the process of

- commenting, recommending and revising draft documents relating to NEPDG.
2 pages. #7714-7715 Withheld
1345. E-mail to Margot Anderson from Andy Kydes, dated March 5, 2001. Subject: RE: thanks and a request. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #7716 Released in Part
1346. E-mail to Margot Anderson from Andy Kydes, dated March 5, 2001. Subject: thanks and a request. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #7717 Released in Part
1347. E-mail to Margot Anderson from Douglas Carter, dated March 5, 2001. Subject: NEP options template. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #7719 Released in Part
1348. E-mail to Margot Anderson from Andy Kydes, dated March 5, 2001. Subject: RE: thanks and a request. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #7720 Released in Part
1349. E-mail to Margot Anderson from Jacob Moss, dated April 10, 2001, with one attachment (Bates #7724-7740). Subject: edit to Ch.7. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #7723 Released in Part
1350. Undated filler page with handwritten note prepared during review of documents for FOIA purposes. 1 page. #7724 Non-responsive
1351. E-mail attachment entitled "Chapter 7 - Alternative and Renewable Energy." Subject: B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG.
16 pages. #7725-7740 Withheld
1352. E-mail to Margot Anderson from Andy Kydes, dated March 6, 2001. Subject: RE: National Energy Policy Paper. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 4 pages. #7741-7744 Released in Part
1353. E-mail to Margot Anderson from Jeremy Symons, dated March 5, 2001, with two attachments (Bates #s7746-7749). Subject: EPA comments on energy efficiency chapter.

- B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #7745 Released in Part
1354. E-mail to Margot Anderson from Jeremy Symons, dated March 5, 2001. Subject: A couple of general comments.... B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #7746 Released in Part

- containing proposed recommendations, views, discussion or factual background pertaining to drafting of NEP. 2 pages. #8942-8943 Withheld
1606. E-mail to Robert Kripowicz from Margot Anderson, dated August 2, 2001, with one attachment (Bates #8945-8946). Subject: 3 P follow-up. B-5 Exemption - redacted pre-decisional document. Transmits attachment. Transmitting document contains views, comments, or recommendations pertaining to drafting of NEP. 1 page. #8944 Released in Part
1607. Undated document entitled "Issue: Treatment of Renewables In A Three Pollutant Approach." B-5 Exemption - Withheld. Pre-decisional position paper containing proposed recommendations, views, discussion or factual background pertaining to drafting of NEP. 2 pages. #8945-8946 Withheld
1608. E-mail to Joseph Kelliher to Trevor Cook, dated July 6, 2001, with one attachment (Bates #8948-8949). Subject: A few more ideas and changes. B 5 Exemption - Staff deliberations redacted. 1 page. #8947 Released
1609. Undated document entitled "Reprocessing Talking Points." B-5 Exemption - Withheld. Pre-decisional position paper containing proposed recommendations, views, discussion or factual background pertaining to drafting of NEP. 2 pages. #8948-8949 Withheld
1610. E-mail to Joseph Kelliher from Margot Anderson, dated June 29, 2001. Subject: NEP recommendation confusion. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #8951 Released in Part
1611. Undated document entitled "NEP Legislative Priorities." B-5 Exemption - Withheld. Pre-decisional policy recommendations for NEP. 2 pages. #8953-8954 Withheld
1612. E-mail to Cathy Tripodi from Margot Anderson, dated June 21, 2001. Subject: CAFÉ stuff. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #8955 Released in Part
1613. Undated document entitled "10 Renewable Energy." B-5 Exemption - Withheld, pre-decisional materials. Draft graphics considered by use by NEPDG in drafting the NEP. 2 pages. #8957-8958 Withheld
1614. E-mail to Lee Otis from Jean Vernet, dated June 9, 2001. Subject: NEP NSR Review. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #8990 Released in Part

1615. E-mail to Lee Otis from Jean Vernet, dated June 7, 2001. Subject: Update on NEP NSR Review. B-5 Exemption - redacted, pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 2 pages. #8991-8992 Released in Part
1616. E-mail to Margot Anderson from Jean Vernet, dated June 5, 2001. Subject: Update on NEP NSR Review. B-5 Exemption - redacted, pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #8993 Released in Part
1617. Untitled document, dated May 4, 2001. Subject: Listing of States. B-5 Exemption - Document withheld because it contains pre-decisional comments related to the development of the NEP. 1 page. #8994 Withheld
1618. Undated draft letter to The Honorable Gale Norton, Secretary, U.S. Department of Interior, from Christine Todd Whitman, with one enclosure (Bates #8996). Subject: May 17th report of the National Energy Policy Development Group. B-5 Exemption - Document withheld because it is a draft letter containing pre-decisional comments related to the development of the NEP. 1 page. #8995 Withheld
1619. Undated document entitled "Work Plan for Review of Impact of New Source Review Regulations on Investment in New Utility and Refinery Generation Capacity, Energy Efficiency and Environmental Protection." B-5 Exemption - Document withheld because it contains pre-decisional comments related to the development of the NEP. 1 page. #8996 Withheld
1620. E-mail to Margot Anderson from Jean Vernet, dated May 29, 2001. Subject: Update: EPA Process for NSR Review under the NEP. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #8997 Released in Part
1621. E-mail to Margot Anderson from Jean Vernet, dated May 23, 2001. Subject: EPA Process for NSR Review under the NEP. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #8998 Released in Part
1622. E-mail to Joseph Kelliher from Jean Vernet, dated May 18, 2001. Subject: New Source Review/National Coal Council Report. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #8999 Released in Part

1623. Undated document entitled "National Energy Policy Highlights for State and Local Governments." B-5 Exemption - Document withheld is a draft summary of pre-decisional drafts of chapters of NEPDG report that was circulated within DOE for review. 4 pages. #9001-9004 Withheld
1624. Undated document entitled "Chapter One. Taking Stock: Energy Challenges Facing the United States." B-5 Exemption - Document withheld consists of deliberative material and analysis reflecting the process of revising draft documents relating to NEPDG. 57 pages. #9006-9062 Withheld
1625. E-mail to Chase Hutto from Kevin Kolevar, dated June 4, 2001, with one attachment (Bates #s9064-9074). Subject: NEP Action Plan. B-6 Exemption - Information redacted to protect the privacy of individuals. 1 page. #9063 Released in Part
1626. Undated and untitled document. Subject: Energy Efficiency. B-5 Exemption - Information withheld consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 11 pages. #9064-9074 Withheld
1627. Undated and untitled document. Subject: Draft of new NEP action plan. B-5 Exemption - Document withheld consists of deliberative material related to the process of drafting documents relating to NEPDG. 8 pages. #9076-9083 Withheld
1628. Undated document entitled "NEP Action Plan." B-5 Exemption - Document withheld is a draft of a timeline for the NEP action plan, containing deliberative material related to the process of drafting documents relating to NEPDG. 4 pages. #9085-9088 Withheld
1629. E-mail to Joseph Kelliher from Matthew Koch, dated May 23, 2001. Subject: Transfer of funds into LIHEAP. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #9089 Released in Part
1630. E-mail to Joseph Kelliher from J. Weisgall, dated May 23, 2001, with one attachment (Bates #9091-9093). Subject: Geothermal recommendations. B-6 Exemption - Information redacted to protect the privacy of individuals. 1 page. #9090 Released in Part
1631. E-mail to Joseph Kelliher from William Magwood, dated May 22, 2001. Subject: Reprocessing Paper. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #9094 Released in Part

1632. E-mail to Joseph Kelliher from Trevor Cook, dated May 22, 2001. Subject: Reprocessing Paper. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #9095 Released in Part
1633. E-mail to Joseph Kelliher from Robert Kripowicz, dated May 22, 2001, with one attachment (Bates #9097-9098). Subject: CCT Successes. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #9096 Released in Part
1634. Undated document entitled "Building on Clean Coal Successes." B-5 Exemption - Withheld. Pre-decisional position paper containing views, discussion and factual background pertaining to drafting of NEP. 2 pages. #9097-9098 Withheld
1635. E-mail to Joseph Kelliher from Robert Kripowicz, dated May 22, 2001, with two attachments (Bates #9100-9105). Subject: NCC Report. B-5 Exemption - withheld, redacted, or deleted, pre-decisional document. Transmits attachment. Transmitting document contains views, comments, or recommendations pertaining to drafting of NEP. 1 page. #9099 Released in Part
1636. Undated document entitled "Overview of National Coal Council Report: Improving the Availability of Electricity from Coal-Fired Power Plants." Withheld. Pre-decisional position paper containing proposed recommendations, views, discussion and factual background pertaining to drafting of NEP. 2 pages. #9100-9101 Withheld
1637. Undated document entitled "Executive Summary." B-5 Exemption - Document withheld consists of a draft of an executive summary of a study, containing proposed recommendations pertaining to drafting of NEP. 4 pages. #9102-9105 Withheld
1638. E-mail to Kevin Kolevar from Margot Anderson, dated May 22, 2001, with two attachments (Bates #9107-9109). Subject: NEP Implementation. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #9106 Released in Part
1639. Undated document entitled "National Academy of Sciences Review - Benefits of DOE R&D on Energy Efficiency and Fossil Energy." B-5 Exemption - Document withheld is a draft description of a National Academy of Science review containing comments which may pertain to drafting of NEP. 1 page. #9107 Withheld
1640. Undated document entitled "R&D Council U.S. Department of Energy." B-5 Exemption - Document withheld is a draft description of DOE's R&D Council containing comments

and recommendations which may pertain to drafting of NEP. 2 pages. #9108-9109
Withheld

1641. Undated document entitled "Summary of Chapter Seven." B-5 Exemption - Withheld. Pre-decisional draft of Chapter of NEPDG report that was circulated within DOE for review. 5 pages. #9111-9115 Withheld
1642. Undated document entitled "Using Energy Wisely." B-5 Exemption - Withheld, B-5 exemption. Pre-decisional summary of draft of Chapter Four of NEPDG report that was circulated within DOE for review. 2 pages. #9117-9118 Withheld
1643. E-mail to Margot Anderson from Andy Kydes, dated May 4, 2001. Subject: Need information. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 2 pages. #9119-9120 Released in Part
1644. E-mail to Margot Anderson from Tom Kimbis, dated May 4, 2001. Subject: Revisions to Renewables Chapter. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 3 pages. #9121-9123 Released in Part
1645. E-mail to Margot Anderson from Andy Kydes, dated May 4, 2001. Subject: Need information. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 3 pages. 2 pages. #9124-9125 Released in Part
1646. E-mail to Margot Anderson from Tom Kimbis, dated May 4, 2001. Subject: Revisions to Renewables Chapter. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 2 pages. #9126-9127 Released in Part
1647. E-mail to Margot Anderson from Tom Kimbis, dated May 3, 2001. Subject: Revisions to Renewable Chapter. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 2 pages. #9128-9129 Released in Part
1648. E-mail to Margot Anderson from Tom Kimbis, dated May 3, 2001, with one attachment (Bates #9131). Subject: Revisions to Renewables Chapter. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #9130 Released in Part

