

## VISITORS CENTER AND PROGRAM ATTENDANCE

Annual attendance is determined by combining visitors center walk-ins, organized program group numbers, meeting room users, and community outreach participants. Email [AtomicLegacyCabin@lm.doe.gov](mailto:AtomicLegacyCabin@lm.doe.gov) for an application to make program and tour requests.

\*The 2021 decrease was due to reduced public services beginning March 2020 following guidance from the Centers for Disease Control and Prevention's response to coronavirus (COVID-19), along with recommendations from federal, state, and local public health authorities.
