Directory
of Potential Stakeholders
for DOE Actions
under NEPA

39th Edition
April 2024

U.S. Department of Energy
Office of NEPA Policy and Compliance

PREFACE

This *Directory of Potential Stakeholders for DOE Actions under NEPA* is prepared by the Office of NEPA Policy and Compliance to aid DOE offices in distributing NEPA documents and identifying contacts in organizations that are potentially interested in DOE NEPA reviews. The directory, on the [DOE NEPA Website](#), complements DOE's [EIS and EA Distribution Guidance](#).

To supplement the lists of potentially interested parties that DOE offices compile for individual proposals, this directory provides current contact information in Federal agencies (in part by referring to the list posted on the Council on Environmental Quality website); states, territories, and state and Tribal governmental associations; and nongovernmental organizations. Offices are encouraged to be inclusive in providing opportunities to review DOE NEPA documents.

The NEPA Office updates this directory approximately annually and may issue revisions throughout the year as new information becomes available. Please direct questions to askNEPA@hq.doe.gov.

Federal Agencies

The Council on Environmental Quality (CEQ) maintains a list of federal agency NEPA contacts at ceq.doe.gov/nepa-practice/agency-nepa-contacts. DOE offices planning NEPA-related notification, consultation, or document distribution should use this list to identify appropriate primary contacts in the federal agencies and note the additional information, below, that some agencies have provided: contacts specific to DOE, contacts in the agencies' regional offices, or specific instructions concerning document reviews.

CABINET DEPARTMENTS

Department of Agriculture

Forest Service

NEPA documents relating to a specific National Forest or Grassland should be sent to the local Forest Service office ("Find a Forest" at fs.usda.gov).

Department of Commerce

National Oceanic and Atmospheric Administration

NOAA is interested in NEPA documents relating to coastal regions and ocean waters. Send a notice of an EIS and EA for NOAA's consideration for review to noaa.nepa@noaa.gov.

Katherine Renshaw
NOAA NEPA coordinator
katherine.renshaw@noaa.gov

Department of Defense

Military Aviation and Installation Assurance Siting Clearinghouse

The Clearinghouse provides comprehensive, expedited evaluation of the potential impacts on military missions of energy development and other projects proposed within military training routes or special use airspace. The Clearinghouse encourages early informal consultation when the proposed location and nature of the project are established. Contact osd.dod-siting-clearinghouse@mail.mil. For additional information, see <https://dodclearinghouse.dod.afpims.mil/>.

Department of the Air Force

The Air Force wishes to receive NEPA documents only. The Air Force prefers to be notified as early as possible, preferably before a notice of intent is issued, especially if it is a potential cooperating agency for proposals that may affect Air Force airspace, ranges, bases, or related operations.

U.S. Army Corps of Engineers

The Corps prefers to be notified early, preferably before a notice of intent is issued, especially if it is a potential cooperating agency. Initial contact should be addressed to the local Corps district office, listed at usace.army.mil/Locations.

Department of the Interior

DOI requests that a review request for a draft or final EIS be sent to the Headquarters Office of Environmental Policy and Compliance, which will provide it to DOI bureaus and regional offices. For detailed instructions, see doi.gov/nepa, at the link for "Review of Non-Interior Actions."

The contact for DOE issues is:

Mr. Shawn Alam
Office of Environmental Policy and Compliance
Department of the Interior
1849 C Street, NW (MS 2629-MIB)
Washington, DC 20240

202-208-5465
shawn_alam@ios.doi.gov

DOI encourages direct consultation with its Regional Environmental Officers and Bureau contacts on other environmental matters, including early coordination and scoping, EAs and FONSI, preliminary or working draft EISs, and matters of a regional nature. For further information, see <https://www.doi.gov/nepa/nepa-contacts>.

Fish and Wildlife Service

To identify a NEPA contact for a specific matter, select a location at fws.gov/visit-us.

Department of Transportation

Federal Highway Administration

NEPA documents involving surface transportation issues of national scope should be coordinated with the Office of Project Development and Environmental Review. NEPA documents of regional, state, or local scope should be coordinated with the FHWA state-level Division Office; see fhwaapps.fhwa.dot.gov/foisp/keyFieldFederalAidDivisions.do.

Appendix: DOE Headquarters Points of Contact for Tribal Issues

There are more than 550 federally recognized American Indian tribes and Alaska Native entities in the United States. A [Tribal Leaders Directory](#) (with a mapping tool) is provided on the Bureau of Indian Affairs website. Also, the [Tribal Directory Assessment Tool](#) on the U.S. Department of Housing and Urban Development (HUD) website can help identify tribal interests (current and ancestral) in specific geographic areas. Searches may be performed by address, tribe, or state/county.

Assistance on coordination with tribes concerning NEPA and Section 106 matters is available from the DOE headquarters contacts listed below.