1649. Draft graphic entitled "Schematic of a CHP System." B-5 Exemption - Withheld document consists of a draft pre-decisional and deliberative graphic for the NEP. 1 page # 9131 Withheld
1650. E-mail to Margot Anderson from Douglas Carter, dated May 2, 2001. Subject: High cost of oil production. B-5 Exemption - Withheld, redacted, or deleted, pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #9132 Released in Part
1651. E-mail to Margot Anderson from Andy Kydes, dated May 1, 2001, with one attachment (Bates #9134-9151). Subject: Final suggestions/checks on Infrastructure Chapter. B-5 Exemption - Information redacted consists of deliberative material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #9133 Released in Part
1652. Undated document entitled "America's Energy Infrastructure: A Comprehensive Delivery System." B-5 Exemption - Withheld. Pre-decisional position paper containing proposed recommendations, views, discussion or factual background pertaining to drafting of NEP. 18 pages. #9134-9151 Withheld
1653. E-mail to Margot Anderson from Andy Kydes, dated May 1, 2001. Subject: NULL. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 2 pages. #9152-9153 Released in Part
1654. E-mail to Joseph Kelliher from Jean Vernet, dated May 1, 2001, with one attachment not attached. Subject: NSR. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 2 pages. #9154-9155 Released in Part
1655. E-mail to Margot Anderson from Christopher Freitas, dated May 1, 2001, with one attachment not attached. Subject: Infrastructure. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #9156 Released in Part
1656. E-mail to Margot Anderson from Joseph Kelliher, dated May 1, 2001, with one attachment not attached. Subject: Infrastructure. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #9157 Released in Part
1657. E-mail to Margot Anderson from Andy Kydes, dated May 1, 2001. Subject: Going to Press: Clean up of Chapter 1. B-5 Exemption - Redacted pre-decisional document

- reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 2 pages. #9158-9159 Released in Part
1658. E-mail to Margot Anderson from Douglas Carter, dated May 1, 2001. Subject: Chapter 3 - Coal Gasification Intro. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 2 pages. #9160-9161 Released in Part
1659. E-mail to Joseph Kelliher from Douglas Carter, dated May 1, 2001. Subject: Clean Coal. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 2 page. #9162-9163 Released in Part
1660. E-mail to Douglas Cater from Joseph Kelliher, dated May 1, 2001. Subject: Clean Coal. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 2 pages. #9164-9165 Released in Part
1661. E-mail to Margot Anderson from Douglas Carter, dated May 1, 2001. Subject: Clean Coal. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 2 pages. #9166-9167 Released in Part
1662. E-mail to Margot Anderson from Douglas Carter, dated May 1, 2001, with one attachment (Bates #9169). Subject: Clean Coal. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #9168 Released in Part
1663. Undated document entitled "Clean Coal Technology Program." B-5 Exemption - Withheld, B-5 exemption. Pre-decisional portion of draft of Chapter of NEPDG report that was circulated within DOE for review. 1 page. #9169 Withheld
1664. Undated and untitled document. Subject: Safe Nuclear Power Plant. B-5 Exemption - Withheld, B-5 exemption. Pre-decisional draft of portion of Chapter of NEPDG report that was circulated within DOE for review. 1 page. #9171 Withheld
1665. E-mail to Margot Anderson from Douglas Carter, dated May 1, 2001. Subject: Chapter 5 fact check. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #9172 Released in Part
1666. E-mail to Margot Anderson from Joseph Kelliher, dated May 1, 2001. Subject: Nuclear Safety. B-5 Exemption - Redacted pre-decisional document reflecting questions,

- comments, recommendations, suggestions, or processes relating to the development of the NEP.1 page. #9173 Released in Part
1667. E-mail to William Magwood from Joseph Kelliher, dated May 1, 2001. Subject: Nuclear Safety. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP.1 page. #9174 Released in Part
1668. E-mail to Margot Anderson from Joseph Kelliher, dated April 30, 2001. Subject: Clean Coal. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP.1 page. #9175 Released in Part
1669. E-mail to Robert Kripowicz from Joseph Kelliher, dated April 30, 2001. Subject: Clean Coal. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #9176 Released in Part
1670. E-mail to Margot Anderson from Andy Kydes, dated April 30, 2001, with one attachment not attached. Subject: Information needed for Chapter 5 by 3:00 Today. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP.3 pages. #9177-9179 Released in Part
1671. E-mail to Margot Anderson from Joseph Kelliher, dated June 25, 2001. Subject: NEP Meetings. B-5 Exemption - Redacted pre-decisional document reflecting questions and processes relating to the development of the NEP. 1 page. #9180 Released in Part
1672. E-mail to Joseph Kelliher from Margot Anderson, dated June 26, 2001. Subject: More meetings. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, or processes relating to the development of the NEP. 1 page. #9181 Released in Part
1673. E-mail to Margot Anderson from Joseph Kelliher, dated June 26, 2001. Subject: RE: More meetings. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, or processes relating to the development of the NEP. 1 page. #9182 Released in Part
1674. E-mail to Joseph Kelliher from Margot Anderson, dated June 26, 2001. Subject: RE: Meetings. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, or processes relating to the development of the NEP. 1 page. #9183 Released in Part

1675. Undated document entitled "Legislative History of Federal Eminent Domain Authority Over Interstate Natural Gas Pipelines." B-5 Exemption - Withheld. Pre-decisional position paper containing proposed recommendations, views, discussion or factual background pertaining to drafting of NEP. 5 pages. #9184-9188 Withheld
1676. Document entitled "NERC Reliability Legislation Revised Final," dated August 21, 2001. B-5 Exemption - Document withheld is pre-decisional draft of legislation relating to the development of the NEP. 16 pages. #9189-9204 Withheld
1677. E-mail to Margot Anderson from Michelle Poche, dated March 26, 2001. Subject: DOT Comments. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 4 pages. #9205-9208 Released in Part

1700. Undated viewgraph entitled "Percentage Increase of Households Requesting Public Assistance for Gas Bills, from Winter 1999-2000 to Winter 2000-01. B-5 Exemption -

- Withheld, pre-decisional materials. Graphic considered by use by NEPDG in drafting the NEP.1 page. #9344 Withheld
1701. Undated document entitled "National Energy Policy Assessment (NEPA) Outline for Chapter 2: Impacts on Energy Consumers and Low-Income Families." B-5 Exemption - Withheld, B-5 exemption. Pre-decisional draft outline of Chapter of NEPDG report that was circulated within DOE for review.2 pages. #9345-9346 Withheld
 1702. E-mail to CZMBZ from MaryBeth Zimmerman, dated February 16, 2001, with four attachments not attached. Subject: NEP draft 1. B-5 Exemption -withheld, redacted, or deleted, pre-decisional document. Transmits attachment. Transmitting document contains views, comments, or recommendations pertaining to drafting of NEP. 3 pages. #9347-9349 Released in Part
 1703. E-mail to Margot Anderson from MaryBeth Zimmerman, dated March 26, 2001, with one attachment (Bates #9351). Subject: 1 small change in efficiency graphic. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #9350 Released in Part
 1704. Undated viewgraph entitled "Refrigerator-Freezer Energy Factors (Consumption/unit for new shipments, kWh/yr)." B-5 Exemption -Withheld, pre-decisional materials. Graphic considered by use by NEPDG in drafting the NEP. 1 page. #9351 Withheld
 1705. Undated document entitled "Section 5." B-5 Exemption - Document withheld is a pre-decisional deliberative document relating to the drafting of the NEPDG report and was circulated within DOE for responses and comments. 6 pages. #9353-9358 Withheld.
 1706. Undated document entitled "Section 5." B-5 Exemption - Document withheld is a pre-decisional deliberative document relating to the drafting of the NEPDG report and was circulated within DOE for responses and comments. 6 pages. #9359-9364 Withheld.
 1707. Undated document entitled "Section 5." B-5 Exemption - Document withheld is a pre-decisional deliberative document relating to the drafting of the NEPDG report and was circulated within DOE for responses and comments. 6 pages. #9365-9370 Withheld.
 1708. Document entitled "Citations Needed as of May 6, 2001," dated May 6, 2001. B-5 Exemption - Document withheld is a pre-decisional deliberative document commenting on materials relating to drafting the NEPDG report. 2 pages. #9371-9372 Withheld.
 1709. Undated document entitled "Section: Chapter 6." B-5 Exemption - Document withheld is a pre-decisional deliberative document relating to the drafting of the NEPDG report

- and was circulated within DOE for responses and comments. 7 pages. #9374-9380
Withheld.
1710. Undated document entitled "Section: Chapter 7." B-5 Exemption - Document withheld is a pre-decisional deliberative document relating to the drafting of the NEPDG report and was circulated within DOE for responses and comments. 7 pages. #9381-9387
Withheld
1711. Undated document entitled "Section: Chapter 8." B-5 Exemption - Document withheld is a pre-decisional deliberative document commenting on materials relating to drafting the NEPDG report. 8 pages. #9388-9395 Withheld
1712. Undated document entitled "Section: Chapter 2." B-5 Exemption - Document withheld is a pre-decisional deliberative document relating to the drafting of the NEPDG report and was circulated for responses and comments. 6 pages. #9396-9401 Withheld
1713. Undated document entitled "Section 5." B-5 Exemption - Document withheld is a pre-decisional deliberative document commenting on materials relating to drafting the NEPDG report. 12 pages. #9403-9414 Withheld
1714. Undated document entitled "Section: Chapter 4." B-5 Exemption - Document withheld is a pre-decisional deliberative document commenting on materials relating to drafting the NEPDG report. 7 pages. #9415-9421 Withheld
1715. Undated document entitled "Section: Chapter 2." B-5 Exemption - Document withheld is a pre-decisional deliberative document commenting on materials relating to drafting the NEPDG report. 10 pages. #9422-9431 Withheld
1716. Undated document entitled "Section: Chapter 7." B-5 Exemption - Document withheld is a pre-decisional deliberative document relating to the drafting of the NEPDG report and was circulated for responses and comments. 7 pages. #9432-9438 Withheld
1717. Undated document entitled "America's Energy Infrastructure: A Comprehensive Delivery System." B-5 Exemption - Withheld document is a pre-decisional draft related to the NEPDG report which was circulated within DOE for comments, recommendations and revisions. 18 pages. #9439-9456 Withheld
1718. Undated document entitled "U.S. Dependence on Fossil Fuels." B-5 Exemption - Withheld is part of a pre-decisional draft document relating to the NEPDG report which was circulated within DOE for comments, recommendations and revisions. 1 page. #9457 Withheld

1719. Undated document entitled "Fast Checks for Items 69-86." B-5 Exemption - Document withheld is a pre-decisional deliberative document commenting on materials relating to drafting the NEPDG report. 2 pages. #9458-9459 Withheld
1720. Undated document entitled "U.S. Dependence on Fossil Fuels." B-5 Exemption - Withheld is part of a pre-decisional draft document relating to the NEPDG report which was circulated within DOE for comments, recommendations and revisions. 1 page. #9460 Withheld
1721. Undated document entitled "Transportation Fuels Breakdown." B-5 Exemption - Withheld is an internal pre-decisional deliberative document conveying information and analysis. 1 page. #9461 Withheld
1722. E-mail to Geraldine Gerardi from Dina Ellis, dated April 19, 2001. Subject: Energy Tax Proposals. B-5 Exemption -Withheld portion of document consists of an internal deliberative material conveying and requesting input related to topic. 1 page. #9462 Released in Part
1723. Undated document entitled "Electricity." B-5 Exemption - Withheld document is a pre-decisional draft related to the NEPDG report which was circulated within DOE for comments, recommendations and revisions. 1 page. #9463 Withheld
1724. Undated and untitled document. Subject: Improvement in Mileage. B-5 Exemption - Withheld is part of a pre-decisional draft document relating to the NEPDG report which was circulated within DOE for comments, recommendations and revisions. #9464-9465 2 pages. Withheld
1725. Undated document entitled "Chapter 7- Alternative and Renewable Energy." B-5 Exemption - Withheld document is a pre-decisional draft related to the NEPDG report which was circulated within DOE for comments, recommendations and revisions. 13 pages. #9466-9478 Withheld
1726. Undated document entitled "Chapter 7: Development of Renewable Energy and Alternative Energy." B-5 Exemption - Withheld document is a pre-decisional draft with strikeouts and insertions related to the NEPDG report and which was circulated within DOE for comments, recommendations and revisions. 2 pages. #9479-9480 Withheld
1727. Undated document entitled "Section 7, II. National Energy Security, III and International Affairs." 7 pages. B-5 Exemption - Withheld document is a pre-decisional draft related to the NEPDG report which was circulated within DOE for comments, recommendations and revisions. 7 pages. #9481-9487 Withheld

