

Early Career Professional Session Agenda

Crystal Gateway Marriott
1700 Richmond Hwy, Arlington, VA

This year's National Cleanup Workshop will continue to focus on workforce development with a pre-conference workshop entirely dedicated to early-career professionals. The event will feature sessions on Monday, September 16, aimed at helping early career professionals learn more about the U.S. Department of Energy's (DOE) Office of Environmental Management (EM) and how to grow and succeed in the DOE cleanup program.

Hosted by the Energy Communities Alliance in cooperation with the U.S. Department of Energy and the Energy Facility Contractors Group.
