1. Wholesale Rates, Terms, and Conditions for Hydro Power and Energy

- 1.1. These rates shall be applicable regardless of the quantity of Hydro Power and Energy available or delivered; provided, however, that if an Uncontrollable Force prevents utilization of both of the project's power generating units for an entire billing period, and if during such billing period water releases were being made which otherwise would have been used to generate Hydro Power and Energy, then Southwestern shall, upon request, suspend billing for subsequent billing periods, until such time as at least one of the project's generating units is again available.
- 1.2. The term "Uncontrollable Force," as used herein, shall mean any force which is not within the control of the party affected, including, but not limited to, failure of water supply, failure of facilities, flood, earthquake, storm, lightning, fire, epidemic, riot, civil disturbance, labor disturbance, sabotage, war, acts of war, terrorist acts, or restraint by court of general jurisdiction, which by exercise of due diligence and foresight such party could not reasonably have been expected to avoid.
- 1.3. **Hydro Power Rates, Term, and Conditions**