1728. Undated document entitled "Chapter 3 – Energy Impacts on Families, Communities, and Businesses." B-5 Exemption - Withheld document is a pre-decisional draft with strikeouts and insertions related to the NEPDG report and which was circulated within DOE for comments, recommendations and revisions. 6 pages. #9488-9493 Withheld
1729. Undated document entitled "Chapter 3 – Energy Impacts on Families, Communities, and Businesses." B-5 Exemption - Withheld document is a pre-decisional draft with strikeouts and insertions related to the NEPDG report and which was circulated within DOE for comments, recommendations and revisions. 4 pages. #9494-9497 Withheld
1730. Undated document entitled "Chapter 3 – Energy Impacts on Families, Communities, and Businesses." B-5 Exemption - Withheld document is a pre-decisional draft with strikeouts and insertions related to the NEPDG report and which was circulated within DOE for comments, recommendations and revisions. 5 pages. #9498-9502 Withheld
1731. Undated document entitled "Chapter 3 – Energy Impacts on Families, Communities, and Businesses." B-5 Exemption - Withheld document is a pre-decisional draft with strikeouts and insertions related to the NEPDG report and which was circulated within DOE for comments, recommendations and revisions. 5 pages. #9503-9507 Withheld
1732. Undated document entitled "Chapter 3 – Energy Impacts on Families, Communities, and Businesses." B-5 Exemption - Withheld document is a pre-decisional draft with strikeouts and insertions related to the NEPDG report and which was circulated within DOE for comments, recommendations and revisions. 5 pages. #9508-9512 Withheld
1733. Undated document entitled "Chapter 3 – Energy Impacts on Families, Communities, and Businesses." B-5 Exemption - Withheld document is a pre-decisional draft with strikeouts and insertions related to the NEPDG report and which was circulated within DOE for comments, recommendations and revisions. 4 pages. #9513-9516 Withheld
1734. Various undated versions of documents entitled "Chapter 3 – Energy Impacts on Families, Communities, and Businesses." B-5 Exemption - Withheld document is a pre-decisional draft related to the NEPDG report which was circulated within DOE for comments, recommendations and revisions. 24 pages. #9517-9540 Withheld
1735. Undated document entitled "Chapter 9 – Infrastructure Investment, Integrity, and Safety." B-5 Exemption - Withheld document is a pre-decisional draft with strikeouts and insertions related to the NEPDG report and which was circulated within DOE for comments, recommendations and revisions. 25 pages. #9541-9560 Withheld
1736. Undated document entitled "Infrastructure - Investment, Integrity, and Reliability." B-5 Exemption - Withheld document is a pre-decisional draft related to the NEPDG report

- which was circulated within DOE for comments, recommendations and revisions. 2 pages. #9561-5962 Withheld
1737. Undated and untitled document. Subject: Competition in electricity markets. B-5 Exemption - Withheld document is a pre-decisional deliberative document containing analyses and recommendations. 3 pages. #9563-9565 Withheld
1738. Undated document entitled "Nuclear Energy." B-5 Exemption - Withheld document is a pre-decisional deliberative document containing analyses and recommendations. 3 pages. #9566-9568 Withheld
1739. Undated document entitled "DOE Comments on Section 3 – Economic Impact of Energy." B-5 Exemption - Document withheld is a pre-decisional deliberative document commenting on materials relating to drafting the NEPDG report. 3 pages. #9569-9571 Withheld
1740. Undated document entitled "Chapter 8: Increase Production of U.S. Energy Resources." B-5 Exemption - Withheld document is a pre-decisional draft with strikeouts and insertions related to the NEPDG report and which was circulated within DOE for comments, recommendations and revisions. 8 pages. #9572-9579 Withheld
1741. Undated document entitled "Chapter 8: Increased Production of U.S. Energy Resources." B-5 Exemption - Withheld document is a pre-decisional draft related to the NEPDG report which was circulated within DOE for comments, recommendations and revisions. 23 pages. #9580-9602 Withheld
1742. Undated document entitled "Chapter 6 – Increasing Energy Efficiency." B-5 Exemption - Withheld document is a pre-decisional draft related to the NEPDG report which was circulated within DOE for comments, recommendations and revisions. 19 pages. #9603-9621 Withheld
1743. Undated document entitled "Chapter 6 – Increasing Energy Efficiency." B-5 Exemption - Withheld document is a pre-decisional draft with strikeouts and insertions related to the NEPDG report and which was circulated within DOE for comments, recommendations and revisions. 7 pages. #9622-9628 Withheld
1744. Undated document entitled "Chapter 6 - Increasing Energy Efficiency." B-5 Exemption - Withheld is an internal pre-decisional deliberative document conveying comments, information and analysis. 4 pages. #9629-9632 Withheld
1745. Undated and untitled document. Subject: Infrastructure. B-5 Exemption - Withheld document is portion of a pre-decisional draft related to the NEPDG report which was

circulated within DOE for comments, recommendations and revisions. 11 pages. # 9633-9643 Withheld

1746. Undated document entitled "Chapter 9 - Infrastructure - Investment, Integrity, and Reliability." Withheld document is a pre-decisional draft related to the NEPDG report which was circulated within DOE for comments, recommendations and revisions. 15 pages. #9644-9658 Withheld
1747. Undated document entitled "Chapter 9 - Infrastructure - Investment, Integrity, and Reliability." Withheld document is a pre-decisional draft related to the NEPDG report which was circulated within DOE for comments, recommendations and revisions. 14 pages. #9659-9672 Withheld
1748. Undated documents entitled "Chapter 9 - Infrastructure - Investment, Integrity, and Reliability." Withheld documents are three identical pre-decisional drafts related to the NEPDG report which was circulated within DOE for comments, recommendations and revisions. 87 pages. #9673-9759 Withheld
1749. Undated document entitled "Chapter 9 - Infrastructure - Investment, Integrity, and Reliability." Withheld document is a pre-decisional draft related to the NEPDG report which was circulated within DOE for comments, recommendations and revisions. 13 pages. #9760-9772 Withheld
1750. Undated documents entitled "Chapter 9 - Infrastructure - Investment, Integrity, and Reliability." Withheld documents are three identical pre-decisional drafts related to the NEPDG report which was circulated within DOE for comments, recommendations and revisions. 87 pages. #9773-9859 Withheld
1751. Undated document entitled "Chapter 9 - Infrastructure - Investment, Integrity, and Reliability." Withheld document is a pre-decisional draft related to the NEPDG report which was circulated within DOE for comments, recommendations and revisions. 16 pages. #9860-9875
1752. E-mail to Joseph Kelliher from Trevor Cook, dated May 22, 2001, with one attachment (Bates #9877, 9878). Subject: Reprocessing Paper. B-5 Exemption. Withheld portion of document consists of DOE internal pre-decisional communication regarding matters related to the drafting of the NEPDG report. 1 page. #9876 Released in Part
1753. Undated document entitled "Reprocessing of Spent Nuclear Fuel." B-5 Exemption - Withheld is an internal pre-decisional deliberative document conveying information and analysis. 2 pages. #9877-9878 Withheld

1754. Letter to the Honorable Spencer Abraham, Secretary of Energy, from Dale E. Tarrant, dated April 8, 2001. Subject: Interview on This Week. B-6 Exemption - Address and phone number withheld to protect the privacy of the individual. 1 page. #9879 Released in Part
1755. Email to Margot Anderson from Williams Breed, dated March 8, 2001, with one attachment not attached. Subject: NEP ideas. B-5 Exemption - Information redacted consists of deliberative and pre-decisional materials reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #9880 Released in Part
1756. Email to Margot Anderson from Joseph Kelliher, dated March 10, 2001. Subject: S.72. B-5 Exemption - Information redacted consists of deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #9881 Released in Part
1757. Document determined to be non-responsive to the FOIA requests. #9882
1758. Undated document entitled "National Energy Policy - Policy Options 2-page (max) description." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 12 pages. #9883-9894 Withheld
1759. Email to Margot Anderson from Jay Braitsch, dated March 8, 2001, with 18 attachments not attached. Subject: FE's NEP 2pages. B-5 Exemption- Information redacted consists of deliberative and pre-decisional materials reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #9895 Released in Part
1760. Email to Eric Fygi from Joseph Kelliher, dated March 10, 2001. Subject: Appliance Standards. B-5 Exemption- Information redacted consists of deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #9896 Released in Part
1761. Email to Abe Haspel from Joseph Kelliher, dated March 11, 2001. Subject: California questions. B-5 Exemption - Deliberative and pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #9897 Released in Part
1762. Email to Kevin Kolevar from Joseph Kelliher, dated April 12, 2001. Subject: energy tax proposals. B-5 Exemption - Information redacted consists of deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #9898 Released in Part

1763. Document determined to be non-responsive to the FOIA requests. #9899
1764. Undated document entitled "A Four-Pollutant Strategy for Existing Coal-fired Power Plants." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report - 2 pages. #9900-9901 Withheld.
1765. Undated document entitled "Clean Liquid Fuels." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report 2 pages. #9902-9903 Withheld
1766. Undated document entitled "Technology Development to Increase Electricity Production from Existing Coal-fired Power Plants." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 2 pages. #9904-9905 Withheld
1767. Undated document entitled "Access to Oil and Natural Gas Resources on Federal Lands." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 2 pages. #9906-9907 Withheld
1768. Undated document entitled "Develop "Frontier" Resources to Ensure Future Oil and Natural Gas Supply." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 2 pages. #9908-9909. Withheld
1769. Undated document entitled "The Northeast Home Heating Oil Reserve." B-5 Exemption Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 2 pages. #9910-9911 Withheld
1770. Undated document entitled "International Petroleum Markets - Energy Security through Supply Diversity." B-5 Exemption Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 2 pages. #9912-9913 Withheld
1771. Undated document entitled "Technology Development to Increase Electricity Production from New Fossil Fuel-fired Power Plants." B-5 Exemption Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 2 pages. #9914-9915 Withheld

1772. Undated document entitled "Oil And Natural Gas Financial Incentives." B-5 Exemption Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 2 pages. #9916-9917 Withheld
1773. Undated document entitled "Ensuring Secure Reliable Energy Delivery Systems." B-5 Exemption Document withheld because it contains pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 2 pages. #9918-9919 Withheld
1774. Undated document entitled "Expedite Natural Gas and Petroleum Pipeline Permitting." B-5 Exemption Document withheld because it contains pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 2 pages. #9920-9921 Withheld
1775. Undated document entitled "Incentives for Clean Power Generation Technologies." B-5 Exemption Document withheld because it contains pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 2 pages. #9922-9923 Withheld
1776. Undated document entitled "Reducing "1" -of-a-Kind" Risks For New Fossil Fuel Power Technologies (Clean Coal Power Initiative)." B-5 Exemption Document withheld because it contains pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 2 pages. #9924-9925 Withheld
1777. Undated document entitled "Preserving U.S. Refining Viability (Advanced Refining Environmental Technologies)." B-5 Exemption Document withheld because it contains pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 2 pages. #9926-9927 Withheld
1778. Undated document entitled "Streamlining Regulations Affecting Oil and Gas Supply." Document withheld because it contains pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG. 2 pages. 9928-9929 Withheld
1779. Undated document entitled "Expanding Cost-effective Options for Climate Change Mitigation." B-5 Exemption Document withheld because it contains pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG. 2 pages. #9930-9931 Withheld
1780. Undated document entitled "Strategic Petroleum Reserve." B-5 Exemption Document withheld because it contains pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG. 2 pages. #9932-9933 Withheld

1781. Undated document entitled "Sustaining U.S. Oil and Natural Gas Production." B-5 Exemption Document withheld because it contains pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG. 2 pages. #9934-9935 Withheld
1782. Document determined to be non-responsive to FOIA requests. #9937
1783. Undated document entitled " Summary Submissions Draft." B-5 Exemption Document withheld because it contains pre-decisional and deliberative comments, proposed changes, edits, or revisions to a draft chapter of NEPDG 4 pages. #9938-9941 Withheld.
1784. Email to Margot Anderson from William Breed, dated April 13, 2001. Subject: Energy Tax Proposals. B-5 Exemption Redacted, pre-decisional and deliberative document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #9942 Released in Part
1785. Email to Margot Anderson from Joseph Kelliher, dated March 12, 2001. Subject: Prices. B-5 Exemption - Redacted, pre-decisional and deliberative document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #9943 Released in Part
1786. Email to Margot Anderson from Paula Scalingi, dated March 9, 2001. Subject: RE: NEP Goals. B-5 Exemption - Redacted, deliberative and pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 2 pages. #9944-9945 Released in Part
1787. Email to Margot Anderson from Joseph Kelliher, dated March 12, 2001. Subject: RE: NEP Policy Options. B-5 Exemption - Redacted, deliberative and pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #9946 Released in Part
1788. Email to Margot Anderson from Paula Scalingi, dated March 12, 2001. Subject: Policy Options for Infrastructure Goals. B-5 Exemption - Redacted, deliberative and pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 3 pages. #9947-9949 Released in Part
1789. Email to Margot Anderson from Ellen Brown, dated March 9, 2001, with one attachment (Bates #s9952-9953). Subject: chapter 8 Comments. B-5 Exemption - Redacted, pre-decisional and deliberative document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 2 pages. #9950-9951 Released in Part

1790. Undated document entitled "Margot." Subject: Chapter 8 Comments. B-5 Exemption - Document redacted because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 2 pages. #9952-9953 Released in Part
1791. Email to Margot Anderson from Kmurphy@doc.gov, dated April 13, 2001. Subject: Chapter 8 Edits. B-5 Exemption- Redacted, deliberative and pre-decisional and deliberative document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #9954 Released in Part
1792. Email to Margot Anderson from Kevin O'Donovan, dated March 9, 2001. Subject: Re: FW: NEP News. B-5 Exemption - Redacted, deliberative and pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 2 pages. #9955-9956 Released in Part
1793. Email to Margot Anderson from Joseph Kelliher, dated March 12, 2001. Subject: RE: NEP Policy Options. B-5 Exemption - Redacted, deliberative and pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 2 pages. #9957-9958 Released in Part
1794. Email to Margot Anderson from Paula Scalingi, dated March 12, 2001. Subject: FW: Policy Options for Infrastructure Goals – TITLES. B-5 Exemption - Redacted, deliberative and pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #9959 Released in Part
1795. Email to Margot Anderson from Ellen Brown, dated March 9, 2001, with one attachment not attached. Subject: More on 8. B-5 Exemption - Redacted, deliberative and pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 2 pages. #9960-9961 Released in Part
1796. Email to Margot Anderson from William Breed, dated April 13, 2001, with two attachments not attached. Subject: RE: Energy Tax Proposals. B-5 Exemption - Redacted, deliberative and pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #9962 Released in Part
1797. Document determined to be non-responsive to FOIA requests. #9963
1798. Undated document entitled "Refinery Desulfurization & Expansion Capital Investment Tax Credit." B-5 Exemption - Document withheld because it contains deliberative and

pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 2 pages. #9964-9965 Withheld.

1799. Email to Paula Scalingi from Margot Anderson, dated March 9, 2001. Subject: RE: NEP Goals. B-5 Exemption - Redacted, deliberative and pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 2 pages. #9966-9967 Released in Part
1800. Email to Margot Anderson from Joseph Kelliher, dated March 12, 2001. Subject: California Supply/Demand. B-5 Exemption - Redacted, deliberative and pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #9968 Released in Part
1801. Email to Margot Anderson from Joseph Kelliher, dated April 13, 2001. Subject: SPR. B-5 Exemption - Redacted, deliberative and pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #9969 Released in Part
1802. Email to Margot Anderson from Joseph Kelliher, dated March 12, 2001. Subject: RE: NEP Policy Options. B-5 Exemption - Redacted, deliberative and pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 2 pages. #9970-9971 Released in Part
1803. Email to John Conti from Joseph Kelliher, dated March 12, 2001. Subject: RE: CEC CA Summer 2001 Forecasted Peak Demand - Resource Balance. B-5 Exemption - Redacted, deliberative and pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #9972 Released in Part
1804. Document determined to be non-responsive to the FOIA requests. #9973
1805. Document entitled "Agenda National Energy Policy Development Group" dated March 12, 2001. B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 1 page. #9974 Withheld
1806. Email to Margot Anderson from Joseph Kelliher, dated April 13, 2001. Subject: Hydro Potential. B-5 Exemption - Redacted, deliberative and pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #9975 Released in Part
1807. Document determined to be non-responsive to the FOIA requests. #9976

1808. Undated Document entitled " Talking Points." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 2 pages. #9977-9978 Withheld
1809. Email to Margot Anderson from Joseph Kelliher, dated March 12, 2001. Subject: Prices. B-5 Exemption - Redacted, deliberative and pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #9979 Released in Part
1810. Email to John Conti and Margot Anderson from Joseph Kelliher, dated March 12, 2001. Subject: RE: CEC CA Summer 2001 Forecasted Peak Demand - Resource Balance. B-5 Exemption - Redacted, deliberative and pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #9980 Released in Part
1811. Email to Margot Anderson from Michael York, dated March 9, 2001, with one attachment not attached. Subject: Revised EERE Policy Options. B-5 Exemption - Redacted, deliberative and pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #9981 Released in Part
1812. Document determined to be non-responsive to the FOIA requests. #9982
1813. Document entitled "Summary Submission," dated July 26, 2001. B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions implementing the NEP. 5 pages. #9983 Withheld
1814. Document entitled "Draft - Policy Options on Various Subjects." Dated 7/26/01. B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions implementing the NEPDG report. 5 pages. #9983-9987 Withheld
1815. Email to John Conti from Joseph Kelliher, dated March 12, 2001. Subject: RE: CA Prices. B-5 Exemption - Redacted, deliberative and pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #9988 Released in Part
1816. Email to John Conti from Joseph Kelliher, dated March 12, 2001. Subject: RE: CA Prices. B-5 Exemption - Redacted, deliberative and pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #9989 Released in Part

1817. Email to Joseph Kelliher from MaryBeth Zimmerman, dated March 12, 2001, with one attachment not attached. Subject: RE: Distributed Generation Demonstration Project. B-5 Exemption - Redacted, deliberative and pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 2 pages. #9990 Released in Part
1818. Document determined to be non-responsive to the FOIA requests. #9991
1819. Undated document entitled "Distributed Energy Resources Projects in California." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 2 pages. #9992-9993 Withheld
1820. Email to Joseph Kelliher from MaryBeth Zimmerman, dated March 12, 2001, with one attachment not attached. Subject: "RE: Distributed Generation Demonstration Project." B-5 Exemption - Redacted, deliberative and pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP 1 page. #9994 Released in Part
1821. Undated document entitled "[Draft] Distributed Energy Resources Projects in California." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 2 pages. #9995 - 9996 Withheld
1822. Undated document entitled "[Draft] Chapter 3 - Energy Impacts on Families, Communities and Businesses," [dated July 26, 2001]. B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 6 pages. #9997-10002 Withheld
1823. Undated document entitled "Chapter 6--Increasing Energy Efficiency." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 7 pages. #10004-10010 Withheld
1824. Undated document entitled "Chapter 7: Development of Renewable Energy and Alternative Energy." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 2 pages. #10011-10012 Withheld
1825. Undated document entitled "Chapter 8: Increased Production of U.S. Energy Resources." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional

- comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 8 pages. #10013-10020 Withheld
1826. Undated document entitled "Chapter 9- Infrastructure Investment, Integrity, and Safety." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 5 pages. #10021-10025 Withheld
1827. Document to be non-responsive to FOIA requests. #10026
1828. Undated document entitled "Section: Chapter 8." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 4 pages. #10027-10030 Withheld
1829. Document determined to be non-responsive to the FOIA requests. #10031
1830. Undated document entitled "Clean Liquid Fuels." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 2 pages. #10032-10033 Withheld
1831. Document determined to be non-responsive to the FOIA requests. #10034
1832. Undated document entitled "U.S. Climate Change Policy Options." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 7 pages. #10035 -10041 Withheld
1833. Document determined to be non-responsive to the FOIA requests. #10042
1834. Undated document entitled "Advanced Coal Technology Incentive." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 5 pages. #10043-10047 Withheld
1835. Document determined to be non-responsive to the FOIA requests. #10048
1836. Undated document entitled "Reducing "1st of-a-Kind" Risks from New Fossil Fuel-Fired Power Plants." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 2 pages. #10049 -10050 Withheld
1837. Document determined to be non-responsive to the FOIA requests. #10051

1838. Undated document entitled "DOE Activities to Reduce Greenhouse Gas Emissions: Current." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 2 pages. #10052-10053 Withheld
1839. Undated document entitled "DOE Activities to Reduce Greenhouse Gas Emissions: In-the-Pipeline." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 2 pages. #10054-10055 Withheld
1840. Document determined to be non-responsive to the FOIA requests. #10056
1841. Undated document entitled "Nuclear Energy." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 1 page. #10057 Withheld
1842. Document determined to be non-responsive to the FOIA requests. #10058
1843. Undated document entitled "Ultra-Clean Liquid Fuels." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 1 page. #10059 Withheld
1844. Document determined to be non-responsive to the FOIA requests. #10060
1845. Undated document entitled "Addresses Regulatory Constraints to U.S. Refining and Fuels Availability." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 1 page #10061 Withheld
1846. Document determined to be non-responsive to the FOIA requests. #10062
1847. Undated document entitled "Chapter 8: Increased Production of U.S. Energy Resources." B-5 Exemption - Document withheld because it contains pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 12 pages. #10063-10074 Withheld
1848. Undated document entitled "Insert for Section 5 ("Impediments")." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 1 page. #10075 Withheld

1849. Document determined to be non-responsive to the FOIA requests. #10076
1850. Undated document entitled "Section 1 Short-Term Energy Supply Disruption." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 3 pages. #10077-10079 Withheld
1851. Undated document entitled "Section 2 Protection for Consumers and Low-Income Families." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 2 pages. #10080-10081 Withheld
1852. Undated document entitled "Section 3 Economic Impact of Energy." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 3 pages. #10082-10084 Withheld
1853. Undated document entitled "Section 4 Development of Alternative and Renewable Energy Resources and Conservation and Increase Energy Efficiency." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 5 pages. #10085-10089 Withheld
1854. Undated document entitled "Section 5 Impediments to Increased Production of Conventional Energy Resources." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 5 pages 10090-10094 Withheld
1855. Undated document entitled "Section 6 Infrastructure Investment, Integrity and Safety." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 5 pages. #10095-10099 Withheld
1856. Undated document entitled "Section 7 National Energy Security & International Affairs." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 3 pages. #10100-10102 Withheld
1857. Document determined to be non-responsive to the FOIA requests. #10103
1858. Undated document entitled "Energy Situation Analysis: Coal." B-5 Exemption - Document withheld because it contains deliberative and re-decisional comments,

- proposed changes, edits, or revisions to a draft chapter of NEPDG report. 2 pages.
#10104-10105 Withheld
1859. Document determined to be non-responsive to the FOIA requests. #10106
1860. Undated document entitled "Technology Development to Increase Electricity Production from Existing Coal-Fired Power Plants." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 2 pages. #10107-10108 Withheld
1861. Undated document entitled "Technology Development to Increase Electricity Production from New Fossil Fuel-Fired Power Plants." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 2 pages. #10109-10110 Withheld
1862. Document determined to be non-responsive to the FOIA requests. #10111
1863. Undated document entitled "Draft Outline for Electricity Resource Paper - Constraints to Adequate Electricity Supply." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 1 page #10112 Withheld
1864. Document determined to be non-responsive to the FOIA requests. #10113
1865. Undated document entitled "Section 1 Short-Term Energy Supply Disruption." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 3 pages #10114-10116 Withheld
1866. Undated document entitled "Section 2 Protection for Consumers and Low-Income Families." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 2 pages. 10117-10118 Withheld
1867. Undated document entitled "Section 3 Economic Impact of Energy." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 3 pages. 10119-10121 Withheld
1868. Section 4 document entitled "Section 4 Development of Alternative and Renewable Energy Resources and Conservation and Increase Energy Efficiency." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments,

- proposed changes, edits, or revisions to a draft chapter of NEPDG report. 5 pages.
#10122-10126 Withheld
1869. Undated document entitled "Section 5 Impediments to Increased Production of Conventional Energy Resources." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 5 pages. #10127-10131 Withheld
1870. Undated document entitled "Section 6 Infrastructure Investment, Integrity and Safety." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 5 pages. # 10132-10136 Withheld
1871. Undated document entitled "Section 7 National Energy Security & International Affairs." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 3 pages. 10137-10139 Withheld
1872. Document determined to be non-responsive to the FOIA requests. #10140
1873. Undated document entitled "Section 1 Short-Term Energy Supply Disruption." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 3 pages. #10141-10143 Withheld
1874. Undated document entitled "Section 2 Protection for Consumers and Low-Income Families." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 2 pages. #10144-10145 Withheld
1875. Undated document entitled "Section 3 Economic Impact of Energy." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 3 pages. # 10146-10148 Withheld
1876. Undated document entitled "Section 4 Development of Alternative and Renewable Energy Resources and Conservation and Increase Energy Efficiency." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 6 pages. #10149-10154 Withheld
1877. Undated document entitled "Section 6 Infrastructure Investment, Integrity and Safety." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional

- comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 5 pages. #10155- 10159 Withheld
1878. Undated document entitled "Section 7 National Energy Security & International Affairs." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 3 pages. #10160-10162 Withheld
1879. Document determined to be non-responsive to the FOIA requests. #10163
1880. Undated document entitled "Chapter 9 - Infrastructure Investment, Integrity and Safety." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 3 pages. #10164-10166 Withheld
1881. Document determined to be non-responsive to the FOIA requests. #10167
1882. Undated document entitled "Protecting the Nation's Health, Environment and Energy Supply." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 1 page. #10168 Withheld
1883. Undated document entitled "Air Quality/Air Quality Impacts and Regulatory Programs." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 16 pages. #10169-10184 Withheld
1884. Document determined to be non-responsive to the FOIA requests. #10185
1885. Undated document entitled "Chapter 4 - Public Health and Environmental Considerations for Developing Energy Policy." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 3 pages. #10186-10188 Withheld
1886. Document determined to be non-responsive to the FOIA requests. 1 page. #10189
1887. Undated document entitled "March 24 version(FE,NE,PO) Chapter 8: Increased Production of U.S. Energy Resources." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 19 pages. #10190-10208 Withheld
1888. Undated document entitled "March 24 version(FE,NE,PO) - Percent of the Currently Operating Plants Can Be Expected to Seek License Renewals." B-5 Exemption -

- Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 6 pages. #10209-10214 Withheld
1889. Document determined to be non-responsive to the FOIA requests. #10215
1890. Undated document entitled "Technology Development to Increase Electricity Production From Existing Coal-Fired Power Plants." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 3 pages (one page blank). #10216-10218 Withheld
1891. Document determined to be non-responsive to the FOIA requests. #10219
1892. Document entitled "Draft Outline for Electricity Resources Paper - Constraints to Adequate Electricity Supply," dated February 13, 2001. B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 2 pages. #10220-10221 Withheld
1893. Document determined to be non-responsive to the FOIA requests. #10222
1894. Undated document entitled "FE Input to DOE Strategic Options for Climate Change - Technology-Based Options." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 1 page #10223 Withheld
1895. Undated document entitled "FE Input to DOE Strategic Options from Climate Change - Technology-Based Options." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 2 pages. #10224-10225 Withheld
1896. Document determined to be non-responsive to the FOIA requests. #10226
1897. Undated document entitled "Access to Oil and Natural Gas Resources on Federal Lands." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 2 pages #10227-10228 Withheld
1898. Document determined to be non-responsive to the FOIA requests. #10229
1899. Undated document entitled "NETL Comments on the FE C&PS Energy Policy Whitepapers." B-5 Exemption - Document withheld because it contains deliberative and

pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 3 pages. #10230-10232 Withheld

1900. Undated document entitled "Technology Development to Increase Electricity Production from Existing Coal-Fired Power Plants." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 1 page. #10233 Withheld
1901. Document determined to be non-responsive to the FOIA requests. #10234
1902. Document determined to be non-responsive to the FOIA requests. #10236
1903. Undated [Draft] document entitled "Technology - Other Mitigation Strategies Agriculture, Grazing Lands and Forests." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 4 pages. #10237-10240 Withheld
1904. Email to Margot Anderson from Kevin O'Donovan, dated March 9, 2001. Subject: RE: FW: NEP News. B-5 Exemption - Redacted, deliberative and pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 2 pages. #10241-10242 Released in Part
1905. Email to Margot Anderson from Ellen Brown, dated March 9, 2001, with one attachment (bate number #10244). Subject: More on 8. B-5 Exemption - Redacted, deliberative and pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #10243 Released in Part
1906. Undated document [appears to be part of an email] entitled "Margot, I just got these but they seem helpful so I am passing them on." B-5 Exemption - Redacted, deliberative and pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #10244 Released in Part
1907. Email to Margot Anderson from Joseph Kelliher, dated March 13, 2001. Subject: RE: NEP Activities. B-5 Exemption - Redacted, deliberative and pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #10245 Released in Part
1908. Email to Margot Anderson from Trevor Cook, dated March 13, 2001, with 2 attachments (Bates #s10247-10248). B-5 Exemption - Redacted, deliberative and pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. # 10246 Released in Part

1909. Undated document entitled "Generation IV Nuclear Reactor Technology." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 1 page. #10247 Withheld
1910. Undated document entitled "Label Nuclear Power as Environmentally Preferable." B-5 Exemption - Document withheld because it contains deliberative and pre-decisional comments, proposed changes, edits, or revisions to a draft chapter of NEPDG report. 1 page. #10248 Withheld
1911. Undated document entitled "Chapter 9 Infrastructure - Investment, Integrity, and Reliability." This document is a pre-decisional draft of chapter 9 of NEPDG that was circulated within DOE for review. This document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 29 pages. #10251-10279. Withheld
1912. Undated document entitled "Chapter 9 Infrastructure - Investment, Integrity, and Reliability." This document is a pre-decisional draft of chapter 9 of NEPDG that was circulated within DOE for review. This document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 29 pages. #10280-10308. Withheld
1913. Undated document entitled "Chapter 9 Infrastructure - Investment, Integrity, and Reliability." This document is a pre-decisional draft of chapter 9 of NEPDG that was circulated within DOE for review. This document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 29 pages. #10309-10337. Withheld
1914. Undated document entitled "Chapter 9 Infrastructure - Investment, Integrity, and Reliability." This document is a pre-decisional draft of chapter 9 of NEPDG that was circulated within DOE for review. This document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 9 pages. #10340-10348. Withheld
1915. Undated document entitled "Chapter 8: Increased Production of U.S. Energy Resources." This document is a pre-decisional draft of chapter 8 of NEPDG that was circulated within DOE for review. This document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting the process of commenting,

- recommending and revising draft documents relating to NEPDG. 23 pages. #10350-10372. Withheld
1916. Document entitled "Chapter 5 - Economic Impact." This document is a pre-decisional draft of chapter 5 of NEPDG that was circulated within DOE for review. This document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 23 pages. #10375-10397. Withheld
1917. Undated draft graphics to accompany draft document entitled "Chapter 5 - Economic Impact." This document is a pre-decisional draft of chapter 5 of NEPDG that was circulated within DOE for review. This document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 9 pages. #10398-10406. Withheld
1918. Undated document entitled "Captions to Accompany Charts in Chapter 5 - Economic Impact." This document is a pre-decisional draft of chapter 5 of NEPDG that was circulated within DOE for review. This document is withheld under Exemption B-5 because it contains pre-decisional comments, proposed changes, edits and revisions to a draft chapter of the NEPDG. 3 pages. #10407-10409. Withheld
1919. Draft document entitled "Chapter 6 - Increasing Energy Efficiency" and identified as "March 25 version." This document is a pre-decisional draft of chapter 6 of NEPDG that was circulated within DOE for review. This document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 19 pages. #10411-10429 Withheld
1920. Document entitled "Public Health and Environmental Considerations for Developing Energy Policy," dated "3/9 2 pm draft". This document is a pre-decisional draft of a portion of NEPDG that was circulated within DOE for review. This document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 8 pages. #10433-10440. Withheld
1921. Undated document entitled "Cleaner Energy: Air Pollution Down While Growth Continued." This graph was considered for use by the NEPDG in drafting the NEP. This document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #10441. Withheld

1922. Undated document entitled "Electric Power Sector A Major Source of Four Air Pollutants." The four graphs that appear on this single page were considered for use by the NEPDG in drafting the NEP. This document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #10442. Withheld
1923. Undated document entitled "Chapter 3 - Energy Impacts on Families, Communities, and Businesses." This document is a pre-decisional draft of chapter 3 of NEPDG that was circulated within DOE for review. This document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 8 pages. #10444-10451. Withheld
1924. E-mail to Margot Anderson from Jean Vernet, dated April 5, 2001. Subject: "RE: Recommendation One-Pages for 4/3/01 Principals Meeting." The redacted portions of this document are withheld under Exemption B-5 because they are deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #10454-10455. Released in Part
1925. E-mail to Dina Ellis from Charles M. Smith, dated April 4, 2001. Subject: Photographs. The redacted portion of this document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #10456 Released in Part
1926. Undated one-page draft document entitled "Asia." This document is a pre-decisional draft of material prepared for chapter 10 of NEPDG that was circulated within DOE for review. This document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #10459. Withheld
1927. Undated document headed "EIA comments march 30.doc" and entitled "EIA comments (Andy Kydes)." These are comments on a draft of a portion of the NEPDG. This document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #10460. Withheld
1928. Undated document headed "ch10 march 27 FE Comments.doc" and entitled "Section 10, National Energy Security and International Affairs." This document is a pre-decisional draft of section 10 of NEPDG that was circulated within DOE for review. This document is withheld under Exemption B-5 because it is deliberative and pre-decisional material

reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 15 pages. #10461-10475. Withheld

1929. Undated document entitled "Section 10, National Energy Security and International Affairs." This withheld document is a pre-decisional draft of section 10 of NEPDG including revisions and deletions that was circulated within DOE for review. This document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 15 pages. #10477-10491 Withheld
1930. E-mail to Margot Anderson from Jay Braitsch, dated April 4, 2001. Subject: RE: "Photographs for NEPD Report." The redacted portion of this document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #10492-10493 Released in Part
1931. E-mail to Joseph Kelliher from Charles M. Smith, dated April 4, 2001. Subject: "Photographs for NEPD Report." The redacted portion of this document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #10494. Released in Part
1932. E-mail to Charles M. Smith from Jeremy Symons, dated April 4, 2001. Subject: RE: Recommendation One-Pages for 4/3/01 Principals Meeting. The redacted portion of this document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #10495. Released in Part
1933. Undated document entitled "Corporate Average Fuel Economy (CAFÉ) Standards." This document is a pre-decisional position paper discussing pros and cons for recommendations concerning CAFÉ standards that was circulated within DOE for review. This document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting proposed recommendations, views, discussion and factual background pertaining to the drafting of NEP. 2 pages. #10500-10501. Withheld
1934. E-mail to Joseph Kelliher from Kjersten S. Drager, dated April 3, 2001. Subject: New topic for 4/3/01 Principals Meeting. The redacted portion of this document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #10502 - 10503. Released in Part

1935. Undated document entitled "Corporate Average Fuel Economy (CAFÉ) Standards." This document is a pre-decisional position paper discussing pros and cons for recommendations concerning CAFÉ standards that was circulated within DOE for review. This document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting proposed recommendations, views, discussion and factual background pertaining to the drafting of NEP. 2 pages. #10509-10510. Withheld
1936. E-mail to Joseph Kelliher from Charles M. Smith, dated April 2, 2001. Subject: New Topic for 4/3/01 Principals Meeting. The redacted portion of this document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #10513. Released in Part
1937. Undated document entitled "Three-Pollutant Standards." This document is a pre-decisional position paper discussing pros and cons for recommendations concerning pollutants that was circulated within DOE for review. This document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting proposed recommendations, views, discussion and factual background pertaining to the drafting of NEP. 2 pages. #10517-10518. Withheld
1938. Undated document entitled "Corporate Average Fuel Economy (CAFÉ) Standards." This document is a pre-decisional position paper discussing pros and cons for recommendations concerning CAFÉ standards that was circulated within DOE for review. This document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting proposed recommendations, views, discussion and factual background pertaining to the drafting of NEP. 2 pages. #10519-10520. Withheld
1939. Undated document entitled "Energy Efficiency." This document is a pre-decisional position paper discussing pros and cons for recommendations concerning improving energy efficiency that was circulated within DOE for review. This document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting proposed recommendations, views, discussion and factual background pertaining to the drafting of NEP. 2 pages. #10521-10522. Withheld
1940. Undated document entitled "Nuclear Energy." This document is a pre-decisional position paper discussing pros and cons for recommendations concerning the expansion of nuclear energy that was circulated within DOE for review. This document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting proposed recommendations, views, discussion and factual background pertaining to the drafting of NEP. 2 pages. #10523-10524. Withheld

1941. Undated document entitled "Outer Continental Shelf Leasing Moratoria." This document is a pre-decisional position paper discussing pros and cons for recommendations concerning outer continental shelf leasing moratoria that was circulated within DOE for review. This document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting proposed recommendations, views, discussion and factual background pertaining to the drafting of NEP. 2 pages. #10525-10526. Withheld
1942. E-mail to Charles M. Smith from Jeremy Symons, dated April 2, 2001, with one attachment (Bates #10528-10529). Subject: Revised energy efficiency piece. The redacted portion of this document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #10527-10528. Released in Part
1943. Undated document entitled "Presidential Goal for Improving Energy Efficiency in the Economy." This document is a pre-decisional position paper discussing pros and cons for recommendations concerning improving energy efficiency that was circulated within DOE for review. This document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting proposed recommendations, views, discussion and factual background pertaining to the drafting of NEP. 1 page #10529. Withheld
1944. E-mail to K Murphy from Paul Carrier, dated March 31, 2001. The redacted portion of this document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #10530. Released in Part
1945. Undated document entitled "Nuclear Energy." This document is a pre-decisional position paper discussing pros and cons for recommendations concerning the expansion of nuclear energy that was circulated within DOE for review. This document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting proposed recommendations, views, discussion and factual background pertaining to the drafting of NEP. 2 pages. #10532-10533. Withheld
1946. E-mail to Margot Anderson from K Murphy, dated March 30, 2001. Subject: Hydropower Licensing & CZMA meetings. The redacted portion of this document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #10534. Released in Part
1947. Undated document entitled "Three-Pollutant Legislation for the Electric Power Sector." This document is a pre-decisional position paper discussing pros and cons for

recommendations concerning sulfur dioxide, nitrogen oxides, and mercury emissions from electric power generators that was circulated within DOE for review. This document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting proposed recommendations, views, discussion and factual background pertaining to the drafting of NEP. 1 page. #10538. Withheld

1948. E-mail to Jeremy Symons from Nancy Johnson, dated March 30, 2001. Subject: FW: Hydraulic Fracturing: Status and Background Information. The redacted portion of this document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #10539-10540. Released in Part
1949. E-mail to Margot Anderson from Jay Braitsch, dated March 30, 2001. Subject: RE: Hydraulic Fracturing: Status and Background Information. The redacted portion of this document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #10541-10542. Released in Part
1950. E-mail to Margot Anderson from Jay Braitsch, dated March 30, 2001. Subject: RE: Hydraulic Fracturing: Status and Background Information. The redacted portion of this document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #10543. Released in Part
1951. E-mail to MaryBeth Zimmerman from Charles M. Smith, dated March 30, 2001. Subject: Photographs for National Energy Policy Development Report. The redacted portion of this document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #10544. Released in Part
1952. Document entitled "Chapter 5 - Economic Impact," dated August 6, 2001. This document is a pre-decisional draft of Chapter 5 of NEPDG that was circulated within DOE for review. This document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 23 pages. #10546-10568. Withheld
1953. Undated graphs labeled "Figure 1" through "Figure 9" for insertion in draft Chapter 5 (Bates #10546-568). These graphs were considered for use by the NEPDG in drafting the NEP. These documents are withheld under Exemption B-5 because they are deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 9 pages. #10569-10577. Withheld

1954. Undated document entitled "Captions to accompany charts in Chapter 5 - Economic Impact." This document is a pre-decisional draft of captions describing the graphs under consideration for use in Chapter 5 of NEPDG. The captions, along with revisions and deletions, were circulated within DOE for review. This document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 3 pages. #10578-10580. Withheld
1955. Document entitled "Chapter 5 - Economic Impact," dated August 3, 2001. This document is a pre-decisional draft of Chapter 5 of NEPDG that was circulated within DOE for review. This document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 23 pages. #10582-10604. Withheld
1956. Undated graphs labeled "Figure 1" through "Figure 9" for insertion in draft Chapter 5 (Bates #10582-604). These graphs were considered for use by the NEPDG in drafting the NEP. These documents are withheld under Exemption B-5 because they are deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 9 pages. #10605-10613. Withheld
1957. E-mail to Margot Anderson from Jeremy Symons, dated March 30, 2001, with one attachment (Bates #10615-10617). Subject: Hydraulic Fracturing: Status and Background Information. The redacted portion of this document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #10614 Released in Part
1958. Undated document entitled "Captions to accompany charts in Chapter 5 - Economic Impact." This document is a pre-decisional draft of captions describing the graphs under consideration for use in Chapter 5 of NEPDG. The captions, along with revisions and deletions, were circulated within DOE for review. This document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 3 pages. #10615-10617. Withheld
1959. Undated document entitled "Jurisdictional Authorities and Environmental Permits for Pipeline Construction." This graphic was considered for use by the NEPDG in drafting the NEP. The document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #10619. Withheld

1960. Graphic dated 4/11/00 entitled "Typical Pipeline Construction Sequence." This graph was considered for use by the NEPDG in drafting the NEP. The document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #10620. Withheld
1961. Undated graphic document entitled "XYZ Pipeline Project, Example Environmental Schedule." This graphic was considered for use by the NEPDG in drafting the NEP. The document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #10621. Withheld
1962. Undated. Document entitled "Chapter 9 Infrastructure - Investment, Integrity, and Reliability." This document is a pre-decisional draft of chapter 9 of NEPDG that was circulated within DOE for review. This document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 14 pages. #10622-10635. Withheld
1963. This document dated 3/28/01 and headed "Agency Recommendations" contains recommendations and comments from the departments of Treasury, Energy, Commerce, Interior, Agriculture and State concerning the NEP. The document includes a one page table of contents (Bates #10655). This document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting proposed recommendations, views, discussion and factual background pertaining to the drafting of NEP. 18 pages. #10637-10655. Withheld
1964. This document is marked "Draft" and entitled "Chapter 5 - Economic Impact." This document is a pre-decisional draft of Chapter 5 of NEPDG that was circulated within DOE for review. This document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 23 pages. #10657-10679 Withheld
1965. Undated graphs labeled "Figure 1" through "Figure 9" for insertion in draft Chapter 5 (Bates #10657-679). These graphs were considered for use by the NEPDG in drafting the NEP. These documents are withheld under Exemption B-5 because they are deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 9 pages. #10680-10688 Withheld
1966. Undated document entitled "Captions to accompany charts in Chapter 5 - Economic Impact." This document is a pre-decisional draft of captions describing the graphs under consideration for use in Chapter 5 of NEPDG. The captions, along with revisions and

deletions, were circulated within DOE for review. This document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 3 pages. #10689-10691 Withheld

1967. Undated document entitled "Corporate Average Fuel Economy (CAFÉ) Standards." This document is a pre-decisional position paper discussing pros and cons for recommendations concerning CAFÉ standards that was circulated within DOE for review. This document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting proposed recommendations, views, discussion and factual background pertaining to the drafting of NEP. 1 page. #10693 Withheld
1968. E-mail to Margot Anderson from Jeremy Symons, dated March 29, 2001, with one attachment (Bates #107002). Subject: Draft Energy Efficiency Recommendation. The redacted portion of this document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #10700-10701 Released in Part
1969. Undated and untitled document discussing pros and cons of establishing a national goal for improving energy efficiency. This document is a pre-decisional position paper discussing pros and cons for recommendations concerning improving energy efficiency that was circulated within DOE for review. This document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting proposed recommendations, views, discussion and factual background pertaining to the drafting of NEP. 1 page. #10702 Withheld
1970. E-mail to Joseph Kelliher from Andrew D. Lundquist, dated March 29, 2001, with two attachments not attached. Subject: "RE:" The redacted portion of this document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #10703-10704 Released in Part
1971. E-mail to Joseph Kelliher from Charles M. Smith, dated March 29, 2001. Subject: "One-Pagers for Principals Meeting." 1988. E-mail to Margot Anderson from Joseph Kelliher, dated February 22, 2001. Subject: FW: International Issues. The redacted portion of this document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 1 page. #10752. Released in Part
1989. Undated graphics for Chapter 8 of the NEP. These graphics were considered for use by the NEPDG in drafting the NEP. The document is withheld under Exemption B-5 because it is deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 16 pages. #10755-10770 Withheld
1990. E-mail to Cathy Tripodi from Joseph Kelliher dated July 3, 2001. Subject: Energy Tax Proposals. B-5 Exemption - Redacted, deliberative and pre-decisional document. Transmits attachment. Transmitting document contains views, comments, or recommendation. pertaining to drafting the NEP. 4 pages #10813-10816 Released in Part
1991. E-mail to Senator Kit Bond from Larry Lambeth dated January 25, 2002. Subject: Release of Energy Task Force Participants. Document redacted because it contains personal information. B-6 Exemption - Information redacted to protect the privacy of individuals. 2 pages. #10817-10818 Released in Part
1992. E-mail to Vice President Cheney from Clint Crackel dated February 1, 2001. Subject: Energy Task Force. B-6 Exemption - Information redacted to protect the privacy of individuals. 2 pages. #10819-10820 Released in Part
1993. Letter to Vice President Richard Bruce Cheney, from Dr. Bertram Wolfe, dated February 1, 2001 with two attachments (Bates #10870-10871). B-6 Exemption - Information redacted to protect the privacy of individuals. 2 pages. #10868-10869. Released in Part
1994. Undated document entitled "Biography of Dr. Bertram Wolfe." B-6 Exemption - Information redacted to protect the privacy of individuals. 1 page. #10870 Released in Part

1995. E-mail to Joseph Kelliher from Margot Anderson, dated February 21, 2001. Subject: 97%. B-5 Exemption - Redacted, deliberative and pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 2 pages. #10883-10884 Released in Part
1996. E-mail to Joseph Kelliher from Margot Anderson, dated February 20, 2001. Subject: Toycing base. B-5 Exemption - Redacted, deliberative and pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #10885 Released in Part
1997. E-mail to Secretary Abraham from Luke Geissbahler, dated February 2, 2001. Subject: Alaskan Wildlife Refuge with two attachments (Bates #10887-10888). B-6 Exemption - Information redacted to protect the privacy of individuals. 1 page. #10886 Released in Part
1998. Undated letter to President Bush's Energy Task Force from Luke Geissbahler. Subject: Alaskan Wildlife Refuge. B-6 Exemption - Information redacted to protect the privacy of individuals. 1 page. #10887 Released in Part
1999. Undated Letter to President Bush's Energy Task Force from Luke Geissbahler. Subject: Alaskan Wildlife Refuge. B-6 Exemption - Information redacted to protect the privacy of individuals. 1 page. #10888 Released in Part
2000. E-mail to Joseph Kelliher from Veronica Angulo, dated April 30, 2001. Subject: Actions in Connection with Presidential Permitting Process and Gas Export Program. B-5 Exemption - Redacted, deliberative and pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 2 pages. #10899-10900 Released in Part
2001. E-mail to Joseph Kelliher from Veronica Angulo, dated April 30, 2001. Subject: Actions in Connection with Presidential Permitting Process and Gas Export Program. B-5 Exemption - Redacted, deliberative and pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #10901 Released in Part
2002. E-mail to Joseph Kelliher from Veronica Angulo, dated April 30, 2001. Subject: Actions in Connection with Presidential Permitting Process and Gas Export Program. B-5 Exemption - Redacted, or deleted, deliberative and pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 2 pages. #10902-10903 Released in Part
2003. E-mail to Joseph Kelliher from Veronica Angulo, dated April 25, 2001. Subject: Actions in Connection with Presidential Permitting Process and Gas Export Program. B-5

Exemption - Redacted, deliberative and pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #10904 Released in Part

2004. E-mail to Margot Anderson from Joseph Kelliher, dated April 30, 2001. Subject: Clean Coal. B-5 Exemption - Redacted deliberative and pre-decisional document reflecting question, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #10911 Released in Part
2005. E-mail to Robert Kripowicz from Joseph Kelliher dated April 30, 2001. Subject: Clean Coal. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #10919 Released in Part
2006. E-mail to Margot Anderson from Douglas Carter, dated April 20, 2001. Subject: NSR. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 3 pages. #10928-10930 Released in Part
2007. E-mail to Joseph Kelliher from Charles Smith, dated April 30, 2001. Subject: Chapter 3. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #10931 Released in Part
2008. E-mail to Joseph Kelliher from Charles Smith, dated April 30, 2001. Subject: Clean up of Chapter 1. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #10932 Released in Part
2009. E-mail to Joseph Kelliher from Charles Smith, dated April 20, 2001. Subject: One-pager on Vitrification/Gasification. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #10933 Released in Part
2010. E-mail to Joseph Kelliher from Charles Smith, dated April 9, 2001. Subject: Photographs for NEPDG Report. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #10934 Released in Part
2011. E-mail to Joseph Kelliher from Charles Smith, dated April 4, 2001. Subject: Transmission Bottlenecks. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #10935 Released in Part

2012. E-mail to Joseph Kelliher from Charles Smith, dated April 2, 2001. Subject: Reformatted Chapters. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #10936 Released in Part
2013. E-mail to Joseph Kelliher from Charles Smith, dated March 23, 2001. Subject: Ch.6 - Energy Efficiency. B-5 Exemption - Redacted, or deleted, pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #10937 Released in Part
2014. Document entitled "Evaluate Additional Policies to Reduce Transportation Sector Energy Consumption," dated March 22, 2001. B-5 Exemption - Pre-decisional policy recommendations for NEP. 1 page. #10942 Withheld
2015. E-mail to Charles Smith from Margot Anderson, dated March 23, 2001. Subject: Ch. 6 - energy efficiency. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #10985 Released in Part
2016. E-mail to Charles Smith from Margot Anderson, dated March 27, 2001. Subject: Update. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #10986 Released in Part
2017. E-mail to Charles Smith from Margot Anderson, dated March 27, 2001. Subject: Status Report from DOE. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #10987 Released in Part
2018. E-mail to Charles Smith from Margot Anderson, dated April 5, 2001. Subject: IA Comments on State's Chapter. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #10988 Released in Part
2019. E-mail to Charles Smith from Margot Anderson, dated April 5, 2001. Subject: DOE NEP Chapter Update. Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #10989 Released in Part
2020. E-mail to Jay Braitsch from Margot Anderson, dated April 4, 2001. Subject: Photographs for NEPD Report. B-5 Exemption - Redacted pre-decisional document reflecting

- questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #10990 Released in Part
2021. E-mail to Charles Smith from Margot Anderson, dated April 3, 2001. Subject: Reformatted Chapters. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #10991 Released in Part
2022. E-mail to Charles Smith from Margot Anderson, dated April 5, 2001. Subject: IA Comments on State's Chapter. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #10992 Released in Part
2023. E-mail to Charles Smith from Margot Anderson, dated April 24, 2001. Subject: Info needed ASAP for Chapter One. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #10993 Released in Part
2024. E-mail to Charles Smith from Margot Anderson, dated April 20, 2001. Subject: Fact checking the NEP. B-5 Exemption - Redacted, or deleted, pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #10994 Released in Part
2025. E-mail to Kjersten Drager, et al. from Margot Anderson, dated April 30, 2001. Subject: Info needed for Chapter 5 by 3:00 Today. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #10995 Released in Part
2026. E-mail to Charles Smith from MaryBeth Zimmerman, dated March 14, 2001, with three attachments (Bates #10998-11013). Subject: Chapter 7. B-5 Exemption - Redacted pre-decisional document. Transmits attachment. Transmitting document contains views, comments, or recommendations pertaining to drafting the NEP. 2 pages. #10996-10997. Released in Part
2027. Draft Document entitled "Chapter 7 - Alternative and Renewable Energy," dated July 27, 2001. B-5 Exemption. Pre-decisional draft of Chapter of the NEPDG report that was circulated within DOE for review. 5 pages. #10998-11002 Withheld
2028. Draft Document entitled "Chapter 5 - Energy Productivity and Load Management," dated February 26, 2001. B-5 exemption. Pre-decisional draft of Chapter of the NEPDG report that was circulated within DOE for review. 6 pages. #11003-11008 Withheld

2029. Draft document entitled "Chapter X - Energy Impacts on Families, Communities and Businesses," dated July 27, 2001. B-5 exemption. Pre-decisional draft of Chapter of the NEPDG report that was circulated within DOE for review. 5 pages. #11009-11013
Withheld
2030. E-mail to John Fennel from Mary Beth Zimmerman, dated February 12, 2001 with one attachment (Bates #11015-11018). Subject: Energy piece for Charles Smith. B-5 Exemption - Redacted, or deleted, pre-decisional document. Transmits attachment. Transmitting document contains views, comments, or recommendations pertaining to drafting the NEP. 1 page. #11014 Released in Part
2031. Undated document entitled "Development of Alternative and Renewable Energy Resources and Conservation and Increased Energy Efficiency." B-5 Exemption - Withheld Pre-decisional position paper containing proposed recommendations, views, discussion or factual background pertaining to the draft NEP. 4 pages. #11015-11018
Withheld
2032. E-mail to Michelle Poche and Joseph Kelliher from Margot Anderson, dated March 26, 2001. Subject: New Chapter 9 from DOT. B-5 Exemption - Redacted pre-decisional document reflecting questions, comments, recommendations, suggestions, or processes relating to the development of the NEP. 1 page. #11019 Released in Part
2033. E-mail to Joseph Kelliher from Margot Anderson, dated March 23, 2001. Subject: Policy Options. B-5 Exemption - Redacted, or deleted, pre-decisional document. Transmits attachment. Transmitting document contains views, comments, or recommendations pertaining to drafting the NEP. 1 page. #11020 Released in Part

2290. E-mail to Michael York from Margot Anderson, dated March 28, 2001, with three attachments (Bates #12371-12397). Subject: RE: FW: NEP issues. B-5 Exemption - Deliberative and pre-decisional Process, transmits attachment. Redacted transmitting document contains views, comments, or recommendations pertaining to drafting of several chapters of the NEP. 2 pages. #12369- 12370 Released in Part
2291. Document entitled "Section 10 - National Energy Security and International Affairs," dated July 2, 2001. B-5 Exemption - Deliberative and pre-decisional Process. Withheld draft of chapter for inclusion in the NEP. 14 pages. #12371-12384 Withheld
2292. Document entitled "Chapter 8: Increased Production of U.S. Energy Resources," dated March 24. B-5 Exemption - Deliberative and pre-decisional Process. Withheld draft of chapter for inclusion in the NEP. 9 pages. #12385-12393 Withheld
2293. Document entitled "Chapter 3 - Energy Impacts on Families, Communities, and Businesses," dated March 27. B-5 Exemption - Deliberative and pre-decisional Process. Withheld draft of chapter for inclusion in the NEP. 4 pages. #12394 - 12397 Withheld

2294. Undated document entitled "DOE Comments on NEP Chapter 4: Health and Environment." B-5 Exemption - Deliberative and pre-decisional Process - withheld document contains views, comments, or recommendations pertaining to drafting of the NEP. 3 pages. #12399-12401 Withheld
2295. E-mail to John Conti from Margot Anderson, dated March 28, 2001, with four attachments (Bates #12403-12418). B-5 Exemption - Deliberative and pre-decisional Process, transmits attachments. Redacted transmitting document contains views, comments, or recommendations pertaining to drafting of the NEP. 1 page. #12402 Released in Part
2296. Undated document entitled "Graphics Captions - NEP Chapter 7." B-5 Exemption - Deliberative and pre-decisional Process, withheld graphics captions considered for use in drafting the NEP. 1 page. #12403 Withheld
2297. Undated and untitled document. Subject: Graphics. B-5 Exemption - Deliberative and pre-decisional Process, withheld graph(s) considered for use in drafting the NEP. 5 pages. #12404-12408 Withheld
2298. Document entitled "Chapter 7 - Alternative and Renewable Energy," dated June 29, 2001. B-5 Exemption - Withheld deliberative and pre-decisional draft of chapter for inclusion in the NEP. 4 pages. #12409-12413 Withheld
2299. Undated and untitled document. Subject: Graphics: wind, biofuels, solar, geothermal resources. B-5 Exemption - withheld deliberative and pre-decisional graphs considered for use in drafting the NEP. 5 pages. #12414-12418 Withheld
2300. E-mail to John Conti from Margot Anderson, dated March 29, 2001, with three attachments (#12420-12435). Subject: chapter 9. 1 page. #12419 B-5 Exemption - Withheld transmitting document contains deliberative and pre-decisional views, comments, or recommendations pertaining to drafting of the NEP. Withheld
2301. Undated document entitled "Chapter 9 - Infrastructure - Investment, Integrity, and Reliability." B-5 Exemption - Withheld deliberative and pre-decisional draft of chapter for inclusion in the NEP. 14 Pages. #12420-12433 Withheld
2302. Undated and untitled document. Subject: Major electric transmission lines. B-5 Exemption - withheld deliberative and pre-decisional graph(s) considered for use in drafting the NEP. 1 page. #12434 Withheld
2303. Undated and untitled document. Subject: Transmission probe map. 1 page. #12435 B-5 Exemption - withheld deliberative and pre-decisional graph(s) considered for use in drafting the NEP. Withheld

2304. E-mail to Jay Braitsch from Margot Anderson, dated March 29, 2001. Subject: RE: chapter 10 (international). 1 page. #12436 B-5 Exemption - Deliberative and pre-decisional Process, transmits attachment (attachment not included). Redacted transmitting document contains views, comments, or recommendations pertaining to drafting of the NEP. Released in Part
2305. E-mail to John Conti, et al. from Margot Anderson, dated March 29, 2001, with one attachment (#12438-12450). Subject: chapter 10 (international). 1 page. #12437 B-5 Exemption - Deliberative and pre-decisional Process, transmits attachment. Redacted transmitting document contains views, comments, or recommendations pertaining to drafting of the NEP. Released in Part
2306. Undated document entitled "Section 10 - National Energy Security and International Affairs." B-5 Exemption - Withheld deliberative and pre-decisional draft of chapter for inclusion in the NEP. 13 pages. #12438-12450 Withheld
2307. E-mail to Kevin Kolevar from Margot Anderson, dated March 30, 2001, with one attachment (Bates #12452-12453). Subject: one pager on 3-pollutant. B-5 Exemption - Deliberative and pre-decisional Process, transmits attachment. Redacted transmitting document contains views, comments, or recommendations pertaining to drafting of the NEP. 1 page. #12451 Released in Part
2308. Document entitled "Three-Pollutant Legislation for the Electric Power Sector," dated March 30, 2001. B-5 Exemption - Withheld deliberative and pre-decisional position paper containing proposed recommendations, views, discussion, or factual background pertaining to drafting of the NEP. 2 pages. #12452-12453 Withheld
2309. E-mail to Charles M. Smith from Margot Anderson, dated March 29, 2001. Subject: RE: Photo coordination. 1 page. #12454 B-5 Exemption - Deliberative and pre-decisional Process. Withheld document reflects the writer's thoughts on the appropriate process to be followed in deciding on the appropriate photographs to be used in the NEP. Withheld
2310. E-mail to Michelle Poche from Margot Anderson, dated March 29, 2001, with one attachment (Bates #12456-12457). Subject: DOE comments and new oil refinery section. B-5 Exemption - Deliberative and pre-decisional Process, redacted information reflecting the writer's or other persons questions, comments, recommendations, or suggestions relating to the subject section of the NEP. 1 page. #12455 Released in Part
2311. Undated document entitled "Oil Refineries." B-5 Exemption - Withheld deliberative and pre-decisional position paper contains proposed recommendations, views, discussion, or factual background pertaining to drafting of the NEP. 2 pages. #12456-12457 Withheld

2312. E-mail to Michelle Poche from Margot Anderson, dated March 29, 2001, with four attachments (Bates #12459-12474). Subject: more DOE edits and graphics. 1 page. #12458 B-5 Exemption - Deliberative and pre-decisional process, redacted E-mail transmitting graph(s) considered for use in drafting the NEP. Released in Part
2313. Undated and untitled document. Subject: Permits flow graphic. B-5 Exemption - withheld deliberative and pre-decisional graph(s) considered for use in drafting the NEP. 1 page. #12459 Withheld
2314. Undated and untitled document. Subject: Pipeline construction graphic. B-5 Exemption - Deliberative and pre-decisional Process, withheld graph(s) considered for use in drafting the NEP. 1 page. #12460 Withheld
2315. Undated and untitled document. Subject: XYZ Pipeline Project, Example Environmental Schedule. Permits Schedule graphic. B-5 Exemption - Deliberative and pre-decisional Process, withheld graphic considered for use in drafting the NEP. 1 page. #12461 Withheld
2316. Undated document entitled "Chapter 9 - Infrastructure - Investment, Integrity, and Reliability." B-5 Exemption - Deliberative and pre-decisional Process. Withheld draft of chapter for inclusion in the NEP. 14 Pages. #12462-12474 Withheld
2317. E-mail to MaryBeth Zimmerman from Margot Anderson, dated February 13, 2001, with one attachment (not attached). Subject: FW: Draft outline. B-5 Exemption - Deliberative and pre-decisional Process, Redacted transmitting document contains views, comments, or recommendations pertaining to drafting of the NEP. 1 page. #12475 Released in Part
2318. E-mail to William Breed from Margot Anderson, dated February 13, 2001, with one attachment (Bates #12477-12502). Subject: FW: Revised Draft outline on short term supplies. B-5 Exemption - Deliberative and pre-decisional Process, Redacted transmitting document contains views, comments, or recommendations pertaining to drafting of the NEP. 1 page. #12476 Released in Part
2319. Undated document entitled "Section 1 - Short-Term Energy Supply Disruption." B-5 Exemption - Deliberative and pre-decisional Process. B-5 Exemption - Deliberative and pre-decisional Process. Withheld position paper contains proposed recommendations, views, discussion, or factual background pertaining to drafting of the NEP. 3 pages. #12477-12479 Withheld

- paper contains proposed recommendations, views, discussion, or factual background pertaining to drafting of the NEP. 2 pages. #12480-12481 Withheld
2321. Undated document entitled "Section 3 - Economic Impact on Energy." B-5 Exemption - Deliberative and pre-decisional process. Withheld position paper contains proposed recommendations, views, discussion, or factual background pertaining to drafting of the NEP. 3 pages. #12482-12484 Withheld
2322. Undated document entitled "Section 4 - Development of Alternative and Renewable Energy Resources and Conservation and Increase Energy Efficiency." B-5 Exemption - Deliberative and pre-decisional process. Withheld position paper contains proposed recommendations, views, discussion, or factual background pertaining to drafting of the NEP. 5 pages. #12485-12489 Withheld
2323. Undated document entitled "Section 5 - Impediments to Increased Production of Conventional Energy Resources." B-5 Exemption - Deliberative and pre-decisional process. Withheld position paper contains proposed recommendations, views, discussion, or factual background pertaining to drafting of the NEP. 5 pages. #12490- 12494 Withheld
2324. Undated document entitled "Section 6 - Infrastructure Investment, Integrity, and Safety." B-5 Exemption - Deliberative and pre-decisional process. Withheld position paper contains proposed recommendations, views, discussion, or factual background pertaining to drafting of the NEP. 5 pages. #12495-12499 Withheld
2325. Undated document entitled "Section 7 - National Energy Security & International Affairs." B-5 Exemption - Deliberative and pre-decisional process. Withheld position paper contains proposed recommendations, views, discussion, or factual background pertaining to drafting of the NEP. 3 pages. #12500-12502 Withheld
2326. E-mail to Jeremy Symons from Joseph Kelliher, dated April 17, 2001. Subject: NSR. B-5 Exemption - Deliberative and pre-decisional process, redacted information reflecting the writer's or other persons questions, comments, recommendations, or suggestions relating to the subject as it relates to the development of the NEP. 1 page. #12503 Released in Part
2327. Document entitled "Hydropower Licensing," dated April 6, 2001. B-5 Exemption - Deliberative and pre-decisional process. Redacted position paper contains proposed recommendations, views, discussion, or factual background pertaining to drafting of the NEP. 1 page. #12505 Released in Part
2328. E-mail to Lawrence Mansueti from Paul Carrier, dated April 6, 2001. Subject: FW: Hydro - Energy Task Force. B-5 Exemption - Deliberative and pre-decisional process, transmits attachment. (Attachment not included) Redacted transmitting document

contains views, comments, or recommendations pertaining to drafting of the NEP.
#12506-12507 Released in Part

2329. E-mail to MaryBeth Zimmerman from Darrell Beschen, dated April 17, 2001. Subject: Re: FW: Chapter 7 graphics. 2 pages. #12509 - 12510 B-5 Exemption - Deliberative and pre-decisional process, transmits attachment (not included). Redacted transmitting document contains views, comments, or recommendations pertaining to graphics for inclusion in subject chapter of the NEP. Released in Part
2330. E-mail to Charles Smith from Margot Anderson, dated March 30, 2001, with one attachment (Bates #12512-12513). Subject: Energy efficiency one-pager. B-5 Exemption - Deliberative and pre-decisional process, transmits attachment. Redacted transmitting document contains views, comments, or recommendations pertaining to drafting of the NEP. 1 page. #12511 Released in Part
2331. Undated document entitled "Energy Efficiency-Setting a Quantitative Goal." B-5 Exemption - Deliberative and pre-decisional process. Withheld position paper contains proposed recommendations, views, discussion, or factual background pertaining to drafting of the NEP. 2 pages. #12512-12513 Withheld
2332. E-mail to Kyle McSarrow from Doug Faulkner, dated March 01, 2001. Subject: FW: Speech by Karen Knutson, Office of the Vice President, before NASEO. B-5 Exemption - Information redacted consists of deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #12514-12515 Released in Part
2333. E-mail to Abe Haspel from David Letter, dated June 13, 2002, with one attachment not attached. Subject: Energy papers coming later tonight. B-5 Exemption - Information redacted consists of deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 5 pages. #12516-12520 Released in Part
2334. Undated draft letter to Mr. Richard Russell from Spencer Abraham. Subject: National Energy Policy Development Group. B-5 Exemption - Information withheld consists of deliberative and pre-decisional materials reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 2 pages. #12521-12522 Withheld
2335. Series of E-mails to and from personnel of the Department's Office of Energy Efficiency and Renewable Energy. Redactions were made pursuant to B-5 Exemption pre-decisional material on NEP and other DOE matters. Certain documents also non-responsive. B-6 - information deleted to protect personal privacy, and non responsiveness. 140 pages. #12523-12664 Released in Part

2336. Undated document entitled A National Energy Policy DOE Implementation Accountability Matrix. B-5 Exemption - Information withheld consists of deliberative and pre-decisional material reflecting the process of commenting, recommending and revising draft documents relating to NEPDG. 41 pages. #12665-12705 Withheld
2337. Undated document entitled A National Energy Policy DOE Implementation Accountability Matrix.
